Bonding House Pays Draft; Warrant Call Soon

On or about Monday, persons holding unpaid warrants against the city issued prior to July 1st of this year, will receive the face valuation and accrued interest on this paper, as City Treasurer J. W. Siemens expects by that time to issue a call for unpaid warrants.

Following the signing of the city's warrant refunding bonds by Mayor Nicholas and Police Judge Leavitt, and their return to the Security Savings and Trust company, Captains

Siemens drew on the company for the amount of the bond issue, premium and interest, amounting in all to about \$78,000. He has received word that this draft has been honored.
