THE SOLUTION

In last evening's Herald we made the statement that we could not agree with the Local Option people that prohibition was the proper solution of the liquor question. Since then we have been asked if we could offer a better solution. Our reply is that we have a decided opinion on the subject and have no hesitancy in stating what it is.

In view of the fact that the United States government legalizes the sale of liquor, we contend that the saloon is a legitimate business. This being the case, the saloon should be conducted as other places of business are.

It is said that crime breeds in darkness. Is it any reason then that the saloon with its back rooms, frosted windows and screens should be the scene of more disorderly conduct than the grocery or clothing store with their open fronts and plenty of daylight and sunshine. Crime cannot long withstand the light of day. The abuse of the saloon business has been made possible by the incentive and protection given to lawlessness on account of the closed front.

Take away the screens and frosted windows and partitions and run the saloon as any other business. Let everything be open so that he who passes may see, and the saloon will regulate itself. You cannot stop a man from drinking if he so desires, but take away the protection from publicity, of the screened windows, and you will be surprised how many people will lose the desire for drink. There would be no drunken rows in a place of this kind. If a man was disposed to stand at the bar until he became drunk, the proprietor of the place would not let him.

We do not expect that the average saloon man would favor a regulation of this kind, as it would result in such a decrease in business that instead of thirteen saloons in Klamath Falls, three would be sufficient to supply the demand.

ABEL ADY

Ever since Secretary Taft gave out the announcement that he favors the limelight of publicity being thrown, on any and all political campaign contributions some of the alleged statesmen who delude themselves into the belief that they are running their respective parties are looking askance at each other and asking, "What next?" Many of them fear that the Belmont plan of publicity may be taken up by "the leaders," and made such strong and prominent planks in the Republican and Democratic platforms that national and state campaigns may hereafter give few, if any, practical opportunities for the political grafters who thrive on enforced "assessments" on the salaries of government employes and big contributions wheedled out of banking, insurance and other corporations.

Teaching city children how to become proficient as farmers, although many of them have never been on a farm or visited a rural district, is what the public schools of Cincinnati are doing to the littleurchens of the city who never knew how the necessities of life, such as potatoes, corn, wheat, onions and fruits are grown. Astounding revelations came to light recently when it was discovered that apt pupils in the district schools, although wiser than many in some things, never knew that potatoes grew in the ground, watermelons on vines etc.

The Republican national convention will probably have two woman delegates. Secretary Dover has received a communication from Idaho showing that there will be two woman alternates from that state who will attend. The secretary is preparing to show them marked honor during the convention.

Governor Hughes has signed the bill making it a felony to conduct a bucket shop in the state of New York.

When the Republican national convention meets in Chicago the delegates will find a regular equipped postoffice in the Coliseum building. Secretary Dover has arranged for this with the postal authorities.

Republican Candidates

U. S. Senator—Hon. H. M. Cke, and U. S. Senator, is all that we can ask for in one candidate. Mr. Cke is a man of pleasing appearance, an eloquent speaker, a man that understands the

political situation. While many regret that Mr. Fulton was beaten, yet we realize, by the vote Mr. Cke received in his home county that he is as popular there as Mr. Fulton was here. Mr. Cke is deserving of his party vote.

Congressman—W. C. Hawley points to his past record with pride; in fact his record is his platform.

Justice of the Supreme Court—R. S. Bean needs no special mention.

Dairy and Food Commissioner—J. W. Bailey is also a Winner.

R. R. Commissioner—T. K. Campbell is a man for the people and is entitled to the support of the entire party.

Prosecuting Attorney—D. V. Kuykendall, as Prosecuting Attorney, is practically without opposition. He is well qualified and Klamath and Lake Counties are to be congratulated on having been able to place so competent an attorney in nomination for the place.

State Senator—Geo. H. Merryman, as State Senator, is a rising young Statesman having served one term in the Lower House and demonstrated his ability.

Representatives—Our State Representatives, H. P. Belknap and H. A. Brattain, are strong candidates and will more than poll their party strength.

Sheriff—W. B. Barnes is well qualified to fill the office, having served as assessor of Lake County, also as deputy sheriff. He has a good education, is an active man, well acquainted with all the surrounding county and make an efficient officer. Vote for him.

County Clerk—C. R. Delap, as County Clerk, is well known to you all, having served this county as School Superintendent in a way that is a credit to himself. He is now serving as Deputy Sheriff of this county and is known to be a thoroughly competent man.

School Superintendent—J. G. Swan is a man that has been conspicuously before the public for the past five years and has accomplished wonders in educational lines. He is well fitted for the place.

Assessor—Bert E. Withrow, as Assessor, is the right man in the right place, having served a number of years in the Abstract Office and having a complete abstract of every piece of deeded land in the county, puts him in a position to better judge the value of real estate than any other man we know.

County Treasurer—L. Alva Lewis, as Treasurer, is well known to you all and he points with pride to his past record.

County Surveyor—M. D. Williams has been conspicuously before the public during his term of office. His work speaks for his efficiency.

County Commissioner—C. J. Swingle is a pioneer of Klamath County. He is a conservative business man and has made a success with his own business ventures, and it is fair to assume that he will do as well with the county business.
