Wheat Was Given a Vigorous Down the Scale Yesterday.

THAT CEREAL RULED WEAK EARLY

Corn Was Again Very Weak and Received No Support but Received Short Covering—Stocks and Bonds.

CHICAGO, Sept. 4.—Gold shipments, weak and heavy selling gave wheat a vigorous shove down the scale today. Vigorous closing the lower. May corn closed lower, May wheat lower, and provisions also ruled weak early.

Wheat ruled weak early in the morning. Cables were weak and lower and heavy in the northwest were again largely lower. The market was generally weak and all domestic markets were on the down grade. Advices from New York said that there was some continental buying there, but if so it was of a very conservative order and not active enough to have any influence in steadying prices.

Estimated receipts for Thursday: Wheat, 200,000; corn, 300,000; oats, 100,000; hay, 200,000.

Table with columns: Wheat, Corn, Oats, Hay, Flour, etc. showing prices and movements.
