I Want You to Visit My New Shop

I have enlarged my shop so as to occupy the north 50 feet of the second floor of the Wead building. I have had the eight rooms decorated and my work room is the largest and most sanitary in Omaha. It will accommodate 50 working people in comfort. My fitting rooms are so arranged that three fittings may be done at the same time in perfect privacy. My office and reception rooms are large and comfortable and thoroughly refurnished.

My future efforts will be directed toward making of two classes of Ladies' Tailored suits. My Superb Fall Tailored Ladies' Suits will range in price from \$50 upward, while my Semi-Tailored Suits will be made for \$30, \$35, \$40 and \$45.

I have all the advanced spring styles here for your inspection and will be pleased to show you the latest modes.

My new location will enable me to satisfy all my patrons as to price, workmanship and materials, as I absolutely guarantee every garment I make to be the best possible for the price.

All I ask is a trial order.
