Relatives of Arthur A. Blankman have

been searching for him since he was

last seen in Chicago. He left home two

weeks ago and no trace of him has been

found. He is 25 years of age.

This is really the only favorable

weather we have had for outdoor

painting this summer. The bugs and gnats are

nearly all gone. Take advantage of it.

Let us have your work. We can please

you. H. Burrows, 121 South Main.

But one marriage license was issued

here yesterday and none the previous

day. The license was taken by Walter

Bradley Pierce of Council Bluffs, and

Ida Flossie Terry of Council Bluffs.

They gave their ages as 21 and 23, respec-

tively.

Captain Clifford of No. 1 fire station

has set new records in the department

for real and truthful fish stories. Yes-

terday was taken by the fisherman with

rod and line at Manawa. When he

returned in the evening he had just

exactly 20 fish. These included a

pike, croppies and several big channel

cat. Fishing at the lake is unusually

good according to the anglers. A

water last summer.

The funeral of little Tommy Green, 4-

year-old son of Mrs. Thomas J. Green,

who lost his life when he fell into the

fountain basin in Fairmount park, will

be held this afternoon at 2 o'clock

at the residence, 513 Clark avenue.

The services will be held by Rev. J. J.

Jones, pastor of the First Congregational

church. Little Jack Hughes, 5-year-old

son of Mr. and Mrs. J. H. Hughes, is

companion, who had wandered into the

park with him, is heart broken over the

accident. He is a very bright and

real hero. After trying in vain to get

the drowning boy from the water, he ran

to the home of the child's uncle, several

blocks away, to get help. Only a baby

himself, he had a very little

head and did all within his power to save

his companion.

Mr. and Mrs. George H. Jackson re-

turned yesterday from Des Moines after

attending the grand lodge meeting of the

Order of the Moose at that city. They

representatives of the order, Mr. and

Mrs. W. H. Killpack and Mrs. H. J.

Molitor, returned on a train which

report it to have been the greatest meet-

ing the order has yet held in the state.

At the official reception at the grand

lodge, the officers stood for two hours

and fifteen minutes while a continuous

stream of members filed past them. There

were more than 1,000 lodge members in

the line. A grand ball was given at the

features of the evening. The lodge has

grown with phenomenal rapidity in the

last two years and greater in the last

year.

Council Bluffs Man Designs a Button for Next Wilson Campaign

Herbert Rogers of Council Bluffs has designed the official button for the national democratic 1916 campaign. He applied for a copyright early in June and then submitted his design to the national democratic committee at Washington and also to Secretary Tumulty. It was given a favorable reception and officially adopted. So confident were the members of the national committee that it was the proper thing that they relieved Mr. Rogers of the expense and trouble in getting out the first trial samples and placed a large order for the buttons. The first order was for buttons only, and these have been sent to various parts of the country. The press dispatches a few days ago announced the appearance of the official badge at Buffalo, N. Y., and said that thousands of them were sold the first day. Mr. Rogers aptly applied the all-famous slogan to national politics, "Safety First." He devised a handsome design, with the lettering surrounding a profile view of President Wilson, with the American shield as the background. The badge is in blue, red, white and blue on the shield and embossed white letters.

Keeline Residence Has Burglar Callers Who Get But Little

When Mr. and Mrs. Harry W. Keeline returned to their home, 822 Second avenue, Council Bluffs, at 8:30 o'clock today morning after an absence since 7 o'clock they were astonished to find a large cut glass vase sitting on the dining room floor and the electric lights going all over the house. A further examination disclosed a suitcase and grip into which all of Mr. Keeline's best clothes had been packed. A hurried search of the house disclosed that he had been in the possession of a gasoline stove explosion at her home in Macedonia seven weeks ago. Mrs. Aukland was the daughter of Mr. and Mrs. J. Richard Eyre, 304 East Washington avenue, this city. Mrs. Aukland was brought here eleven days ago, four weeks after the fearful accident that caused her death. Dr. Donald Macrae and Dr. John S. McAtee, who took care of her after her arrival here, realized that there was scarcely a chance of saving her life and gave the relatives no hope from the start. Mrs. Aukland was enveloped in flames when the gasoline exploded and all of her clothing was burned away before the fire was extinguished. Deep burns were inflicted on nearly one-half of the surface of the body.

Mrs. Aukland was 25 years old. For many years she was a resident of Council Bluffs. She is survived by her husband and four sons. Mr. Eyre, her father, is a commission merchant at 113 East Broadway. Two sisters, Mrs. A. D. Wright and Mrs. Will Strohbehn, reside here. The body was removed to Cutler's to be prepared for burial.

FORGED EXPRESS ORDER GOES THROUGH EXPERTS

A forged American Express company money order, one of a bunch of fifteen money orders, the company's office at Peoria last June, was returned here yesterday after it had been cashed here and unsuspectingly passed through banking channels and the Chicago clearing house. It was returned by the company's auditing department at Chicago to the United Clothing Store here, where it purported to have been presented and cashed on July 14. The amount was small and the incident is only interesting on account of the money order expert hands it was passed through before it was cashed. There was no auditing department after more than three months had elapsed.
