lines of hose to the roofs of the adjoining buildings. Lines of hose were also taken to the roofs of the buildings across the alley from the fire. Several lines of hose broke and the fire had many petty annoyances before they succeeded in getting water on the fire. In a few minutes their work began to tell, however.

DOLLY RICHARDS AT HOME

Girl Found in Omaha is Again in Arms of Parents.

Memories of Babyhood Revive. Hardships Inflicted by Abductor Are Forgotten in the Joy of Reunion with Her Parents in Chicago.

CHICAGO, Oct. 19.—Abducted when but 4 years of age and placed on the stage as an actress, while her parents mourned her as dead, Dolly Richards today for the first time in seven years was again in the arms of her father and mother in their home here.

Dolly was abducted by an actress named Adella Andrews from Brazil, Ind., in 1894. The abductor was known, but the police were unable to discover her. Meanwhile the girl had been trained to sing and dance for two years ago both went on the vaudeville stage.

Recently the Andrews woman died, but before breathing her last she sent a message to her old home in Brazil, asking for aid. Mr. Richards, Dolly's father, heard of the message and immediately was overjoyed to learn that the police had located the child in Omaha. She was in the care of the authorities—of that city, her abductor having died.

Mr. Richards went to Omaha and secured possession of his daughter. She had said most forgetful both of them, but today she said memories of her babyhood days were coming back to her.

SHAFT MARKS HEROES' GRAVES

Daughters of the Revolution Dedicate a Monument at Valley Forge.

PHILADELPHIA, Oct. 19.—The first monument erected at Valley Forge in memory of the revolutionary soldiers who died there during the winter of 1777-78 was unveiled and dedicated today by the Daughters of the Revolution. The principal speakers were Governor Stone, Senator Penrose, Peter Boyd of Philadelphia and Mrs. Adeline W. Woodcock Stearns, president general of the Daughters of the Revolution.

FREIGHT CARS ARE SCARCE

Volume of Transportation Business So Great Railroads Unable to Handle It.

NEW YORK, Oct. 19.—The Mail and Express today said: "The volume of the transportation business throughout the country is so great that there are not enough freight cars to accommodate it. At the office of the Trunk Line association it was learned today that there are complaints of shortage of freight cars on all the important roads. This is somewhat remarkable in view of the fact that the car facilities of the country were never so large as at present. An officer of one large trunk system traversing the coal fields showed figures of the coal movement of the fields tributary to his line which had been cut down from 10 to 20 per cent in the amount forwarded because cars could not be had."

PROMOTIONS IN THE ARMY

Board of Officers Appointed for Examination at Fort Meade.

WASHINGTON, Oct. 19.—(Special Telegram.)—The following board of officers is appointed to meet at Fort Meade, S. D., for examination of officers for promotion: Colonel Edward Hayes, Thirtieth cavalry; Major Edward Corbett, surgeon; Major Samuel Woodruff, Thirtieth cavalry; Captain William Glasgow, Thirtieth cavalry; First Lieutenant Samuel Waterhouse, assistant surgeon, and Captain Walter Whitman, Thirtieth cavalry, recorder.

LOCAL BREVITIES.

John L. Webster will address the Real Estate exchange at noon Wednesday on the proposed consolidation of the city and county hall in the Continental building.

While playing a practice game of football at the High school grounds yesterday afternoon, George Schimmler, member of the junior class of Creighton college, broke a leg. The injured man was taken to St. Joseph's hospital and Dr. E. C. Henry attended him.

Dr. C. B. Whilden will address the Omaha Philosophical society Saturday afternoon at 8 o'clock on the subject of pharmacy. Pharmacists of the city and medical students are invited.

A campfire of the Douglas County Union Veterans' association was held at the Douglas county fair grounds last night. The campfire was quite well attended. The opening speech was made by Ed Moriarty and Messrs. Unitt, Crocker, Brailey and other candidates also spoke.

APPOINTS ELECTION BOARDS

Clerk of District Court Names Hundreds of Judges and Clerks.

APPOINTMENTS MADE UNDER NEW LAW

Republicans Have Majority of Boards in Precincts Where They Cast Larger Vote Last Year and Vice Versa—The List.

Judges and clerks for the election to be held on November 5 have been appointed by District Clerk Broadwell. One section of the new law making it the duty of the district clerk to appoint the election officials provides that there shall be three judges and two clerks for each district, but a following section provides for the appointment of two additional judges for each district in cities having the registration system. At first Clerk Broadwell was in doubt as to the legality of the second section and did not know whether to appoint three or five judges for each district in Omaha and South Omaha. After taking legal advice, however, he determined to make the number five.

There are 68 election officials in all in Douglas county, 482 judges and 284 clerks. Under the new law all of the appointees are required to serve, unless excused by the clerk of the court for good reason, or suffer a fine. The judges and clerks were selected from lists furnished to the clerk by the republican and democratic county committees. In precincts where the republicans cast the larger vote at the last election they have been given the majority of the judges, and vice versa. The appointees are as follows:

FOOD CURE.

Results in Change of Diet Are Wonderful.

"Good food, properly selected, will, in my opinion, cure almost any ordinary disease. I want to tell you my experience and the recovery by the selection of the proper diet. I am a business woman, very closely confined indoors, with considerable care and anxiety. Some time ago I had a severe case of the grippe and after recovering from it had a serious time following, as many people do.

"I was unable to get well until I changed my diet, leaving off Mocha and Java coffee and using the Postum Food Coffee in its place, and taking up Grape-Nuts food. This winter I have given both a fair and continued trial and the results are superb. I am restored to perfect health and strength and, as you claim, I have a reserve force, bodily and mentally, that carries me through many hard places.

"I can not praise the food too much for it will, used steadily, cure all disturbances of the system caused by the congestions of the grippe is answerable for. A diet that contains the most powerful rebuilding elements can be made as follows: Hot milk brought to a boil, break in two fresh eggs and as soon as the eggs roll, pour the boiling milk and eggs over some Grape-Nuts in a soup dish. No breakfast of meat can be so good.

"I use Grape-Nuts in this way every morning and have no sense of lack of food all day. I have a good and remarkably free from cold all winter, which I attribute to a fine condition of health, brought about by the use of the famous food and Postum Food Coffee." (Grape-Nuts are perfectly cooked at factory and usually in cold cream or little cream or milk.) Mrs. C. S. Woodward, 24 Granada street, St. Augustine, Fla.

HEART DISEASE.

Some Facts Regarding the Rapid Increase of Heart Trouble.

Heart troubles, at least among the Americans, are certainly increasing, and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion.

Real organic disease is incurable, but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion, is because both organs are controlled by the same great nerves, the sympathetic and pneumogastric. If one is affected by the form of poor digestion, which causes gas and fermentation from half-digested food. There is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action, hence arises palpitation and short breath.

Poor digestion also poisons the blood, making it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation like Stuart's Dyspepsia Tablets, which may be found at a pleasant, convenient form.

It is safe to say that the regular persistent use of Stuart's Dyspepsia Tablets at meal times will cure any form of stomach trouble except cancer of the stomach.

Full sized package of these tablets sold by druggists at 50 cents. Little book on stomach troubles mailed free. Address, F. A. Stuart Co., Marshall, Mich.
