GREAT ATHLETIC MEETING.

Owl Club's Field Meet Promises to Be Successful in Every Way.

MANY ENTRIES ALREADY COMING IN.

Harry K. Smith, Who is Handling the Affair, Says Some of the Best Men in the West Will Take Part.

The mid-western athletic field meet to be held in this city, Wednesday, July 20, under the auspices of the Owl club is already attracting considerable attention among amateur and professional racing men both at home and abroad. Preparations for the meet, which will be held at the Driving park, are in active progress and H. K. Smith, chairman of the general committee, reports that he has already received a number of entries, some of those entering being among the crack men of their class. Present indications are that the event will be a decided success and that there will be a large field of entries.

The program that has been arranged ought to prove a popular one as all classes of events have been given a place on it. The meet will be a mixed one and the bicycle races will be interspersed with short foot races and other athletic field events. All entries close at 12 o'clock noon on Monday, July 19. Following is the list of events: One mile bicycle, amateur, three-minute class; 100-yard dash, amateur; quarter-mile bicycle, professional; pole vault and hammer throw; quarter-mile bicycle, amateur; 120-yard hurdles; two-thirds-mile bicycle, professional; half-mile run; shot put; one mile bicycle, Owl club championship; 220-yard dash; four mile bicycle handicap, amateur; 200-yard hurdles; match race, colored championship; running high jump; 440-yard dash; broad jump and mile walk; mile run.

All the bicycle events will be under the rules of the League of American Wheelmen, but there must be three actual competitors in each event or the event deficient in entries will not be pulled off.

At the conclusion of the program if time permits there will be a number of record trials by several of the fastest wheelmen in the mid-west. Tandems and a triplet will be used for pace making and riders from Des Moines, Ottumwa, Keokuk, Centerville, Sioux City, Omaha, Lincoln and Fremont have signified their intention to enter.

The following is the list of officers selected for the meet: Referee, Dr. V. L. Treyner, Council Bluffs; starter, H. K. Smith, Council Bluffs; clerk of course, R. C. Percego, Council Bluffs; judges of bicycle events, J. C. Colt, Omaha; O. P. Black and S. F. Shurt, Council Bluffs; field judges, Fred Grass, J. J. Hess, George S. Wright, E. H. Rothert, Council Bluffs; timers, Max Reich, Council Bluffs; George Geiger, C. T. Stearns, Omaha; George Geiger, C. T. Stearns, Council Bluffs; scorer, Ray C. Bixby, Council Bluffs; announcer, C. B. Randlett, Council Bluffs.

Lorden Held to Grand Jury. Thomas Lorden, the tramp charged with breaking into a Rock Island freight car at the yards here, had a hearing before Judge Roberts, Council Bluffs, yesterday morning and was bound over to the grand jury. Lorden was released from the city jail on the afternoon of July 4, where he had served out a fine for being drunk. About 3 o'clock the next morning he was found by the Rock Island company's watchman, Officer Bewick, under the freight depot platform with a box of shoes that later were found to have been stolen from a freight car. Lorden at the time was wearing a pair of the stolen shoes only they happened to be odd sizes, one a

No. 8 and the other a No. 9. Investigation showed that earlier in the evening he had sold a pair, also odd sizes, to a second-hand dealer on South Main street. In the box which originally contained the stolen pair of shoes there were but two remaining. It is thought there were two others implicated in the robbery. Indications are that Lorden on being released from the city jail must have gone straight to the Rock Island yards and committed the robbery.

Sullivan's victory, while not such a glorious thing as that of Dewey or Schley, is nevertheless a big event in commercial lines. He has succeeded in inducing the people of Council Bluffs to eat more fish than they do in other cities of this size, hence its great record in the health statistics of the country.

Social Events of Last Week. At Fresno Picnics the Main Feature of Local Life. All fresco picnics after dark at Lake Manawa and evening trips to the exposition and more particularly the Midway are already present about the only social functions that Council Bluffs people indulge in and this will probably be the case throughout the entire summer. Society is as a general rule busy entertaining friends from out of town who are visiting here while "doing" the exposition.

One of the pleasant social events of the last week in Council Bluffs was the party given Thursday night at Lake Manawa by Mr. and Mrs. James Harrington in honor of the Misses Gladys and Bird Allen, daughters of Assistant General Manager W. The early part of the evening was spent in boating and swimming, after which an all fresco lunch was served, followed by dancing at the boat club house.

