MINOR MENTION.

See Joseph Reiter's spring styles.

Additional local on seventh page.

Tony Denier's Humpty Dumpty sat on a wall at Dohany's last evening.

Don't burn up ten cents' worth of fuel to do a five cent washing, but use Utopia labor saving soap.

M. Keating yesterday received a whole carload of Anheuser-Busch bottled beer from St. Louis.

Complaint has been lodged against Oleon Nelson for taking \$5 worth of sod belonging to M. D. Weber.

There is some whispering about the possibility of Rev. Mr. Leman being called to again become the pastor of the Baptist church here.

The cases against Bernard, brought by the Consolidated Tank Line company for burning up old oil barrels, was dismissed yesterday, and Justice Vaughan taxed up the costs to the company.

Memorial day at Creston was very generally and successfully observed.

Hon. J. J. Steadman and Rev. V. B. Cushing gave addresses, and a poem was given by Miss Nellie Jordan.

The Fox Lanthorn squabble has peeped out afresh in Justice Schurz's court, where Constable Fox has filed complaints against Lanthorn for disturbing the peace and resisting an officer.

Chief Field yesterday received a telegram from Dr. G. W. Wertz, of Omaha, asking him to find if possible a missing boy, George Wertz, aged about eleven years, and supposed to be in this city.

John Doolittle had two fingers of his right hand badly saved this afternoon while feeding the steam saw at Mayne's wood yard.

Dr. Green dressed the wound and says he can yet save the fingers, although they will always be stiff.

C. C. McIlwain showed much pluck in saving the team of Brewster & Co.'s grocery house, where he is employed.

The stable was flooded so that the horses would have been lost without a doubt, had he not rescued them.

The firm appreciate the bravery with which he faced the peril to rescue their property, and yesterday they presented him with a valuable watch.

Try Benedict's soap.

Open for work, Pryor's Bee Job Printing Office, 7 Pearl street.

Try Benedict's Hawkeye.

Dr. West, Dentist, 14 Pearl street.

Benedict's soaps are the best.

Sad and Sudden.

Prof. Slattery, who has charge of the St. Joseph's academy for boys, returned yesterday from St. Louis, whither he was called by a fatal accident occurring to his brother.

His brother was at work in an iron foundry, a week ago last Saturday, when a piece of iron, weighing about twelve pounds, fell from a shelf, striking him on the head and fracturing the skull.

He lingered along until Thursday last, when death ended all suffering.

The funeral services were held there last Sunday. Deceased was only 26 years of age, a young man of remarkably robust physique, and his sudden death proves a heavy blow indeed to his wife and little ones, while other relatives and many friends feel deeply the loss, as he was a young man of noble parts and fine character.

Use Utopia labor saving soap.

Benedict's soaps are finer than split silk and don't you fall down and forget it.

USE BENEDICT'S UTOPIA LABOR SAVING SOAP. No need of boiling the clothes. Every bar warranted.

Commercial job printing, finest styles and reasonable rates, at Pryor's Bee Job Office, 7 Pearl street.

Try Benedict's Savon Nonpareil.

Benedict's soap is without doubt the best soap made.

And the villain still pursued her, and when he caught her she knocked him down with a bar of Benedict's hard dry soap.

MENDING MATTERS.

Arrangements Made to Repair the Damages Done by the Flood.

The City Divided Into Districts for the Aldermen to Supervise.

As a result of the floods the city finds itself needing many street and sidewalk repairs which must be attended to at once in order to make thoroughfares passable.

In order to expedite the work the council has divided the city into districts and placed two aldermen in charge of this work in each district.

Aldermen Siedentopf and Wood take the first ward; Aldermen Eichler and Keating the second ward; Aldermen James and McMahon the fourth ward.

The work of repairing at least temporarily those places made dangerous by washouts will be pushed to completion as rapidly as possible.

There is much to be done, and to be done at once, and this division of the labor will expedite matters greatly.

The aldermen will find their hands full, however, not merely with supervising the work, but in listening to a thousand demands for attention, where not more than a score can be immediately granted.

A meeting was held yesterday morning at Dohany's opera house, to devise ways and means for giving relief to those who are suffering from the flood.

