

Nebraska CUMMINS WORKER ACTIVE IN STATE

Headquarters Will Be Opened Today at Lincoln by J. R. McCarl.

DELEGATE CONTEST OPENS UP

(From a Staff Correspondent.) LINCOLN, Feb. 20.—(Special.)—Active work to advance the candidacy of Senator Albert B. Cummins of Iowa for the republican nomination for governor will be opened in the Lincoln hotel in this city tomorrow morning.

McCarl Arrives

At the Lindell hotel this morning Mr. McCarl said: "I have been in Nebraska nearly a week and am delighted to find the sentiment for Senator Cummins so strong and sincere. I anticipated that Nebraska republicans would feel kindly towards our neighbor on the east, but the sentiment for him is even greater and more pronounced than I expected to find at this stage of the campaign. Nebraska republicans seem to turn naturally to Senator Cummins because he is their friend, of their neighbor and their kind of a man."

"I have talked with not less than a hundred republicans, from all parts of the state and of all factions, and have yet to find a man who does not agree that Nebraska republicans should aid and endorse the candidacy of Senator Cummins at the April primary. Even those who have favored Justice Hughes, and we all realize that he is a superb man, realizing that he has totally eliminated himself and will not permit his name to go upon the primary ballot, heartily endorse the idea that our support should go to Senator Cummins."

"State headquarters are being opened in Lincoln in order that the senator's friends in various parts of the state may more conveniently co-operate. Judging by the support and encouragement the movement has already received, no activity it will be a busy place."

Delegate Contest On

Nebraska republicans will be called upon to select sixteen delegates to the national republican convention when the primary arrives April 25. Four of these will be delegates-at-large elected by the entire state, while twelve will be selected by the congressional districts, two from each district.

Candidates have begun to show themselves in all of the districts and there are enough for delegates-at-large to insure the voter a chance to make a choice. So far as heard from those who have already signified their willingness to stand or have been mentioned as liable to stand for election are the following:

- Delegates-at-Large—H. H. Baldrige of Omaha, A. C. Epperson of Clay Center, F. M. Currie of York, W. E. Fawcett of Fremont, E. L. Havens of Beatrice, I. A. Roney of Broken Bow, B. P. Brown of Lincoln and W. J. L. Leonard, G. W. Wattle, W. F. Gurley, J. W. Towle, N. H. Loomis, J. C. Belt and John T. Yates.
- Third District—J. H. Kemp of Fullerton and O. R. Thompson of Winona.
- Fourth District—W. J. Fawcett of Aurora, William Colton of York and Peter Jansen of Gage.
- Fifth District—N. T. Johnson of Upland and A. Barnett of McCook.
- Sixth District—T. J. Westerman of Scott's Bluff, W. C. May of Gothenburg, W. A. Davies of Butte and Tari Mallory of Alliance.
- National Committeeman—C. F. McGrew and R. B. Howell, both of Omaha.

Many Candidates File for Office in Franklin County

UPLAND, Neb., Feb. 20.—(Special.)—The political pot in Franklin county is working overtime just now. Amongst the candidates whose names will be on the primary ballot in April are the following:

Republican Ticket—Dr. N. F. Johnston of Upland has filed for presidential elector from the fifth congressional district; Dr. Butler of Superior and Carl Spence of Franklin are running for state senator; W. C. Dorsey, attorney, Bloomington is alone in the race for the legislature. Victor Thompson of Upland and A. J. G. Dunlavy of Bloomington have filed for county treasurer; Charles Stasiska of Campbell, county attorney; Prof. Graves of Campbell, for county superintendent; William Dunn of Bloomington for sheriff.

In the Democratic ranks—Colonel J. W. Robinson is the only candidate so far for state senator; Carl Burnham of Naponee for the legislature; Chris Boupp of Naponee, Emil Nelson of Franklin, B. E. Weston of Wilcox want to be county treasurer; O. Muel of Bloomington and Thomas Lovrenzen have filed for county clerk; Jergen Jensen of Upland, Napoleon Hebert of Campbell, Robert Walker of Bloomington and Roger Boon of Franklin have all filed as candidates for sheriff. Attorneys Hale of Franklin, Losey of Bloomington and Samuelson of Hildreth want to be county attorney. J. E. Mong is so far the only candidate on either ticket for clerk of the district court. Fear O'Neary of Hildreth and Prof. Bonner of Franklin are in the race for county superintendent.

So far no candidates in this county have filed as progressives and it looks like a straight old time fight between democrats and republicans.

L. O. Jones of Lincoln has been in the county a week organizing for the dyes. A county prohibition organization has been formed and also local organizations in each town.

The Proof of the Pudding is in the Eating

What the sick want is to get well. They do not care whether they are cured by the most scientific physician or the most unlearned neighbor—they don't care how they are cured, if only they get well.

For forty years women suffering from female ills have been taking Lydia E. Pinkham's Vegetable Compound and have been getting well; and because they have got well, that great medicine continues to have a sale equalled by that of few proprietary preparations.—Advertisement.

Nebraska INTEREST ON STATE'S CASH Accountant De France Says More Interest Could Be Secured from Banks.

SUGGESTS COMPETITIVE BIDS

(From a Staff Correspondent.) LINCOLN, Feb. 20.—(Special.)—From January 8, 1915 to December 31, 1915, the state of Nebraska received in interest from money deposited in the different banks over the state \$2,048.91, according to the report of State Accountant Charles Q. De France, who has been making an examination of the state treasurer's office. The amount of funds in state depositories at the close of that period was \$1,000,124.84.

