BREAK UP TWO STILLS IN ARKANSAS COUNTY, ARK.

DE WITT, Ark., Sept. 2.—(Sp.)—City Marshal T. M. Jones, assisted by Special Deputy K. C. Evans, raided a "white nut" still four miles from the city, taking into their custody two copper stills but failed to catch either in operation. It is reported that the larger of the two stills, the one with copper kettle having a 50-gallon capacity with an unusually large double coil, was the property of one Bob Hall, who was arrested some weeks ago and placed under \$2,000 bond for appearance before circuit court and federal court.

It appears, according to statement made by Mr. Hall, that when previously arrested he surrendered the stills and a small distilling outfit, the property of another party and retained his own larger and better plant, which was today found by the raiders.

FINAL PLANS FOR BIG AUTO SHOW ADOPTED

An educational exhibit to show the progress in automotive transportation will be staged at the Tri-State Fair by the Memphis Automobile Dealers' association. Final plans were adopted Wednesday night at a meeting of the association and immediately work was started to the end that the show will be complete and will bring to Memphis probably a greater variety of automobiles than any previous affair.

A special building will be used to house the exhibit, which will be selected to various dealers, the drawing to take place on Sept. 5. Plans of the Tennessee Automobile Dealers' association were outlined at the meeting and other talks covering various phases of the industry were made. It was decided that all garages and salesrooms would close Labor day.

SINN FEINERS GET ARMY CODE IN RAID

LONDON, Sept. 2.—A Sinn Fein raiding party invaded Sinn Fein headquarters at Ballydoey, near Dublin, Saturday night, and carried off a large quantity of arms and munitions, including the army code and cipher in use at present, according to the Daily Mail. The raiding party was the most daring and important attempted in Ireland since the present unrest in that country began.

BRITISH MINE STRIKE NOTICES ARE MAILED

LONDON, Sept. 2.—Strike notices calling for a walkout of members of the British Miners' federation Sept. 25, were sent out today, according to a decision reached this morning. The executive committee of the Transport Workers' union and the National Union of Railwaymen, which have been holding talks with the miners, have shown a disposition to support the miners, but nothing definite was known this morning as to their decision relative to a sympathetic strike. Belief has been expressed that even if a sympathetic strike were called, a stoppage of work may be averted, as the actual walkout may be suspended until a day under the rules of the federation.

BUILDING IS ACTIVE IN SENATOBIA, MISS.

SENATOBIA, Miss., Sept. 2.—(Sp.)—The first of September finds Senatobia going ahead with improvements, new buildings and the sewerage system nearing completion. Three splendid business buildings, on Front street, erected by A. L. McCormick, are now ready for occupancy. The postoffice authorities already having moved into one of them. A \$10,000 garage building is going up on Court street. The palatial home of Herbert Holmes, on College street, has been completed and several other residences have been erected and grounds have been improved and made ready for what seems to be the best season of the town's expansion. Five thousand dollars has been expended on the improvement of the County Agricultural high school, just outside of the town limits.

The Business Men's club is actively engaged in securing a recount of the population of the town, the people refusing to abide by the low enumeration given by the census bureau. While reade.
