PRELIMINARY WORK. CEDAR RAPIDS, Ia., August 18.—The democratic state convention was called to order by Chairman Kinne at 11 o'clock this morning, with prayer by Rev. Ringold, and an address of welcome by Hon. C. H. Paxon of Cedar Rapids.

Headley's Hopes in Ohio—Political Gatherings in Various Parts of the Country. Headley's hopes in Ohio are bright. He is expected to be nominated for governor in the fall.

Platform of Principles. 1.—We approve of and adopt the principles of the late democratic national convention.

2.—We declare in favor of the repeal of the prohibitory liquor law of the state of Iowa as unjust and hostile to temperance.

3.—We pledge ourselves to favor and use our best efforts for the enactment of a license law of \$250, with power to increase the same from \$250 to \$1,000, as may be deemed best for the public interest.

4.—We pledge ourselves to favor and use our best efforts for the enactment of a law which shall punish as criminal the manufacture and sale of adulterated liquors, such adulteration being the direct cause of impotence and destructive to the health of the people.

5.—We condemn as disgraceful and tyrannical the action of the republican executive committee in their attempt to divide the state into military districts.

6.—We urge upon congress the prompt enactment of appropriate legislation to open to settlement the forfeited railroad lands in the state.

7.—We approve the action of the democratic caucus of the twentieth general assembly in voting unanimously in favor of the prompt consideration of the bill known as the Cassin mining bill, and condemn the action of the republican majority in their attempt to obstruct the same.

8.—That while we oppose all monopolies, we recognize the right of the citizen to acquire property and to enjoy the same.

9.—That in President Cleveland, the country has found a man of solid judgment, conscientious integrity, and a high sense of duty, and his efforts for economy, for the exposure of criminal acts of the republican party, and for the promotion of the public interest, are worthy of the highest praise.

10.—With these principles we go before the people of Iowa, calling upon all who believe in the rights of the citizen to support the fusion ticket.

11.—That the fusion ticket is the only one that will secure the rights of the citizen, and that the fusion ticket is the only one that will secure the rights of the citizen.

notorious stage-robbers on the Pacific slope. His greatest exploit was the single-handed robbery of Wells Fargo Co. express on the stage from Sierra Valley, Truckee, June 29, 1881. While he was waiting in ambush for the stage a light wagon containing several men approached. The robbers captured the conveyance and stood the occupants up for an hour and a half until the Sierra Valley stage arrived. This contained four passengers, all of whom were compelled to get down except the driver, who was obliged to open Wells Fargo Co.'s box and hand out the contents. While this was going on the robbers approached, and the driver in each was compelled to get down and mingle with the other prisoners. At the close of the afternoon's performance Smith had thirteen men, sixteen horses and four vehicles under control of his double-barreled shotgun. This story, from official records shows the dangerous character of the man, who will doubtless soon be returned to a cell in the penitentiary.

TREASURY OFFICIAL ON THE COMPLAINTS OF SALT LAKE BANKERS. WASHINGTON, August 19.—A prominent official of the treasury department to-day said in regard to the complaints of the bankers and mining men of Salt Lake City against the recent order regulating the distribution of silver dollars, that the order in question was made necessary by the large expense attending the transportation of that coin from one point to another.

THE WABASH STRIKE. NO SERIOUS TROUBLE ANTICIPATED FOR A FEW DAYS.

St. Louis, August 19.—The action of the national executive committee of the Knights of Labor in issuing a general order to the knights engaged upon roads west of the Mississippi, prohibiting handling or repairing of Wabash rolling stock, has been followed by no serious results to-day. Members of the Wabash committee in session here are of the opinion that the full order will not be felt by the railroads for several days yet.

Telegrams have been received by them from different parts of the state from branch committees of the railroad organization endorsing the issuance of the general order, and indicating their intention to stand by it. Meetings of the knights all over the west will all be held as usual, and the order will be taken by them by the 21st at least.

An Effort to Impair Judges Treat and Kerker. T. J. Russell, of the committee, says that the restrictions calling for the impeachment of United States Judges Treat and Kerker will be carried out if possible.

Congressman Warner and Gen. Palmer will draw up the bill, which will be introduced into congress, and pushed with all the influence which the knights can command. Trouble is expected in Kansas City shortly, among the many veterans who are members of the order. The object of the association is to bring before the government the claims of men who served in the war.

THE EXECUTIVE COMMITTEE LEAVE FOR THEIR HOMES. Nothing has yet been received from any point in this state of any trouble growing out of yesterday's order to the Knights of Labor. The order will be carried out for a day or two, or until the order shall have reached at least the principal points in the route named in the order, the national executive committee of the knights will then return to the district committees with power to act. They will issue no more orders, and start for the east.

Representing the knights for the southwest system, left for their homes last night and will more fully explain the order to the various assemblies of knights in their own district here and transact necessary business.

NO DELAY OF TRAINS. There has been no delay to passenger trains so far, and none seems to be apprehended. The Wabash committee will issue the order to passenger coaches as well as freight cars and other rolling stock, nor has there been any detention to freight. The Wabash committee will issue the order to passenger coaches as well as freight cars and other rolling stock, nor has there been any detention to freight.

NO SIGNS OF IMMEDIATE TROUBLE. Up to late hour to-night there was actually no strike news, either local or from outside sources. The Wabash committee will issue the order to passenger coaches as well as freight cars and other rolling stock, nor has there been any detention to freight.
