The institute will continue for two weeks, with classes each night except Saturday and Sunday. A course of Bible study of great interest and helpfulness has been arranged, and the public is cordially invited to attend.

### SALARY ON SCALE RATING PROPOSED FOR ALL TEACHERS

#### New Plan Will Be Brought Up in Educational Conference To Be Held Oct. 28, 29 and 30 in Knoxville.

KNOXVILLE, Tenn., Oct. 20.—Feasibility of putting teachers of Tennessee on a scale rating basis is one of the questions which will come up at the conventions of the Tennessee Teachers' association and East Tennessee Educational association, to be held in Knoxville Oct. 28, 29 and 30.

By the proposed plan the salary which a teacher draws will be commensurate with the education that he or she received. The graduate of a normal school will receive a certain amount, while the graduate of a university would receive more. The scale would be adjusted to fit the years of preparation and training that were necessary to complete the courses taken by the teacher. This is considered one of the most fair and just plans that have been advanced for educators.

More than 3,000 teachers are expected to attend the East Tennessee Educational association. For the past few years this meeting has been held in Knoxville, rather than having it go from city to city as in the case with many conventions. The sessions will probably be held in the new auditorium of the Knoxville high school, but if this is not possible

they will be held in the auditorium of the Fifth Avenue Christian church. These sessions hold an attraction for many men and women who are not teachers, but who are interested in the educational problems that are being faced by public school teachers. The members of the Parent-Teacher association have expressed an active interest in the meeting. The annual convention of the Tennessee Parent-Teacher associations and Congress of Mothers was to have been held on the same date that has been reserved for the East Tennessee Educational association and State Teachers' association. Knoxville members of the state association made a special plea that the dates be changed to Oct. 21, 22 and 23, in order that they might attend the state parent-teacher meeting in Chattanooga.

### B. Y. P. U. TRAINING IS POPULAR, REPORTS SHOW

The annual training school for the Baptist Young People's unions of the city began Monday night at Bellevue Baptist church. The principal address was made by Aubrey Wilds, secretary of the B. Y. P. U. for the state of Mississippi.

Clifford Davis, local member of the faculty, stated that the enrollment in the class which he is teaching on the B. Y. P. U. manual is larger than that of last year. Subjects taught are: Senior manual, stewardship, advanced methods, training the quiz leader, and training in church membership.

### FORMER GUARD NABBED FOR BEATING PRISONER

## What Do You Use To Kill Germs?

Following the advice of doctors and recommendation of boards of health, intelligent housekeepers should disinfect the home daily.

# MALDEZONE

Kills Germs Destroys Odors

By far the most dangerous disease breeding germs are in the dirt that is not seen. They lurk in the sink, in the drain pipe, they breed in the garbage can, in the bathroom, wash bowls, bath tubs, lavatories. They hide in the many times handled vegetables, they collect in cellars and multiply in sunless, dark corners.

You can not see these disease breeding germs, but you can exterminate them quickly and easily by the regular, systematic use of MALDEZONE.

You should use it freely in the sick room. It positively sterilizes and purifies—and how sweet and clean it makes your home smell.

Keep a Maldezone Gas Air Purifier filled with Maldezone in your bedroom.

Sold by All Druggists. Manufactured by MALDEZONE CHEMICAL MFG. CO., Memphis, Tenn., U. S. A.

## Dr. Pierce's Favorite Prescription

There is one thing, that never goes out of style, and that is health. Plain dresses on a healthy, good-looking woman show off to far better advantage than fine raiment on a sickly woman. Health needn't cost a woman much. If she is weak, sickly, out of sorts, run down and irritable; if she has pain on top of the head, dragging-down sensations and dizziness, let her get a bottle of Dr. Pierce's Favorite Remedy at the drug store and take it.

In short order she will find herself growing stronger and healthier. She can see in the looking glass that her complexion is improving, and that from day to day she is better looking. She will note with great joy that she is keeping in style by keeping well.

Dr. Pierce's Favorite Prescription has been sold in the drug stores for 50 years. In half a century no one has ever made a better medicine for women. A remedy that has made sick women well for so long a time must surely have the confidence of every woman who reads this article in the paper. Try the tablets now.

NASHVILLE, TENN.—"Doctor Pierce's Favorite Prescription is the best medicine I have ever taken. I suffered for a long time with women's trouble. I would become so nervous that I would have to give up and lie down. I suffered with headache and pains in my side. I would have periodical spells of sick-headache. I could not eat or sleep, and I got where I was a physical wreck when I saw the 'Favorite Prescription' advertised, and decided to give it a trial. It completely cured me of the feminine trouble and restored me to good health."—MRS. ALICE MCCLLOUD, 1619 Sixth Avenue, N.

Send ten cents to Doctor Pierce's Invalids' Hotel in Buffalo, N. Y., for a trial package of "Favorite Prescription Tablets."

# Nash Trucks Are Sold at List Price

Nash Trucks invariably are sold at list price. And it is because of their unusual value that any deviation from the list is obviously impossible.

The fact is, prices of Nash Trucks would be many dollars higher than they are were it not that volume production of both passenger cars and trucks of value is carried on by one organization and under the direction of one group of executives.

Those most familiar with production methods will best appreciate what this means in low manufacturing overhead—and the saving effected is passed on to the buyer in the list price made possible for Nash Trucks.
