

Is Your Blood Pure

If it is, you will be strong, vigorous, full of life and ambition; you will have a good appetite and good digestion; strong nerves, sweet sleep.

But how few can say that their blood is pure! How many people are suffering daily from the consequences of impure blood, scrofula, salt rheum, rheumatism, catarrh, nervousness, sleeplessness, and

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the post-offices of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

IT IS THE CHEAPEST Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT. The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE ONE CENT DAILY which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to cheer the whole family." The people feel the same way about THE WEEKLY.

FROM NETARTS BAY. comes a cheering letter from a subscriber at Netarts, Oregon, who encloses a dollar and writes:

"DEAR EDITORS: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the people's cause as THE JOURNAL does. I will do all I can for THE JOURNAL."

W. C. O'HARA, A Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE TO TEXAS. Come orders for THE 31 WEEKLY JOURNAL. Silver dollars are sent. John Holm, Luling, Texas, sends us a big dollar of the daddy in a common envelope. It is one of those "In God We Trust" dollars, coined in 1893, good enough for any American, and good enough for any newspaper. THE JOURNAL is the only silver Daily and Weekly in Oregon. THE JOURNAL is the only Daily and Weekly in Oregon that fights the whole gold bond humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL. Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

A HOROLOGICAL WONDER.

The Complicated Time Keeping Oddity Invented by a Russian Pole.

The prize wonder in the shape of a clock is the invention of a Russian Pole named Goldfaden. The inventor is a clockmaker of Warsaw and boasts that he worked over 2,000 days on this time keeping oddity. The clock represents a railway station, with waiting rooms for travelers, telegraph and ticket offices and a very pretty and natural platform, well lighted and having in its center a flower garden and a spouting fountain. There are also signal boxes, lights, switches, water tanks—in fact, everything used in conjunction with a well regulated railway station. There is a dial in the center tower, which shows time at New York, Peking, Warsaw and London. Every quarter of an hour the station begins to show signs of life. First all of the little figures of telegraph operators begin to work their machines, the head automaton going through the form of sending a dispatch to the effect that "the line is clear." Then the door opens, and upon the platform appear the station master and his assistants. Next a long line of little figures file up to the miniature ticket office.

After this the porters appear, carrying luggage, the bell rings, and instantly a miniature train dashes out of a tunnel and halts before the platform of the station house. While the train is waiting a miniature figure tests the wheels and axles with a tiny hammer, another pumps water into the tank of the engine, while a third busies himself stowing away small lumps of coal in the silver plated tender. There is one signal of the bell, whereupon the door of the single coach opens, and the little figures slide in on an almost invisible wire, the opening closing after them. A second tap of the bell is the signal for the wheel tester, waterman and fuel carrier to retire into the station house.

A second tap of the bell is the signal for the wheel tester, waterman and fuel carrier to retire into the station house.

After the third signal the whistle gives two toots, and the train quickly disappears in a tunnel opposite to the one from which it emerged five minutes before. When the train is out of sight, the station master and his assistants leave the platform, the doors close behind them, and they all retire to the other side of the station house, where, at the expiration of 15 minutes, the train again appears, and the passengers file out and seat themselves in the building preparatory to taking another trip around the station house.—St. Louis Republic.

Domestic Protection.

One day in the Cumberland mountains, as I rode up the bench of a hill, I came to a house with a genuine cyclone pit in the front yard. At first I thought it might be a springhouse or a cellar, but a little closer inspection only confirmed the original conclusion. It was a cyclone pit and nothing else, but what was it there for? The man of the house was hoeing corn in the field adjoining, and I hailed him. "By the way," I said to him after asking how far it was to my destination and the nearest way there, "is that a cyclone pit there in the yard?"

"He gave a queer little nod of affirmation. "You don't have any cyclones up here in the mountains, do you?" I asked in evident astonishment.

"Well, no, mister, not perzactly."

"Then, if you please, I'd like to know what the dickens you have the pit for?"

"He came over to the fence and put his hand up to his mouth as if of a speaking trumpet.

"I reckon you never see my wife, mister," he said and dodged back to the row he was hoeing as if somebody had thrown a skillet lid at him.—Detroit Free Press.

The Honorary Officer of health protests against the destruction of the crocodiles.

He says they are the best and only scavengers possible of the water reservoirs in which they dwell.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, has issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of Dr. H. Pitcher is on every wrapper.