The Council Bluffs Rowing association gave the first of its parties for the season at Lake Manawa Friday night. Boating and dancing, followed by refreshments, which was participated in by at least 100 of the members and their invited friends. As between the two it has been demonstrated that fish is considerably cheaper than meat. Another thing to be considered is that fish is more healthful. Send in your order to Sullivan, the grocer, 342 Broadway, and have a mess of fish for dinner. If you cannot come to the store just call 161 by phone.

Klein's summer drinks still continue to lead all others in popularity. The official photographs of the United States Navy, containing over 200 pictures of the fleet, with their officers and a number of the views of the ill-fated Maine, can be had at the Council Bluffs office of The Bee for 25 cents and a Bee coupon.

An Extraordinary Entertainment. The fine boating and bathing, the beautiful shade trees and the well preserved order at Lake Manawa are factors in making the popularity of this famous western pleasure resort more prominent than ever. The management leaves nothing undone for the comfort and entertainment of visitors. Today there will be an extraordinary entertainment by the Kliest brothers in their great black art scenic production, in which electricity will play an important part. This is their last performance at Manawa, and all who can visit the lake today will be royally entertained.

Pretty as a Parlor. The patrons of Frank Edgar's barber shop, at 13 Pearl street, were treated to a genuine surprise yesterday. During the last few weeks Mr. Edgar has been making some noted improvements on the interior by papering and decorating, and yesterday the finishing touches were added by refurbishing the chairs with a fine French glass mirror and three hydraulic, revolving and reclining chairs. This invoice of barber furniture is as fine as is generally seen in any shop in the great cities. In a word Mr. Edgar's place has been literally turned into a beautiful tonorial parlor and is conducted in a first-class manner and by a skilled man. A bootblack stand is also a recent addition.

Beautiful Pictures. These are the days when a great run is being made on our art department. But we always keep the stock up so that every person can have a choice selection of a fine picture or a beautiful piece of statuary. If you want a picture framed we make it our rule to do the best job of framing in the city and you are sure to be pleased. All we want is your order. The workmanship and price will meet your expectations every time. Council Bluffs Paint, Oil and Glass Co., Masonic block.

Our latest addition to the picture line are the United States battle ships, in colors. See them in our display window. Council Bluffs Paint, Oil and Glass company, Masonic Temple.

No one has attempted to deny the fact that Davis enjoys more help in his drug store than any other similar institution in Council Bluffs. This is significant because it shows "which way the wind blows," to use a well known phrase.

Nice pickled, bass, salmon, pike, perch, cod, mackerel, haddock and any other species of fish can always be found at the store of Sullivan, the grocer, and orders are always filled promptly.

Davis, the drug, paint and glass man, has had a wonderful increase in all lines of his business during the present season. It is indicative of the fact that Mr. Davis has the goods that please the people and that he sells them at reasonable prices.

The Evans laundry is the leader in fine work both for color and finish. 529 Pearl street. Phone 290.

The great run Davis, the drug, paint and glass man, has had on Harrison's point this year demonstrates the excellent quality of the paints. They are pure, durable and, as has been stated many times before, will last longer than any other paint on the market.

Klein at 112 Broadway only handles fruits that are fresh and pure.

As the days roll round the big fish deals of Sullivan, the grocer, get getting larger and larger. Each week necessitates the enlargement of his orders until they have assumed mammoth proportions. Fish is a staple diet, healthful and strengthening and the people are beginning to recognize this fact more than ever. This week his shipment will be larger than ever.

FOR SALE—Good second-hand bicycle at a bargain. Call at The Bee office, Council Bluffs. Bernard F. Shapiro has purchased a League bicycle from Cole & Cole.

John Keating, formerly of this city, has distinguished himself in song writing. His latest is "After the Battle Over." This popular song, as well as all the latest and up-to-date "hits," is carried in stock by Bourgeois' Music House, 725 Broadway, where the organ stands upon the building.

It is expected that a large crowd from Council Bluffs and Omaha will go to Lake Manawa today to see the Kliest brothers in their great electrical feat, which is the wonder of all the visitors who go there. Today will be the only chance to see them.

No—We Did Not

Sell all our carpets, rugs, etc., last week—but we did a business that would do credit to the rush times of spring. Our shipments of new goods are coming in daily and thereby hangs a tale. When you buy carpets get the newest from the factory. These kind of goods are not shelf-worn and will last longer—our entire stock is new and UP TO DATE.

Low prices—well, that is another feature to consider. Remember we are old in the business, know what good carpets are and know how and where to buy. We do our own work, our expenses are low and putting these things together it enables us to sell cheaper than any other house in the business in this city.

Come in and see our latest designs in portieres, rugs and curtains.
