IN FOREIGN COUNTRIES.

Army and Navy Dissatisfied With the Sultan.

ORDER RESTORED IN ARMENIA.

Ambassadors Will Give a Reply Saturday.

CONSTANTINOPLE, Nov. 8.—Hall Rifat Pasha, the Turkish minister of the interior, has been appointed grand vizier to succeed Kiamil Pasha, resigned. A new ministry has been formed as follows: Hall Rifat Pasha, grand vizier; Said Pasha, president of the council of state; Tewfik Pasha, minister of foreign affairs; Hasan Pasha, minister of marine; Riza Pasha, minister of war; Monduh Pasha, minister of the interior; Abrub Rahman Pasha, minister of justice; Sabri Pasha, minister of finance; Arif Pasha, minister without port folio.

The Turkish minister of foreign affairs has promised to give the ambassadors of the powers a definite reply within two days as to what steps the porte intends to take for the restoration of order in Armenia, and to provide for the protection of Christians in that part of the Turkish empire.

A direct warning has been given the sultan that Europe will intervene to restore order in Armenia unless the Turkish government act promptly. Each day adds to the difficulty of the task at the porte. From Syria, especially, most disquieting rumors are coming, and that they are based on facts is shown by the mobilization of 20 battalions of Redifs out of 66 available, and the steps taken to dispatch them to that portion of Asiatic Turkey. This lends color to the report that the Armenians are receiving support from unexpected sources and the Turkish government may soon be face to face with an open and wide-spread revolt against the rule of the sultan. Arrests of Armenian and Turkish suspects are constantly being made here and elsewhere.

Possibly the most grave turn in the recent events lies in the fact, established beyond a doubt, that the dissatisfaction against the rule of the sultan has extended to the Turkish army and navy, and the palace officials are in a state of the greatest alarm. Nobody here would be astonished to hear in any moment of an outbreak in the palace itself, and in fact people well versed in Turkish affairs assert that only a prompt show of force upon the part of European fleets can avert it.

Advices from Aleppo say Kurds belonging to the Halidiah cavalry regiment plundered a caravan near that place. It is further stated that the Kurds in the eastern province joined the anti-Armenian movement and American missionaries are being advised not to expose themselves to dangers while the excitement lasts. At the instant of Mr. Herbert, British charge d'affaires, all consuls in the disturbed districts will be provided with guards.

FOREIGN CABLES.

BERLIN, Nov. 8.—When Emperor William reviewed the recruits of regiments of the guard, His majesty made a short speech to the army, bidding them especially to be mindful of their honor. He added: "Before all things you should trust God, to preserve your honor and be faithful to your emperor and your country, whether against a foreign or internal foe." General Von Winterfeldt called for cheers for the emperor, which were heartily given.

LONDON, Nov. 8.—The Berlin correspondent of the Times on the immense increase of socialist votes in the rebellion in the district of Dortmund, resulting in the return of the socialist, Lutgenau, and says:

This is largely due to the fact that

in any center supported the socialist rather than the national liberal candidate. This, the Vorwärts says, is the people's answer to Emperor William's appeal for cohesion against the socialists and to threaten anti-socialist measures.

LONDON, Nov. 8.—At a meeting of the executive committee of the Irish National League it was decided to remove Timothy Healy from the executive committee on account of his action at the time of the so-called Omgah revolt in July, when at the county Tyrone national convention he accused John Dillon of selling Tyrone to the English party.

DORTMUND, Westphalia, Nov. 8.—Heiz Lutgenau, the socialist leader, returned to the reichstag after a rebellion in the district of Dortmund, had been sentenced to 5 months' imprisonment on a charge of les majeste for reproducing in his newspaper, the Arbeiter Zeitung, an article headed, "Another of These Imperial Speeches."

ST. PETERSBURG, Nov. 8.—A dispatch to the Novoye Vremya from Vladivostok says the Russian warship Yakut, captured 17 foreign sealers in the sea of Okhotsk, all having slaughtered seals on board. One schooner chased by the warship escaped.

COLON, Nov. 8.—There was a riot recently among the Japanese laborers, on a plantation on the island of Martinique which resulted in much bloodshed.

MATANZAS, Nov. 8.—Over 150 political prisoners, it is thought, have been sent to Ceuta, Africa, since the beginning of the revolution.

BRITISH DOMINIONS.

CHICAGO, Nov. 8.—A special from Winnipeg says: Of the scores of documents that have been issued since the parochial school agitation began, by far the most sensational has just been published by the Manitoba government. It has been kept by the government to be sprung on the eve of the general elections, and the effect of the startling document is all that had been expected. It arraigns the Catholic hierarchy for falsifying.

The Roman Catholics have all along contended that their schools were preserved to them under the bill of rights adopted when Manitoba entered the confederation of Canadian provinces, in 1870. The Protestant contention has been that while reference was made to parochial schools in a rejected bill of rights submitted in 1873, there was no such reference in the bill ratified and adopted in 1870 by both provincial and dominion government. In an answer to this Protestant contention, the Catholics produced a manuscript, bearing date of 1870, which read that the rights of Roman Catholics to their schools should never be interfered with. This manuscript bore evidence of being definite and authentic, and seemed conclusive. Now, however, the government shows that the date of the document was really 1873, and a scientific photographic process reveals that the figure 3 was changed into a cipher. The original figure 3 is by a photograph revealed in faded ink like the rest of the document, while the cipher is in fresher and blacker ink.

