C. F. Wittmayer returned last  
Monday from his trip to eastern  
Iowa where he went to investigate  
two or three positions that had  
been offered him. He decided to  
accept a position with the Central  
Lumber & Coal Co., of Dubuque,  
Ia., taking charge of their lumber  
yard at Stanceyville, Ia. The  
position carries a salary of about  
\$85 per month more than he is  
now getting, so he feels justified in  
making the change, although he  
and his family regret leaving their  
pleasant home and many friends  
here. He expects to take charge  
of the work by the fifteenth of this  
month. We understand that the  
agent for the Goodridge-Call yard  
at Stickney will be transferred to  
this place. Mr. Wittmayer has  
had a successful experience of sev-  
eral years in the lumber business  
and the Dubuque firm is fortunate  
in securing his services.

chased a house in the south east  
part of town which he has been

mence housekeeping this week.  
Both the bride and groom have a  
host of friends in Scotland who  
will wish them a long and happy  
married life.

Reich, Rev. J. W. Krieger of Tripp

in California. The bride moved to  
Scotland only a few weeks ago,  
coming with her sister from Bridge-  
water and they have been con-  
ducting a dressmaking establish-  
ment. Another sister, Mrs. Henry  
Stoller, living east of town was  
also present at the wedding festi-  
vities. The Citizen-Republican  
joins with other friends of the  
couple in congratulations and good  
wishes.

**WHY ROOSEVELT REFUSED AT CHICAGO.**

The Olathe, (Kansas) Mirror says: "When it became evident that Roosevelt could not be nominated, Senator Borah of Idaho, made the Colonel the following proposition as coming from Taft leaders, whom he stated were able to deliver the goods. 'The roll will be purged of the seventy-eight delegates we claim are tainted, a progressive platform acceptable to us will be adopted, Taft and Roosevelt both to withdraw and we will name Hadley by acclamation.' Colonel Roosevelt was seated at a table under a glass chandelier when he received the proposal from Borah. He sprang to his feet and raised his fist, smashing the chandelier, then bringing his fist down upon the table with a smack, he said: 'By God, I will never do it! Let them purge the roll and then come to me and I will tell them what I will do.' There was a silence and a drawing away for a few seconds and then Borah, white faced, said: 'Well Colonel, in the future you and your friends can do as you please, but you can't make a jack-ass out of me any longer.' Borah immediately left the room and never returned.

"Shortly afterward Roosevelt issued his famous statement, 'I can only serve the progressive cause by bearing the brunt of the fight myself.'"

"The above statement was given to the editor of this paper by one of the Roosevelt delegates from Kansas City, who was high enough in the councils to be made chairman of the caucus of all the Roosevelt delegates of the United States. His name is Homer B. Mann, the original Roosevelt man of Kansas City. His office is in the Dwight Building, 11th and Baltimore, if you care to verify this statement."