State Auditor Smith will endeavor to have all banks acting as state depositories give the amount of interest paid by them during the last five years and will hereafter treat state depositories the same as banks are treated under the bank examinations and will ask them to fill out blanks showing the amount of state money on hand and the amount of interest.

According to the accountant's report, State Treasurer Hall carried as certificates of deposit at the close of the year the sum of \$19,000 in three banks: Farmers' State bank of Elba, \$5,000; Citizens' State bank, Carroll, \$4,000; Lehigh State bank, Lehigh, \$5,000, and Elba State bank, Elba, \$5,000. There are in all 496 banks carrying state funds, of which four have active accounts, as follows: Central National of Lincoln, \$20,000.76, at the close of business December 31, 1915; City National of Lincoln, \$27,211.41; First National of Lincoln, \$39,747.30, and the National Bank of Commerce, \$11,639.34, a total of \$88,598.81, bringing into the state \$6,780.14 in interest.

In reporting on the methods used in the office of the state treasurer, Mr. De France makes some interesting explanations. Speaking of the cash certificates of deposit in the four state banks, Mr. De France says:

"As to the propriety of carrying certificates of deposit instead of making a regular deposit under the depository law, I have only this comment to make: It is apparent that at least some of the Nebraska banks are willing to pay more than 2 per cent interest on state funds, if left undisturbed for six months or more. Therefore, if the state treasurer would bid for deposits, with the understanding that the deposit would be made on December 31, 1915) had had the deposit without change for one, two, three or more years. It is a majority of them, would have paid 4 or 5 per cent instead of 2 if they had been notes so to do."

CONFESSED GERMAN SPY IS RECAPTURED

Lincoln, Who Escaped from Custody of Federal Officers, Is Again Arrested.

SAYS NOT TREATED FAIRLY

NEW YORK, Feb. 20.—Ignatius T. T. Lincoln, former member of the British Parliament and self-confessed German spy, who escaped on January 15 from the custody of a United States deputy marshal after his arrest here on August 4, 1915, at the instigation of the British government, was recaptured at a Broadway restaurant. He was taken to the offices of the Department of Justice, where he was questioned behind closed doors for more than two hours. Later he was removed to Raymond Street jail in Brooklyn, where he had formerly been a prisoner.

Lincoln declared his capture was due to the fact that the proprietor of a lodging house where he had engaged quarters betrayed his identity and attempted to extort \$500 from him in return for the surrender of his baggage. He declined to make a statement to newspaper men, but assured those who questioned him he would never "have run away if the United States government, which was aware of attempts of the British government to persecute him, had treated him fairly."

Cleveland President Denies He Decided to Keep Fohl Manager

CHICAGO, Feb. 20.—James C. Dunn, new president of the Cleveland American League club, in a statement given out today denied he had decided to retain Lee Fohl as manager of the club. Mr. Dunn also announced that he had arranged with Fledler Jones, manager of the St. Louis Browns, to purchase Ivan Howard, first baseman.

"Phil Ball and Jones had to cut down the size of their club," said Dunn, "and as Howard had been recommended to me as a valuable man and one the Cleveland club needed, I made an offer for him and it was accepted."

Regarding Fohl Mr. Dunn said: "I cannot say at this time who will manage the Cleveland club. However, we are in the market for a high class manager. Contrary to the report last week I did not say for sure that Lee Fohl would head the club again this year. I don't want to say that he will be the man. It's still a question."

FORT BIRD HOUSES EAGERLY SOUGHT

Order for Fifty of Them Placed at Audubon Society Meeting.

REPORTS MADE ON SONGSTERS

More than a dozen varieties of cleverly constructed bird houses were exhibited last night at the meeting of the Nebraska Audubon society at the public library. They were made by the boys of the wood working department of Fort school, and are of the kind that will be put up by the hundreds this spring in the city parks, cemeteries and private grounds as invitations for the feathered songsters to make themselves at home in Omaha.

Robert Gall, head of the school department where the bird houses are made, made a talk describing them and the work the lads are doing to attract the birds. He announced that the little houses will be sold at cost to anybody who wants them.

Fifty Ordered at Once

Spencer Mann, secretary of the Forest Lawn Cemetery association, immediately entered his order for fifty of the bird houses, to be put up in that cemetery to inaugurate the practice of establishing bird havens in the cemeteries.

Over 100 men, women and young folks attended the meeting, which emphasized the success the rejuvenated society is having in spreading the gospel of protecting and fostering bird life here. C. H. English, superintendent of recreation work, talked on the advantages and benefits of making friends of the song and insectivorous birds. He endorsed the work the Fort schoolboys and the Audubon society are doing.

First Robins Reported. Miles Greenleaf and Thomas R. Hill told of personal observations of birds during the winter in and near Omaha. Dr. Solon R. Towne, president of the society, told a letter from L. O. Horskay, who reported that he saw the first bluebirds and robins of the season in River-view park in January.

Dr. Towne also exhibited and described a very rare set of Audubon bird pictures, in seven volumes, illuminated in natural colors, which belongs to the Byron Reed collection in the public library.

Further arrangements were made for the lecture to be given under the society's auspices at the First Baptist church, the evening of March 11, by Ernest Harold Baynes, famous ornithologist. If the precautionary epidemic restrictions are lifted by that time, Mr. Baynes will also give a bird lecture in the afternoon for school children.
