

SPRING WAR TALK AT JAP MEETING

DURING GATHERING DENOUNCING JINGOISM, SUDDEN EXCLAMATION SHOWS THE ATTITUDE OF JAPANESE

TOKIO, May 17.—Denunciation of the war talk in general was the trend of a big mass meeting today.

However, a sidelight on the temper of the people was shown when loud cheers greeted the declaration of Professor Nagai of Waseda university, that:

"God made the white and colored peoples equal. Unless we claim equality we fail to carry out God's wishes."

OAKLAND, Cal., May 17.—An insane Italian, believed to be Oreste Orneso, ran amuck at Eighth and Franklin streets this afternoon.

He shot Susie Thompson through the neck, and Hattie King through the ear. Daniel Donovan sprang between the screaming girls and the maniac, and he was shot through the neck. He may die.

The madman then turned the gun on himself, sending a bullet through his temple. He will die. The girls are not seriously injured.

Harry Payne Whitney Captains the American Polo Team

More than 40,000 persons will see Harry Payne Whitney, son of the late millionaire—and politician who made Grover Cleveland the Democratic candidate for president in 1892—lead the American polo team against the British on the field of Meadow Brook, L. I., June 10. That is, they will see him if he doesn't break his neck in practice meantime. Polo is a millionaire's game, and a very dangerous game. First, it takes \$100,000 worth of ponies to play an international match. As many more ponies are

ruined in practice. Second, no one who ever played it for any length of time failed to break an arm, a skull, a leg, or a collar bone. Thus there are two reasons why it will never supplant baseball as the great American game.

The international match against the four led by Capt. F. G. Ritson will be played June 10 to June 14. Last year the Americans won. Whitney is a dashing, daredevil player, who rides his pony into anything regardless of consequences, at the same time yelling like a locoed Indian.

Clarence Holmes came in from his Poe valley ranch yesterday to attend to business matters.