The attendance was small, not sufficient notice having been given, but steps were taken, which it is to be hoped will be approved by the public and given a hearty support.

E. L. Shugart was made chairman, Mr. Armstrong secretary.

The following committee was appointed to raise money and supplies, and have the charge of distributing the same: E. L. Shugart, chairman; Dr. A. B. McKune, Dr. Hart, D. C. Bloomer, R. S. Cole, Mrs. R. M. Osborne, Mrs. J. B. Atkins.

E. L. Shugart and D. C. Bloomer were appointed to wait upon the board of supervisors and see what relief could be had from the county.

The following ward committees were appointed to solicit subscriptions: First ward—M. B. Brown, J. L. Boyce, Mrs. L. A. Casper.

Second ward—Dr. A. J. Cook, W. C. Uathank, Mrs. P. C. DeVol.

Third ward—Henry Eiseman, W. A. Wood, Mrs. Hozard.

Fourth ward—S. Haas, E. E. Harkness, Mrs. J. Lyman.

A meeting of general and ward committees is to be held at Rollie headquarters 102 Main street this morning.

All kinds of donations can be used, money, provisions, clothing, furniture and bedding. They should be delivered at 102 Main street or the committee notified so that a wagon can be sent after them.

It is to be hoped that the citizens will show their accustomed liberality and promptness, and if so there will be no lack of means for relieving those whose wants are pressing.

Try Benedict's Monday morning soap, triple pressed, hard and dry. One bar will out wear two bars of cheaper soap.

Benedict soaps are the cheapest and the best.

The Railways.

The railways are now in pretty good shape again. The Sioux City trains yesterday left and arrived only about an hour behind time, and will now run as usual.

The Chicago & North-western is also running its train on the usual track again, and the Milwaukee & St. Paul has resumed business about as usual, so that travel is now not interrupted.

Ask your grocer for Benedict's Monday morning soap. It is the cheapest soap in the market.

The hired girl says (metaphorically speaking) "that for plain and ornamental use, Benedict soaps are the best."

Dr. Ballard's Will.

The will of the late Dr. Ballard disposes of an estate amounting to over \$200,000, and embracing about 5,000 acres of land.

Of this the widow is given the homestead, all the chattels and 3,500 acres of land, to daughter, Mrs. George Robinson, living near Avoca, is given 1,050 acres, and to the son, O. B. Ballard, over 400 acres.

The will provides that the deceased of the widow her share is to go to the son's children, and that the property given the daughter is to be divided down to the children.

The widow of the other son, Mrs. Tom B. Ballard, whose husband was clerk of Mills county for six years, is not remembered in the will.

It is rumored that some of the heirs propose to attempt to have the will set aside. The widow and A. M. Pusey are made the administrators.

Don't fail to use Utopia labor saving soap. All goods hard and dry and warranted.

The District Court.

In the district court yesterday the criminal calendar was taken up. The case of Thompson, charged with burglarizing a saloon on Broadway, was tried, and the jury retired with it last evening.

The case of Johnson, charged with burglary, a colored boy who stole a lot of railway tickets, is to be tried to-day.

The second assignment of the civil cases is to be taken up Thursday.

The cases set for that day are Augusta Kuhnreok vs. Dr. R. Rice, damages, Macedonia Bank vs. Theodore G. Utter, sheriff, replevin; Robert Hanulita vs. A. Jefferson et al., equity; James H. Henry vs. Geo. E. Pennell, contract.

If you can't get it at the Golden Gate climb over the garden wall. Take Benedict's soap with you.

Five bars of Benedict's Hawkeye soap for twenty-five cents at M. A. Taylor's.

QUICK CURES.

Some Remarkable Cures by a Natural Physician, Dr. Thos. Jeffers, of This City.

A gentleman from Mills county, who had suffered constantly three months from rheumatism, so that he was entirely helpless, was cured in twenty minutes. This was not done in a corner, but was witnessed by his neighbors and several of our most reliable citizens.

Four years ago John Roe, an old citizen, after suffering with rheumatism three weeks, was cured by the doctor in ten minutes and has not had a touch of it since.

