

WORK ON NEW RIFLE RANGE

Adjutant General Hall Getting Ready for Encampment.

GOVERNMENT WILL LEND AID

State Engineer Price Returns from Scott's Bluff, Where He Investigated Breaking of Dam of Tri-State Canal.

(From a Staff Correspondent.) LINCOLN, July 27.—(Special.)—Work will begin today upon the new rifle range at Ashland in preparation for the state encampment of the National Guard next month.

General Hall has been successful in securing from the War department about \$40,000 in the aggregate for the expenses of the encampment and beginning today the fund which has been set aside for improvements will be expended in putting in incinerators, wells, and other improvements necessary to the needs of the encampment.

Hog Cholera Treatment. Dr. C. M. Day, special veterinarian for the state live stock sanitary board, is in Mitchell today and tomorrow, delivering lectures on hog cholera, and the best means to be used in preventing the disease. Wednesday he will be at Kimball and Friday at Fullerton.

Dr. John J. Lintner of Chicago has been sent to Nebraska by the national board of animal industry at Washington to have charge of educational work in the state regarding hog cholera. He reported to Dean Burnett at the state farm today, where he will make his headquarters.

Investigates Break of Dam.

State Engineer D. D. Price has returned from Scott's Bluff, where he investigated the breaking of the dam in the Tri-State canal near that city last week. The break was a quarter of a mile in length and was peculiar in that it washed out nearly ten-foot below the bottom of the dam. No damage was done by the water as it followed the deep ravine and did not overflow the steep banks. The break has been repaired, men and teams working night and day to complete the job.

Martin Taken Ill

Attorney General Martin was taken very ill at his home in this city last night and is unable to be at his office this morning. At this time no serious effects are expected and if not he will be able to resume his duties in a few days.

Classification Hearings.

The semi-annual classification hearing on freight rates will be held by the railway commission tomorrow. It is expected that the Bluegas company of Omaha will be present and ask for a reduction on rates on the product they make. Oil companies will also ask for a reduction in rates for their oil.

Colonel August Esser, Nebraska's German orator, is indulging in several kicks because Lincoln was not given mention in the press dispatches last week regarding the exercises of Kretzger Worein held at West Point and Beatrice. Although Colonel Esser was the orator of the day on both occasions and was accompanied by a delegation from Lincoln, the largest from any town, Colonel Esser's name was not mentioned nor was the Lincoln delegation given any mention.

Judge Hunt Accepts.

Today petitions were filed with the secretary of state, nominating George J. Hunt of Bridgeport for chief justice of the supreme court. The petitions were signed by 3,500 voters from the following counties in all parts of the state:

Cheyenne, Morrill, Red Willow, Keith, Scott's Bluff, Dakota, Douglas, Dawes, Butler, Adams, Buffalo, Lancaster, Cuming, Phelps, Dawson, Kimball, Deuel, Banner, Hall, Garden, Madison, Lincoln, Pierce, Box Butte, Nebraska, Gosper, Chase, Sarpy, Furnas, Dodge and Cass.

Several hundred of the leading attorneys in the state were among those signing this petition. Mr. Hunt is one of the well known lawyers in the state, having practiced law for a number of years, both in eastern and western Nebraska.

A native of Maryland, Judge Hunt came to Omaha over thirty years ago after graduating from Washington college. His first legal experience was obtained in the office of Captain Richards, who took him into partnership under the firm name of Richards & Hunt. Later, he became a member of the law firm of Congdon, Clarkon & Hunt.

About twenty years ago, he became interested and was one of the leaders in developing a large irrigation project in western Nebraska. Ten years ago, on account of his extensive interests in irrigation projects, he moved to Bridgeport where, by his efforts, the Belmont canal was made one of the successful canals of the state.

BABY RESTS AFTER BATH

CUTICURA SOAP

Because of its extreme purity, delicate emollient properties and refreshing fragrance. Assisted by Cuticura Ointment it is equally effective in the treatment of heat rashes, itchings, irritations and chafings.

Samples Free by Mail. Cuticura Soap and Ointment sold throughout the world. Liberal sample of each mailed free, with 25-cent book. Address: "Cuticura," Dept. 771, Boston.

