STORIES TOLD THE POLICE

Frank Catterson Advised to Be the Executor of the Law Against His Wife's Insanities.

Frank J. Catterson of 2015 1/2 Cummins street called at the station Thursday to sue out a complaint against Lou Adair...

Wearing of trying to convict men in the police court the police have finally made up their minds to try the justices for awhile.

The board was called to order by J. B. Kitson and on motion of Mr. Her C. J. Smith was made temporary clerk and Dudley Smith secretary.

The report of the tellers on the election of directors showed that 5,725 shares of stock were voted.

The board then took up the by-laws, which consist of those of the Transmississippi Exposition, with such changes as are required to meet the purposes of the new organization.

Of these the most important relation to the system of bookkeeping is that it is provided that the secretary shall keep the records of his own office, and that the general books of the association shall be kept by an auditor, who is to be appointed by the treasurer.

The executive committee was also reduced from seven to five members. Mr. Rosewater suggested that it was imperative that there should be no ornaments on this committee.

Every member must be ready to devote his time to the enterprise and meet every day. He declared that it would be impossible to secure seven men of adequate capacity who would be willing to give the time that would be required.

In his opinion a committee of five would be more effective than a larger body. Thomas Foster declared that the committee on his motion the committee was fixed at five members.

The regular meetings of the Board of Directors will be held on the first Thursday after the first Wednesday in each month.

EVERING ENTERTAINMENTS

Annual Christmas Festivities of All Saints' Sunday School Held at Creighton Hall.

The annual Christmas entertainment of All Saints' Sunday school took the form of an indoor picnic. It was held at Creighton hall.

The afternoon there were all sorts of games and athletic contests, in which the little folks competed, the winners of the various events being awarded appropriate prizes.

After this part of the program was concluded Superintendent J. S. Knox presented prizes to the members of the school who had maintained good records for punctual attendance and good behavior during the year.

In the evening a large number of the young people attended a legitimate entertainment and dance. Fred Hartman gave a very clever exhibition of sleight-of-hand.

The associate members of the Thurston Rifles gave a masquerade ball and cake walk last evening in their armory, with an attendance of 300 people.

The ball began at 8 o'clock and for the first two hours the dancers were masked. The costumes were varied and unique.

Among those who attracted the most attention were many of the couples impersonating George and Martha Washington, Uncle Sam and Liberty, Dusty Roads, attired in rags and tatters, and a young woman whose gown and hair were made of playing cards.

The cake walk took place at ten o'clock, with four couples contesting. The prize, a huge frosted cake, was won by Mr. Frank Harrison and Miss Bessie Kilpatrick.

Another couple, Mr. F. V. Woods and Miss Edna Jones, were given honorable mention, the prize being a pair of gloves.

The dancing was continued until nearly midnight, the program consisting of twelve dances.

A card party and social was given by Union Pacific Hotel, No. 1069, in the rooms of the Commercial club last evening.

150 guests were present. The early part of the evening was devoted to a progressive high five contest, in which every card player took part.

The ladies' first prize was won by Mrs. Fred Sackett. The second prize went to Mrs. R. E. Welch. C. B. Shackelford secured the first prize for gentlemen.

The concluding dance was given by F. L. Gregory. In conclusion the amount of money raised for the fund for the purchase of a new building for the Commercial club was \$1,000.

The other business of the meeting was of a routine nature, including the usual reports and the auditing of the books.

The principal item was the bill for renewing subscriptions to the newspaper and periodical list.

Two Little Fires. The first building at the right of the Fort Leavenworth hospital was discovered burning Thursday morning.

The fire department was called. The damage to the building will not exceed \$15. The fire is supposed to have been caused by frayed electric lighting.

The second fire occurred at the barracks occupied by Companies B and H of the Second Nebraska when that regiment was awaiting muster out recently.

Hot steam carelessly thrown on the coals at 2025 Farnam street gave the firemen a cold call yesterday morning. There was no damage done save to the nerves of the firemen.

Young Man Wanted in Omaha for Forgery is Arrested at Blair by the Sheriff.

Sheriff Minkie of Blair, Neb., notified Captain Donohue last evening by telephone that he had arrested a young man named Jorgensen, who is wanted in this city on the charge of forgery.

About November 10 Jorgensen succeeded in passing a number of checks purporting to be signed by Kirkendall & Co., for amounts varying from \$10 to \$25.

The Nebraska Shirt company holds one for \$15, Gladstone Bros. have one for \$20 on their hands and in addition to these there are several others, amounting in all to about \$100.

Just before the fraud was discovered Jorgensen left the city and for some time has been trying to find him ever since. He has relatives in the vicinity of Blair and acting on instructions from Chief White, Sheriff Minkie has kept close watch to see if Jorgensen would attempt to communicate with them.

He was held overnight to pay his relatives a visit and was arrested at their home. He will be brought here today for trial.

LOCAL BREVIETES. Sparks from a chimney set fire to the roof of Henry Homan's livery stable, at 415 South Thirteenth street yesterday afternoon at 4:20 o'clock.

The South Side Improvement club failed to meet last night on account of the cold. The next regular meeting will be January 6 at the hall, corner Teuth and Hickory streets.

GLEW IN TOOTHPICK HOLDER. Silver Plated Article Received Through Mail May Throw Light on Adams Mystery.

NEW YORK, Dec. 30.—There is hope that borders on expectation that the silver-plated tinke received by Harry Cornish through the mails may prove a conclusive clue to the person responsible for the death of Mrs. Kate J. Adams.

The tinke was a bottle holder, as it has been reported to be, but a toothpick holder, or brush receiver.

A bright mark is stamped on the silver-plated tinke. It is "814, toothpick holder or brush receiver, made in Newark, N. J., by Frank Leuburker & Co., manufacturing silvermiths.

