Frank M. Tyrrell of Lincoln Sues to Recover on Contract. DR. SPINNEY NAMED AS CO-DEFENDANT.

Plaintiff Claims He Appeared for Union in Various Suits and Wants Pay for His Services—Other State News.

(From a Staff Correspondent.) LINCOLN, June 22.—(Special.)—Interesting developments were disclosed today in the case of Frank M. Tyrrell of Lincoln against the Bankers Union of the World and its supreme president, Dr. E. C. Spinney.

There was considerable strife over the matter, a part of the members insisting that the other portion had sold out the order. The dissatisfied element appealed to the courts and finally secured possession of the books and records and were allowed to continue doing business.

Two agreements were made by Dr. Spinney representing the Bankers Union and Ayres and Smith on behalf of the order. One is simply a contract signed by Ayres and Smith agreeing to deliver to the members of the Sons and Daughters of Protection over to the Bankers Union for \$5,000.

But Ayres and Smith were not satisfied and entered into another agreement, which was just like the first one, but with the exception that all mention of the amount paid to the two representatives of the Sons and Daughters of Protection was carefully concealed.
