

TEACHERS COMING TO OMAHA

David City Schools to Close Three Days for Convention.

OTHER TOWNS DO THE SAME

Nebraska School Review Urges All to Come to Omaha and Give Many Good Reasons for the Suggestion.

Frank R. Beers, superintendent of the David City schools, has notified the Omaha Board of Education that he will be present when the Nebraska Teachers' association convenes here with his entire teaching staff. The David City teachers will spend three days in the metropolis, visiting the city schools Wednesday, the 8th, and attending the association meeting the 9th and 10th.

Superintendent Noel Abbott of the Plattsmouth schools will also be present with the teachers of his town and will spend two or three days attending the convention.

Arrangements for the convention are now complete. The general sessions will be held in the Auditorium and sectional meetings will be held in the high school, public library building, Young Men's and Young Women's Christian association buildings, city hall and the Hotel Rome, where headquarters will be established. The Young Men's Christian association has organized a rooming bureau which will provide the visitors with ample private rooms.

Boost for Meeting.
In a six-page announcement of the convention and a write-up of Omaha as the metropolis of the west, the Nebraska School Review, published at Norfolk, says:

"When the teachers of the state of Nebraska, those people who devote their time and energy to instructing the youth of the great commonwealth, that they may become future greats, convene in Omaha, November 8, 9 and 10 for the annual convention, they will find every loyal resident of the city extending the glad hand of fellowship.

"Omaha, the metropolis of the west, will outdo itself in entertaining the teachers of the state. The teachers will be the guests of the city; every citizen will name himself a committee of one to see that the instructors are given every convenience and comfort that is possible. With the hospitality, which is characteristic of the thriving city, the teachers cannot but feel that the coming meeting will be a teachers' meeting in every sense of the word.

"Omaha's doors will be thrown wide open to the visitors. All they will have to do will be to pull the latch string, and it won't be hard to pull, for the doors will be standing ajar, with the people ready to greet the distinguished visitors."

THE JOY OF LIVING IS THE HERITAGE OF THE LEAN.

My friends were charitable and they called it obesity; others referred to me as being stout, but I know, it was just plain bulky weight. I was miserable, you too, are equally miserable if you are too stout.

To reduce your weight you must find the cause, you must get at the very reason.

I FOUND THE CAUSE—THE BEST WAS EASY.

Before I succeeded, I tried everything within reason and some things beyond reason. It was maddening—disgusting. All I had to do was to remove the cause, and I swear under oath, that by my simple method, without drugs, medicine, harmful exercises or starvation diet, I reduced my weight 37 pounds in five weeks, and guarantee that I can do the same for you. I do not use medicine of any kind or worthless stuff to rub on the body, but a simple home treatment; even a child can use it without harm. You eat all the food you want and go right on reducing with my delightful drugless treatment. Through this marvelous combination home treatment, I succeeded because I had found the right way. I can now climb to the summit of Pike's Peak with ease. I am permanently and quickly, and improve your health AT ONCE.

It is simply astonishing the number of men and women who write in regarding the wonderful results of this new process for banishing fat.

W. L. Schmitt, Montevideo, Minn., states he lost 30 pounds the first month. He is now losing 2 pounds daily.

Mr. J. E. Doherty, Box 22, Great Bend, Kan., says my treatment reduced him fifty pounds.

W. F. Ulrich, M. D., Covington, Ky., says my treatment reduced him 25 lbs. quickly.

If you are interested in your own happiness and health and figure, you will permit me to tell you how to reduce your weight "Nature's Way."