A Chicago gentleman, afflicted with paralysis for several years, was cured by Mr. J. L. Forman and Wm. H. Robinson, of this city, to try Dr. Jeffers' healing powers. He was perfectly restored in two treatments by laying on of hands.

Mrs. Wm. N. Irwin, of La Veta, Huerfano county, Colorado, was afflicted by paralysis and blindness for five years, and pronounced by physicians incurable. Her sight was restored, and the paralytic condition removed by laying on of hands twice. Her health has been good ever since. This cure was three years ago.

Although the above mentioned cures have been successful, as well as scores of others, yet the doctor admits that he cannot control the force that does the work. It controls him, and he is fully satisfied that it is not miraculous, but natural in its workings. Dr. Jeffers has also had wonderful success in treating diphtheria during the fearful epidemics.

If you want the best soap use none but Benedict's.

Try Benedict's Monday morning.

Arrested for Larceny.

A young man named Alfred Doherty was arrested for stealing a heifer from Edward McGovern about a month ago.

He was identified by men who saw him driving the heifer along the road, and admitted that fact himself, but claims that a man who is now near Plattsmouth hired him to drive the heifer, and that he did not know it was stolen.

He was given time to get this man if he could before going to trial, and secured John Lindt to defend him.

Use Benedict soap "in the morning by the bright light."

PERSONAL.

W. K. Sherwood, of St. Jo, who represents a tea house, was in the city yesterday.

He is not only a live salesman but a good deal of a scribe, and has written up a number of articles for "The Grip," in which he narrates many experiences of life on the road as a traveling agent.

This series of articles are soon to be put before the public in book form.

Carl Forney, who used to be the trumpeter for The Nonpareil, and who is now selling hoops of soap for the Marshalltown factory, is in the city.

His wife and little boy have been visiting friends here for several days.

L. A. Devine, who makes his home in Jacksonville, Ill., but who travels from here in the interest of the Buckeye machines, is stopping at the Pacific house, and is on the sick list.

H. H. Winter, G. W. Brigham, Chris. Johnson, M. H. Porter, L. Porter and P. Armentrout, all of Maine, Iowa, were at the Pacific yesterday.

J. G. Anderson and J. H. Johnson represented Blanchard at the Pacific yesterday.

Dr. E. L. Loggins, of St. Edward, Nebraska, was a Pacific house guest yesterday.

Frank Douglas arrived at the Pacific house yesterday from Lawrence, Kansas.

Robert Percival has left for the Hot Springs, determined to gain health there if possible.

H. D. Burt and W. D. Walden, both of Charlton, Iowa, were at the Ogden yesterday.

District Attorney Conner returned from Denison yesterday to attend the district court.

George N. Remington, Neola's postmaster, was in the city yesterday.

Charles L. Low, of Rochester, N. Y., arrived at the Ogden yesterday.

M. H. Byers, of Glenwood, was at the Pacific yesterday.

E. W. Hibbard, of Missouri Valley, was here yesterday.

Wilfred C. Potter, of Chicago, is at the Ogden.

S. N. Harvey, of Neola, was in the city yesterday.

E. A. Hav, of Chicago, is at the Ogden.

Do you catch on? On to what? To Benedict's soap. The very best.

Our New Loan and Improvement Co.

Investigation into the matter convinces us that one of the most equitable, reasonable and feasible plans of building houses is that proposed and in operation by the Mercantile Loan, Trust and Improvement company of this city.

By investing in shares in this institution, which is backed by some of our best and most reliable business men, it becomes possible and comparatively easy for a man of moderate means to secure a comfortable home for himself and family.

In taking a certain number of shares, at a certain monthly payment, in a few years a man can own a home of his own for about the same as he pays monthly for rent.

We believe the Mercantile Loan and Trust company, by organizing and opening up for business, having filed a long felt want in Council Bluffs. Their plans and system of loans will bear the most careful scrutiny and examination, and we have no hesitancy in pronouncing them reasonable and equitable, and backed by gentlemen of honor and integrity.

As the company exists it becomes at once an institution of value and credit to our city and those who desire homes.

Their president is T. A. Kirkland, vice president, Judge Poake; secretary, I. R. Beery; treasurer, Col. Beebe; and their office is in the building of Shugart and McMahon's new block, corner First avenue and Pearl street.
