NEXT LEGISLATURE.

[Continued from first page.]

he is ever in touch, Capt. O. C. Applegate is the man whom the people of Klamath, Lake and Crook counties will choose at the polls on Monday, June 1, to represent them in the upper house of the Oregon legislature."

A Silver letter from Hon. Thos. Tongue in the CAPITAL JOURNAL will appear in the next issue of the Star. Mr. Tongue is sound on the silver question and writes a good logical letter which will be read with interest by all.—Douglas County Star.

[If Mr. Tongue will stand by those sentiments he is a good enough silver man—a consistent American bimetalist—and when his canvass fully develops he will satisfy the people on this point.]

LANE COUNTY POLITICS.

The Eugene Guard (Dem.) replies to THE JOURNAL'S article on Baker and Driver:

The above is so full of misstatements that a correction is due the people of Lane county.

In the first paragraph it is stated that Baker will probably be the only condidate against Driver by the time election rolls around. Hon. E. R. Skipworth will be in the field to the last moment of June 1—election day—and will be elected.

Baker is reported to be an A. P. A. as well as Driver, MR. JOURNAL. Skipworth is not a member of the organization.

We will have to inform the editor of THE JOURNAL that Prof. McElroy, although a consistent Republican, has not interfered with politics in Lane county, as every citizen in this city will testify. Prof. McElroy is giving his entire time to his duties at the U. of O., and the statement concerning him is false as false can be. As to Mr. Dolph's nephew, he was a firm and loyal supporter of Mr. Friendly for the position, who ought to have been nominated by the convention, as he could have done more good for Lane county than anyone else.

When it says Baker will be elected we also think Hofer is not familiar with affairs here. At this writing it looks as if the Democratic legislative ticket would succeed."

[It looks like the old game of assistant ring Democrats. Divide the people and let the ring men in. That game is about played out. Ring Democrats are no better than Ring men of any other party.]

Get on to the Northern Pacific Flyer.

The change of time via the Northern Pacific enables passengers to leave Portland daily at 5 p. m., reaching St. Paul and Minneapolis in three days, St. Louis and Chicago in three and one-half days, Lincoln, Neb., at 12:55 noon of the third day, Omaha at 4:05, St. Joseph at 5:50, Atchison at 6:30, Leavenworth at 7:35 and Kansas City at 8:05.

You can see by this that the Northern Pacific equals all other lines to all points, and if you will compare schedules, you will see that the Northern Pacific beats all other lines into Lincoln four hours, St. Joseph twelve hours, Atchison twelve hours, Leavenworth fourteen hours and Kansas City ten hours and forty-five minutes, where immediate connections are made in union depots for all points.

Don't forget that the Northern Pacific is the only line running two lines daily to the east, the only dining car route from Portland, the only line running a first-class Pullman sleeper through from Portland to Minneapolis and St. Paul without change, and the only line to the Yellowstone National Park.

REPUBLICAN PLATFORM.

The representatives of the Republicans of the state of Oregon in convention assembled, call attention to the condition of industry throughout the country, as a proof of the necessity of returning to the policy of the Republican party under which there was general prosperity during thirty years.

We reaffirm the principles of the Republican national platform of 1892, and assert that the results that have followed the change decreed by the election of that year have justified our protest against the national policy adopted by the Democratic party.

We believe that the government should have an ample revenue, with a sufficient surplus over ordinary expenditures to provide for coast defences, for the steady building up of the navy, and for the constant reduction of the public debt. We believe that the present tariff, with its lowered rates and its destructive and dishonest system of undervaluations and discriminations as to localities, should be replaced by one framed on protective principles similar to that of the McKinley bill and arranged to give ample protection to American wages and American industry, and to restore the reciprocity policy of James G. Blaine.

We have always given protection to our shipbuilders. In late years we have neglected to protect our shipowners. We believe the time has come to restore to the policy of Washington and Hamilton, which, by discriminating duties in favor of American bottoms, secured 90 per cent of our carrying trade to American ships, and which, if now restored, would again revive our shipping and cause American freights to be paid to Americans.

The American people, from tradition and interest, favor bimetalism, and the Republican party demands the use of both gold and silver as standard money with such restrictions and under such provisions to be determined by legislation, as will secure the maintenance of the parity of values of the two metals, so that the purchasing and debt-paying power of the dollar, whether of silver, gold or paper, shall be at all times equal.

The interest of the producers of the country—its farmers and its workingmen—demand that every dollar, paper or coin, issued by the government shall be as good as any other dollar.

Resolved, That we earnestly endorse the proposed amendment to the constitution of the United States, providing for the election of United States senators by popular vote, recently reported from the committee on privileges and elections by Senator Mitchell and now pending consideration in the United State senates.

Resolved, That the application of the Oregon delegation in congress to the president of the United States and now pending before him, praying a modification of his proclamation creating the Cascade forest reserve, is hereby earnestly approved, and we appeal to the president to grant the prayer of our delegation in congress.

We realize the importance and magnitude of the fishing industry on the Columbia river and would recommend that some provisions be made for a state hatchery for artificial propagation, and that the laws regulating the closed season be rigidly enforced.

That we endorse the efforts of our representatives in congress to secure repayment to the settlers of Oregon of the excess of $1.25 per acre wrongfully collected by the government on lands located in the limits of the unearned Northern Pacific railroad land grant now forfeited.

The construction of the Nicaragua canal is of the highest importance to the American people, both as a measure of national defense and to build up and maintain American commerce. It is moreover of special importance to our Pacific states and we demand its completion as speedily as possible by the government of the United States.

We hereby endorse the action of our senators and representatives in congress in their endeavor to secure grants of pensions to Indian war veterans.

We pledge the Republican party to a rigid economy in the expenditure of public money; to the reduction of excessive salaries; and the abolishment of the fee system whenever possible, and of all useless commissions; and believe that no appropriation should be made to any school or charitable institution not under the control of the state; and oppose the incorporation into the general appropriation bill of items for the expenditure of public money not authorized by law.

We demand the enactment of rigid restrictions on foreign immigration, both for protection of our country against illiterate and vicious classes from foreign lands and for protection of our labor and preservation to our own people of the remainder of our national domain.

We commend the policy of the Republican party in relation to internal improvements, and in particular in opening our waterways to commerce, and we denounce the illiberality of Democratic party in these important matters.

Respectfully submitted.

T. E. FELL, Secretary. SOL. HIRSCH, Chairman