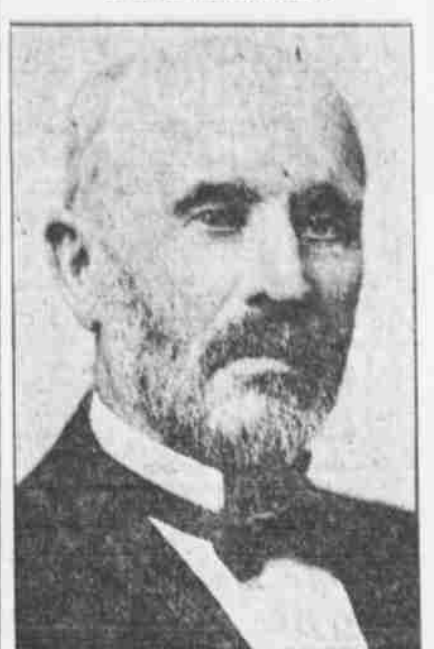

I have printed a book for you, entitled, "Weight Reduction Without Drugs," which I am giving away without charge, prepaid to you, so that you may know of my successful method and be able to permanently reduce your weight any amount up to 70 pounds, without harmful exercises or starvation diet, drugs or medicines, and with my treatment the fat never returns. The expense of the book is so great that I do not want to send it to the idle curious, so please do not write to me unless you are fat or unless you wish to be healthy.

Send for my book, "Weight Reduction Without Drugs," and all I offer free. It is yours for the asking and will be glad to send everything to you, charges prepaid by me.

I have found that the best way to know happiness is to give it.

Sincerely your friend,
MARTIN HAMILTON,

HE CELEBRATES HIS EIGHTY-FIRST BIRTHDAY.

JOHN DALE.

John Dale is Hale and Hearty Tuesday at Eighty-One Years

John Dale celebrated his eighty-first anniversary of his birth Tuesday by a luncheon with his sons at a downtown restaurant and a long walk. Aside from reading, his chief recreation is walking and he thinks nothing of doing two or three miles at a stretch.

Mr. Dale is head of the insurance firm of John Dale & Son, and he personally maintains the eight-hour day at his desk every day. When his son Fred came to take him to the birthday luncheon, Fred had to wait until his father signed a big bunch of letters that he had dictated three hours before and which his stenographer had just laid on his desk.

Mr. Dale has just returned from the ecumenical council of the Methodist church at Toronto, at which he had the honor of being the representative from Nebraska. He visited his boyhood home twenty miles north of Toronto and preached in the church there. All but two of the boys with whom he played seventy years ago are dead.

Mr. Dale is a trustee of Hanson Park Methodist church, which was organized in his home. Much of his time outside of office hours is spent in church work.

Brown's Bald Pate Discussed in Court

Harry Boyd Brown's bald pate was a bright and shining mark for Amos E. Henley, attorney for Mrs. Lillian Bell in her \$5,000 libel suit against Brown, J. W. Elwood and the Madame Josephine Boyd system, when he made his closing argument to the jury in Judge Sutton's court Tuesday morning.

"Who was the person who knew all about beauty culture?" asked Henley. "Who was the well known authority on diseases of the hands and scalp? Prof. H. B. Brown. There he is," pointing to Brown. "Do you notice much hair on his head? He is Madame Josephine Boyd, who spent years in study and made annual trips to Europe to learn more about the beauty business."

"He said four months before he went into this business he was a newspaper reporter. I suppose he had to leave that because it is work that requires a man of brains and honesty and principle and good judgment."

Reception Planned for School Ma'ams

Arrangements have been completed by Miss Kate McHugh, principal of the high school, for a reception for the visiting teachers who come to the state convention, which will be held for three days, beginning November 8. Miss McHugh, who is in charge of the arrangements for this feature of the meeting, has announced that Max Landow and Miss Marie Munchhoff have been engaged to furnish music for the occasion. The reception will be held at the Hotel Rome. It is planned to make the coming convention the most interesting ever enjoyed by the state association. There will be tours to several of the big manufacturing plants, with a large number of guides. The trips will include the packing houses in South Omaha and the Union Pacific shops.

Testimonial Sent Mrs. Ben T. White

Mrs. B. T. White has received a beautifully bound and engraved album containing preamble and resolutions in memory of Ben T. White's association with the Chicago & Northwestern railway as general attorney at Omaha, adopted at a meeting of the executive committee of the board of directors held in New York September 12, 1911, signed by Secretary Caldwell and President W. A. Gardner. The chairman of the executive committee, Marvin Huggitt, former president, as well as Mr. Gardner, president at this time, were very expressive of their appreciation of Mr. White and his services to the company during the last year of his life, when it was known that his health needed conserving.
