GRAY HAIR BECOMES
DARK, THICK, GLOSSY

TRY GRANDMOTHER'S OLD FAV-
ORITE RECIPE OF SAGE TEA
AND SULPHUR

Almost everyone knows that Sage
Tea and Sulphur, properly compound-
ed, brings back the natural color and
lustre to the hair when faded, streak-
ed or gray; also ends dandruff, itching
scalp and stops falling hair. Years
ago the only way to get this mixture
was to make it at home, which is
messy and troublesome.
Nowadays we simply ask at any
drug store for "Wyeth's Sage and
Sulphur Hair Remedy." You will get
a large bottle for about 50 cents. Ev-
erybody uses this old, famous recipe,
because no one can possibly tell that
you darkened your hair, as it does it
so naturally and evenly. You dampen
a sponge or soft brush with it, and
draw this through your hair, taking
one small strand at a time; by morn-
ing the gray hair disappears, and
after another application or two your
hair becomes beautifully dark, thick
and glossy, and you look years
younger.

Society

The Silver Tea given by the Ladies'
Aid Society of the Presbyterian
church at the home of Mrs. C. C.
Hogue, Thursday afternoon, was a

good. Selections were given by Mrs.
