

THE OMAHA BEE.

COUNCIL BLUFFS. OFFICE: - NO. 12 PEARL STREET.

Delivered by Carrier to any part of the City. E. W. TILTON, MANAGER. TELEPHONS: Business Office, No. 12 Pearl Street; Night Editor, No. 12 Pearl Street.

MINOR MENTION.

N. Y. Plumbing Co. Boston store for dry goods. Council Bluffs, Iowa.

The funeral of K. A. Norling will take place this afternoon at 2 o'clock from his late residence, 517 South Main street.

Henry Dreier was fined \$5 and costs by Justice Hamner yesterday for committing an assault and battery upon Mrs. M. A. Hooten.

The regular meeting of Etchell's council No. 3, Degree of Potomac, will be held this evening in the signman of the Red Men, corner of Broadway and Main street, at the eighth hour for work in the degrees.

The young man was found last evening at a dance in the western part of the city.

Marriage licenses were issued yesterday to Hans Rasmus of Omaha and Minnie Ley of Council Bluffs, and John J. Edwards of Omaha and Mary E. Edwards of Council Bluffs.

Both couples were married by Justice Hamner.

All the employees of the Boston store attended Chautauqua yesterday afternoon. A big carry-all and a trolley coach were chartered by their employers, Messrs. Fotheringham, Whiteley & Co., and all the expenses of the trip were paid.

Three men were arrested by Deputy Marshal Fowler yesterday afternoon on a telephone message from the police and were taken with them to the police station. They are supposed to have burglarized a barber shop and stolen a lot of razors and other tools.

Alonzo Ingerson, William Lottare and W. Metcalf.

The announcement made by some of the papers that the merchants would close their places today, as well as yesterday for the benefit of those who wished to attend the Chautauqua, was a mistake.

When the agreement was made, it was the intention of those who got it up to have the stores closed on both days, but the plan met with so much opposition that the matter was changed.

A Big Attraction. Manawa has a big attraction on the boards for the coming week.

Commencing Sunday, July 17, Prof. Ogawa and troop of royal Japanese performers will give a public exhibition in front of the Hotel Manawa, each evening for eight consecutive evenings.

Two performances will be given each evening, the first commencing at 5 p. m., and the second at 9 p. m. Performances will last one hour. This is the "Wild West" show, but is something every resident of Council Bluffs and Omaha should witness.

Original Japanese feasts will be performed, feasts that will at once cause the average spectator to marvel at their difficulties. Prof. Ogawa is a native of New York, where he is looked with his company for an extended engagement.

The performances will be conducted in open air and will be free for everybody.

The International Cure. This institution has been quietly pursuing its way since the announcement of its opening in the annex of the Grand hotel in Council Bluffs.

Many have recovered from the various forms of chronic disease, and today are happy in the new life that has come to them. The treatment is safe, sure and permanent. Under a careful physician the best results attend the treatment, and no one that has followed the instructions has not received full benefit of all that is claimed for the cure.

Comfortable rooms are furnished in the annex to the Grand hotel, to which all friends of the cure are invited. There are reception and reading rooms, and provisions for baths; in fact, every means is provided for the full recovery of all suffering from the rheumatic, opium, cocaine, tobacco, cigarette and alcohol diseases.

Many have been sent forth from this cure to whom the International Cure association can readily refer. Below is given a testimonial from one well known in Council Bluffs:

Council Bluffs, Ia., July 14.—International Cure Association: Gentlemen—It is a pleasure for me to speak of the benefits I have received from the International Cure. I have for years been under the influence of the cure, and in the time unable to control the appetite.

It has been serious harm to my own welfare, and sorrow and loss to my friends.

A few weeks since I entered upon treatment at the International Cure Association and today I am fully free from the desire of alcoholic drinks. I live in a new world with a future bright with hope.

My appetite is good and my general health excellent. I have never suffered in any way from the treatment, but it is with gratitude I shall always remember the International Cure and wish all suffering from the drink disease may find the same relief it has given me. Truly yours,

CHARLES A. LINDROTH.

For further information persons can call at or address the International Cure Association, 520 First avenue, fronting Bayliss park, Council Bluffs.

WHAT HAS BEEN ARRANGED FOR TODAY.

Interesting Features of Yesterday's Program—Future Treats in Store for Those Who Attend—Emancipation Day Celebration.

The Chautauqua management has convinced the public of one thing. If there is any mishap by which an expected speaker is unable to appear, the disappointment of the expectant audience is fully atoned for by supplying some one else, who will give an equal, or even greater benefit.

That School Levy. The action of the county commissioners in refusing to make the levy of 12 1/2 mills for the purpose of purchasing sites and erecting school houses, and County Attorney Morrison's opinion that the South Omaha council is the proper body to make the levy, is in accordance with the position taken by the council. The school board has been working under the charter of a city of the second class, having more than 5,000 people, and has been conducting the affairs of the city in accordance with the provisions of the charter.

The key to the school board's position is the fact that the school board is not a corporation, and is not a body that can be sued. The school board is a body that is created by the council, and its actions are subject to the council's control.

HELD UP BY DALTON'S GANG.

They Secure Forty Thousand Dollars.

Although the Express Was Guarded by a Posse, the Highwaymen Carried Out Their Plans and Wounded.

Four of the gang were recently captured near Guthrie, and a posse was organized at Adair to protect the Missouri, Kansas & Texas passenger train No. 2, southbound, was held up by a gang of masked robbers at Adair, L. T., late last night.

The robbers secured the contents of the safe of the Pacific Express company and made good their escape. It is believed that the robbers were the noted Dalton gang, who are responsible for a large number of similar crimes in the territory, the latest being the robbery of the Santa Fe express near Rock Rock, nearly a month ago.

ON FIRE WITH ECZEMA.

ITCHING BURNING SORES.

SKIN OFF, FACE RAW.

ERUPTION FROM BIRTH.

Bad Complexions.

Luxuriant Hair.

For Baby's Skin.

When the pores open freely, it is the time of all others to cure heat humors, itching and burning eczema, scaly and blotchy eruptions, and every species of torturing and disfiguring skin and scalp diseases, with loss of hair. At no other time are the celebrated Cuticura Remedies so speedy, effective, and economical.

My little girl was troubled with itching, burning sores. Doctor called it Itch. He doctored her three months, did not do her any good. Every part of her person was covered with scaly, itching sores. I tried Cuticura Remedies two weeks and the itching stopped, and in four weeks the sores were all gone. I feel as if I had been cured. Mrs. M. FERGUSON, 85 W. Brookline St., Boston.

My baby had eczema. Oh, his torturing agonies! Tried two hospitals and seven doctors in this city, no relief was immediate. In nine weeks he was entirely cured. Now as fair a boy as any mother could wish. Mrs. M. FERGUSON, 85 W. Brookline St., Boston.