PHILADELPHIA, Nov. 8.—The International Navigation Company has libeled the Netherlands-American line steamship Oobdam, which was towed into Halifax Saturday with her shaft broken, by the Pennland, for \$100,000. It is the general opinion of shipping men that the case is one in which unusually meritorious service were rendered, as the vessel would have been driven ashore on Sable Island and become a total loss during the storm on the following night had she not fallen in with the Pennland.

A strange coincidence is that just six years ago the Pennland was towed into Halifax by one of the steamships of the Netherlands-American line. ST. JOHN'S, N. F., Nov. 8.—The Herald prints a series of letters from correspondents along the South and West coast which state that dire distress prevails among the poorer classes of people residing there, especially among those receiving pauper relief.

The retrenchment policy of the government accentuated the the cutting off of half the pauper grant and, the fisheries being poor, many had themselves in wretched circumstances. The correspondents predict starvation in numerous instances unless prompt help be supplied by their authorities.

QUEBEC, Nov. 8.—The German steamship Canada, Captain Hahn, of the Hamburg-American Packet company, from Hamburg and Antwerp for Quebec and Montreal, with a large passenger list and cargo, is ashore at Little Metis light, 175 miles below Quebec. The bottom of the steamer is cracked, and the tanks are full of water, which is rising in the forehold. Late reports say the Canada went too near the shore when passing Mantane and struck a reef, and it was necessary to beach her to save her from foundering. Passengers and crew are safe, as the vessel lies on a sandy beach.

DURRANT'S SENTENCE.

Will Be Deferred for Several Weeks.

MINNIE WILLIAMS KNEW MUCH.

More Bodies Recovered at Detroit, Mich.

DURRANT IN COURT.

SAN FRANCISCO, Nov. 8.—Theodore Durrant was brought from the county jail today to be sentenced by Judge Murphy for the murder of Blanche Lamont. Attorney Dickinson for the defendant asked for a continuance for two weeks to prepare a motion for a new trial. District Attorney Barnes acquiesced and the court granted the continuance on an agreement that there should be no further continuances at that time. The charge against Durrant for the murder of Minnie Williams was, on motion of the District Attorney, continued indefinitely.

DETROIT, Nov. 8.—The walls adjoining the wrecked portion of the Journal building have been braced and digging in the ruins is progressing rapidly with a greater degree of safety. Two bodies were taken out this morning, those of Lizzie Wiedbusch and Chas. Linn, employees at the bindery. Several other persons are still missing. A mass meeting will be called tomorrow night to take steps for the relief of the families of the dead. Several popular subscriptions have been started.

SHE KNEW TOO MUCH.

SAN FRANCISCO, Nov. 8.—Frank W. Young, who conducts a bakery in Alameda, promises to be one of the most important witnesses for the prosecution in the trial of Durrant for the murder of Minnie Williams. Young knew her well and says that the day before she was murdered she explained her depression of spirits by saying she knew too much about the disappearance of Blanche Lamont.

"She came to the store on Thursday, the day previous to Good Friday," he said, "and I noticed at once that she was quite changed in manner from what I had always seen. She had always been so lively and chatted and joked so good naturedly. But I noticed on this day that she wore a very long face, was preoccupied and seemed very much worried about something, and being, as I say, accustomed to talk with her on subjects aside from the business she came on, I naturally asked her what was the matter. I knew she had been acquainted with Blanche Lamont, and supposing that she had been quite intimate with her, I asked, more in the way of saying something than for any other reason, if she was downhearted over the disappearance of her friend. She hesitated a moment and replied: 'I know too much about

the disappearance of Blanche. I was somewhat surprised at the reply, but I must confess that I did not say so. Still I was surprised enough to be interested, and asked her what she knew. She acted as if she had said something she had not meant to, and making an evasive answer, which I do not recall, left the store.

I gave the matter no attention until Durrant was accused. Then that conversation came back to me. I kept still about it, however, as I did not wish to be drawn into the case, for I knew it would take me away from my business and that I could not afford. I felt this way till Durrant was held by the coroner's jury, and then felt relieved, for I had also felt as though I should have offered my testimony. But after that I decided to keep still and keep out of the case, for I have always believed that there would be enough evidence for conviction without my testimony."

Durrant will be taken to court today ostensibly to be sentenced for the murder of Blanche Lamont. There is little prospect, however, that sentence will then be pronounced. The attorneys for the defendant will move for a new trial, and this motion will entail a continuance. They will be entitled to two weeks' time in which to prepare their brief, and it is understood that they will avail themselves of the full period.

Children's Home Burned. CLEVELAND, Nov. 8.—The Speed home for friendless children was destroyed by fire today. The inmates escaped. Since last Saturday eight attempts have been made to burn the building.

KENTUCKY LEGISLATURE.

Is a Tie and Republicans May Win Yet.

ALLEN G. THURMAN VERY ILL.

His Illness Caused From a Fall Last Week.

LOUISVILLE, Nov. 8.—The Evening Post says the general assembly will be a tie and the election of a successor to Mr. Blackburn is a matter of conjecture. Democrats have 68 votes and with one democratic populist vote, 69. The Republicans will have 68 and one republican-alliance vote making a total of 69.

ALLEN THURMAN ILL.

COLUMBUS, O., Nov. 8.—Allen G. Thurman is very ill and there is little hope of his recovery. On Friday evening last he had a fall which resulted in a serious injury to his hip. No bones were broken and his constitution being wonderfully strong, it was believed he would soon regain accustomed health. The effect of a nervous shock appeared to pass away and on Tuesday and Wednesday he improved so much that his physicians and friends thought he would undoubtedly get up again in a short time. Yesterday however, a severe relapse occurred.