HIS ENEMY SHOT DOWN BY MYS-TERIOUS MARKSMAN.

GOVERNOR COLE BLEASE.

COLUMBIA, S. C., July 27.—The shooting down of Dr. J. H. McIntosh, bitter political enemy of the hot-headed Governor Blease, has given rise to many rumors. Dr. McIntosh, who is not dangerously wounded, says that when his assailant took to his heels after the shooting he heard the man say, "Now you won't bother Blease any more." Dr. McIntosh was to have confronted Blease with bitter criticism when the governor spoke here later in the week.

Ten Moosers Hold Convention in Hall

GRAND ISLAND, Neb., July 27.—(Special.)—Aside from the democratic county convention Saturday had more politics in it than any other county convention for some years. While the democratic county convention was held in the large court room, the bullmousser convention was held in the county judge's office, that official, formerly a democrat, now the only candidate on the nonpartisan ticket, vacating for the purpose.

Mr. Reynolds, an insurance man, Edward Williams, candidate on the republican ticket for state senator two years ago, D. Ackerman, for many years a county officer, V. E. Lawson and O. McPheters, formed the convention. The republicans had a largely attended convention two weeks ago and judging by the attendance at the two other conventions a very small progressive vote will be cast in this county. R. B. Howell, candidate for the republican nomination for governor, endorsed the day by addressing an audience of about 60 on the street, and Senator Kemp of Fullerton mixed it with a few of the republicans in the morning hours between trains.

PLATTE REPUBLICANS REFUSE TO UNITE WITH THE MOOSERS

COLUMBUS, Neb., July 27.—(Special Telegram.)—Platte county republicans held an enthusiastic convention here today and passed resolutions arraigning the democratic administration, declaring for good roads and reaffirming the principles of the republican party. An attempt to fuse with the bull moose convention in session at the same time did not meet with any encouragement. Following are the delegates to the state convention:

Carl Kramer, Bruce Webb, R. G. Stroger, Otto Kummer, Charles Nordeman, C. Marlow, Fred Cattau, H. H. Drake, Andrew Nelson, August Wurdeman and W. E. Peterson.

Platte county bull moosers held their county convention today and with the exception of endorsing Teddy's principles the resolutions dealt with local matters. The attendance was not nearly as large as the republican convention. Delegates to the state convention are:

R. S. Dickinson, F. Wurdeman, J. R. Lutes, John Swanton, L. N. Jones, D. G. Bartles, C. J. Christensen, Ed Hoar, V. Palmater, F. J. Suter, E. C. Bergman.

DOODGE DEMOCRATS ENDORSE WHOLE LIST OF CANDIDATES

FREMONT, Neb., July 27.—(Special Telegram.)—The Dodge county democratic convention met at the court house this afternoon. Fred Volp of Scribner was chairman and Fred O. Laird of Fremont secretary. Congressman Dan V. Stephens addressed the convention and devoted considerable time to a comparison of prices for farm products July 1 and prices two years ago.

Resolutions were unanimously adopted, commending the national and state administrations, Secretary Bryan, Congressman Stephens and Senator Hitchcock. A full delegation was selected to the convention at Columbus tomorrow.

There was a good representation from the country present, but with the mercury above the 90 mark business was dispatched rapidly.

CLAIMS AGAINST HURTZ ESTATE ARE DISALLOWED

BEATRICE, Neb., July 27.—(Special.)—Claims amounting to \$36,797.19 filed against the estate of the late Peter Hertz of Wymore were turned down by County Judge Walden Saturday. The hearing on the claims was held a month ago and at that time the court took the matter under advisement. Mary Hertz was allowed \$719, being only a small part of her claim. Peter Hertz was a big land owner in the vicinity of Wymore and died December 25, 1913, leaving an estate valued at \$45,000. When the estate was filed for probate in county court the six children filed claims ranging from \$2,000 to \$12,000 for assistance with the work on the farm, and for money they alleged they turned over to their father to invest. Judge Walden in his decision disallowed the claims.