"There are not fifty match stands of that kind in the country," Mr. Leuburker said.

But few have been put forth up to the present time. Of these fifty stands, only one, which was sent to New York to our eastern agents, or to Hartford, Conn., and if you follow it to the retail store and that store is conducted as it ought to be you can find the name of the person who bought it.

"We have not called on the police with this information yet," continued the manufacturer, "for the reason that we have not got the information into shape for them. But we are working hard to trace it. We are searching our books and today we will know just the firm that sent it to New York."

Mr. Leuburker said that his New York customers included the leading silvermiths of the city. It was the practice of all such firms to keep track of their wares, and "No. 814" should be traced direct to the purveyor.

A silver match holder or toothpick holder, such as No. 814, is rarely, if ever, purchased for a woman, or by one, unless it is intended as a present for a man. The little tray surrounding the cup shows in itself what it is to be used for—clear ashes, burned matches or broken toothpicks.

"There is no size of bromo seltzer bottle made that fits that article we made," said Mr. Leuburker. "I tried myself today. All are either too large or too small. A bottle in a bottleholder fits perfectly. The bromo seltzer bottle must have rattled around in the package and showed plainly that it did not belong there."

Captain McCluskey of the detective bureau said this morning that he has ascertained the firm from whom the toothpick holder was bought, but he refused to say what establishment it is, fearing that it is in New York. Captain McCluskey regards the clue as the most important one that has been developed thus far.

Mr. McIntyre has received a letter to portance. It suggests that the person that killed Mrs. Adams might have developed from bromo seltzer in the process of decomposition.

"This letter may shed light on this mysterious case," said he. "It may prove that Adams' death was an unfortunate accident and that there is no crime back of it."

The letter in question was sent to Mr. McIntyre by S. J. Russell, a druggist of Jersey City. While writing the account of the Adams poisoning campaign in the newspapers, Mr. Russell's attention was attracted by the statement that glass bottle containing the supposed bromo seltzer bore the label of a drug company in Baltimore, Md. This recalled to his mind a bottle of bromo seltzer which he had received from

There is a prevailing opinion that an Indian is saving a beard.

"There is a prevailing opinion that an Indian is saving a beard," said James Allan, who during the last four years has spent most of his time with the Omaha and Winnebagoes. Yet I know one old Indian who during the last four years has spent most of his time with the Omaha and Winnebagoes.

Joseph L. Essig. SIDNEY, Neb., Dec. 30.—(Special Telegram.)—Joseph L. Essig, aged 76 years, a prominent merchant of this city, died here this morning. Deceased has been a sufferer from paralysis the past two years and recently contracted a grippe, which hastened his demise. His remains will be sent to Canton, O., his former home, for interment.

St. Louis Architect. CHICAGO, Dec. 30.—George Ingram Barnett, one of the pioneer architects of St. Louis, is dead, aged 84 years. For three years he has been an invalid and had not engaged in business for five years prior to his death. Deceased leaves three sons, one of which, Absalom, is an architect in San Francisco.

Old Settler of Cozad. COZAD, Neb., Dec. 30.—(Special.)—Joseph Riggs died here this morning at the age of 85 years. Mr. Riggs was a Nebraska pioneer and was for a number of years prominent as a business man. The funeral will be held from the Presbyterian church tomorrow morning.

Double Wedding at Albion. ALBION, Neb., Dec. 30.—(Special.)—Miss Gail of Albion was married in marriage to Prof. E. G. Magel of Lincoln yesterday. Miss Godfrey of Omaha acted as bridemaid and Gertie Needham as ring girl. The floral decorations were profuse, and many gifts were presented.

At the residence of J. L. Boots of Albion on December 27, Miss Carrie E. Boots was married to William F. Ross. About fifty guests witnessed the pretty wedding and participated in an elaborate ceremony supper.

JAMESON Celebration is Dropped. PRETORIA, Dec. 30.—Strong representations have been made to President Kruger urging him to forbid the proposed celebration on January 2 of the defeat of the Jameson raid, when at the suggestion of the Pretoria Volksraad the project was to burn Dr. Jameson in effigy. Owing to the president's action, the celebration has been abandoned. There is no doubt that such an observation of Jameson day as planned would have led to serious riots.

Boys' School Shoes.—You've heard a great deal about Drexel L. Shooman's boys' shoes at \$1.50—and they are the best shoe we've ever sold for one fifty—but for fear many may not know that our boys' line is as varied as our men's, we just want to tell you that we have boys' shoes at \$1.75, \$2.00, \$2.25 and \$2.50—solid kid calf, Russia calf—henry sole—round toe—stylish shapes—just like papa's—we never try to make a profit on these—just enough to pay the expense of the department.

Winter is Not Over.—It's just as we told you yesterday—good stove weather—30 may have a heater or a round one—but how about a range or cook stove—the Jewel has all the others only found in the Jewel—made with sectional oven firmly riveted together—prevents warping and insures perfect baking even with the layer cakes—we furnish figures on any amount of builders' hardware and our stock is complete in all respects.

A. C. Raymer. WE DELIVER YOUR PURCHASE. 1514 Farnam Street.

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy.

As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guarantee of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

CALIFORNIA FIG SYRUP CO. SAN FRANCISCO, CAL. LITTLEVILLE, N. C. NEW YORK, N. Y.

that company, but which he had sent back as unfit for sale. He then received from the company a letter saying that the company had tried granulated bromo seltzer, but finding that it did not keep well in that form, decided to abandon it.

The question raised by this letter is whether the decomposition of the granulated bromo seltzer, which has been manufactured by the Baltimore company is likely to produce a poisonous substance, and if so whether that substance is the same poison which killed Mrs. Adams.