Throat and Lung Troubles will cease to trouble you by the timely use of Dr. King's New Discovery. Sure relief. 50c and \$1. All druggists—Advertisement.

PRIMARY FILINGS IN NEBRASKA—The following table shows the number of filings for state senator, representative, clerk, sheriff, treasurer, superintendent, coroner and surveyor for republican, democratic and progressive nominations in eighty-eight of the ninety-three counties in Nebraska. In fifty counties there are no progressive party filings for these offices whatever. In Antelope, Hamilton, Hayes, Perkins and Phelps counties most of the republicans accepted progressive filings also.

Table with columns: Counties, Rep., Dem., Prog., and Candidates. Lists candidates for various offices across Nebraska counties.

REPUBLICANS TALK HARMONY

Early Delegates at Lincoln Predict Peaceful Convention.

CANDIDATES ARE ON GROUND

Republican Victory is in Sight This Fall According to Views of Those Arriving at Lincoln for Meet.

(From a Staff Correspondent.) LINCOLN, July 27.—(Special.)—The advance guard of the delegates to the republican state convention began arriving this morning and by noon quite a large number had registered. Candidates were also in evidence and have opened headquarters.

Senator J. H. Kemp of Fullerton was the first to open headquarters at the Lindell and has Room 209. Ross L. Hammond opened quarters in Room 109 of the same hotel.

Candidates for other state offices are as lively as fleas and an innumerable army has opened headquarters at the Lindell. Most of these were early on the ground and as the delegates arrive no one is given a chance to be lonesome.

Chairman Frank Currie and Chairman A. C. Epperson with their secretaries, Amos Thomas and J. M. Reneau, opened headquarters in Room 397 at the Lindell hotel this afternoon and spent most of the afternoon getting ready for the convention which will open at noon tomorrow.

Everybody is in a good frame of mind and good feeling seems to prevail. Predictions of republican success are made by delegates from all sections of the country and that a harmonious convention will be held.

King Will Be Chairman.

It has been practically agreed between Chairman Currie and Epperson of the two republican committees that Senator E. L. King of Osceola will be the republican chairman of the state republican convention with the two committees secretaries, Amos Thomas and J. M. Reneau, as secretaries. This organization may be made permanent.

Frank A. Harrison, manager of the campaign of R. B. Howell for the republican nomination for governor, arrived in the city late this evening with Mr. Howell and opened headquarters.

Frank A. Shotwell of Omaha was an early arrival this evening and opened headquarters for his campaign for lieutenant governor.

At bull moose headquarters the state committee has been wrestling all day on the proposition of a platform. It has been agreed that H. E. Higelow of Omaha will be chairman of the convention.

Omaha Banks Ask \$3,000,000 from U. S. to Move Big Crops

How much of the \$3,000,000 crop-moving money promised by the government will come to the banks of Omaha or Nebraska is not known, but the bankers feel sure that they will get their reasonable proportion and that they will get all they need for this purpose.

A few weeks ago Secretary of the Treasury McAdoo wrote to all the national banks asking for estimates of what amount of money might be needed as a temporary loan to aid the banks through the season when there is an especial demand for money to move crops.

The banks of Omaha through the clearing house association made a combined request for \$3,000,000. Perhaps they will not get all of that, but they hope to get all that will actually be needed. Last year they did not ask for so much. The crop year. Then the banks got \$1,000,000 and returned it to the federal treasury within a few months.

Got anything you'd like to swap? Use the "Swappers' Column."

Not Even That! He was one of a large family of boys. Their mother hoped that at least one would have been a good Presbyterian minister, but they all slipped through her hands. Zebulon was the youngest; and all her hopes centered in him, until he became a minister.

There Are Exceptions. "The man who gives in when he is wrong," said the street orator, "is a wise man, but he who gives in when he is right is a fool." "Married!" said a meek voice in the crowd.

GEORGE J. BEAMS GIVEN FEDERAL JOB IN LINCOLN

WASHINGTON, July 27.—President Wilson today nominated George J. Beams of Lincoln, Neb., receiver of public moneys at Lincoln.

Laborer Has Arm Crushed Off.

NEBRASKA CITY, Neb., July 27.—(Special Telegram.)—Charles Claco, laborer, fell from a Missouri Pacific fast freight in the yards here and had his left arm crushed off near the shoulder this morning.

Two New School Houses.

STORM LAKE, Ia., July 27.—(Special.)—At a recent special election in Fairview consolidated school district, which is composed of portions of Elk and Scott townships, Buena Vista county, the proposition to issue bonds for \$10,000 for the erection of a school building carried, 27 to 12. The day following, a similar election was held in the Highview district, composed of parts of Brooke, Barnes, Elk and Scott townships, and resulted in a vote of 22 to 12 for the proposed bond issue. Modern and up-to-date buildings will be built in both districts.

High Prices for Farms.

STORM LAKE, Ia., July 27.—(Special.)—Charles A. Myers, a well known Buena Vista county farmer, last week sold his 105-acre farm in Hayes township, a few miles south of Storm Lake, to Adam Ingler of Early, who will take possession March 1, 1915, the purchase price being \$196 per acre. Mr. Myers and family will retire to Storm Lake. Another sale of interest last week was the purchase of the W. G. Leckington farm of 238 acres in the same township by Henry Peters for \$175 per acre.

STANLEY SMITH DROWNS IN BAYOU OF MISSOURI

ONAWA, Ia., July 27.—(Special Telegram.)—Stanley Smith, 22 years old, was drowned in a bayou of the Missouri river south of Maple landing this morning. Dr. Thompson of Onawa happened to be passing as the body was being dragged to shore by the young man's companions, who were swimming with him. All efforts at resuscitation were in vain. He was swimming in only four feet of water. The body was brought to Onawa and the young man's relatives were telegraphed to. Smith had been working at the farm of Albert Larson, southwest of town.

News Notes of Onawa.

ONAWA, Ia., July 27.—(Special.)—The funeral of Adam Gregg was held here yesterday afternoon. The local authorities have been unable to locate any of his relatives. Mr. Gregg was killed Wednesday while driving a team in the oats field of Anton Gustafson, on the Oliver ranch, where he had worked for nearly a year.

A chautauqua has been arranged for next year. Wilbur Reeves and F. G. Oliver have been elected president and secretary of the local committee for 1915. Over 400 tickets have already been contracted for.

There Are Exceptions. "The man who gives in when he is wrong," said the street orator, "is a wise man, but he who gives in when he is right is a fool." "Married!" said a meek voice in the crowd.

At the Empress

"The Isle of Joy" leads the list of attractions at the Empress this week. The performers rise all sorts of contrivances and create much amusement with their fantastic antics. King and Jolly do some modern dancing. Ida Russell with her company put on a comedy act that is full of fun and produces many good laughs. Little Caruso and brother do some pleasing singing, dipping into some of the grand opera selections and presenting them well. Photo plays complete the bill.

No Music Here.

An old lady was compelled to carry an ear trumpet with her wherever she went. Upon visiting a small church in Scotland, not long ago, she was watched very suspiciously by the sexton until she reached her seat. Then, as if he could stand the her seat, he went over to her and, shaking a warning finger emphatically, he said: "Madame—one foot, and you're out."

Amused an Actor Man.

Dan Daly once essayed the legitimate. It was in his early days. All he had to do was to come to the center of the stage at a critical moment and shout out: "The king is dead; long live the king!" When the time came Mr. Daly promptly assumed the correct dramatic pose, but

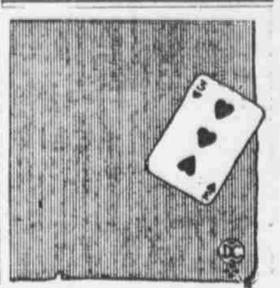

for a moment was so agitated that words failed him. Then he belted out at the top of his voice: "Long live the king—he's dead."—Chicago News.

Not Rooted.

"What kind of a plant is the Virginia creeper?" "It isn't a plant; it's a railroad."—Columbia Jester.

Two Realities.

"Why did you get that lullaby out of the opera?" "Oh, it put all the tired business men in the audience to sleep."—Kansas City Journal.
