

There's no

question of the wholesomeness of the food prepared with vegetable oil. The healthfulness of the animal fat obtained from the hog is—and always has been—questioned.

Hog Cholera

Those who eat food prepared with Cottolene have nothing to fear. It is a pure vegetable shortening, free from the unwholesome greasiness of lard. The housewife who is seeking the purest and most economical shortening, will find it

in Cottolene

Sold everywhere. The genuine has trade-marks—"Cottolene" and *steer's head in cotton-plant wreath*—on every tin.

TURKISH ATROCITIES.

[Continued from first page.]

prison by the local authorities, but they shall be tried by their own minister or consul and punished according to their offense, following in this respect the usages of other Franks"—meaning Caucasian nations.

The click of the telegraph calling for that man of war was a warning which sent terror to the hearts of the treacherous, cowardly, cruel Turks, for they can recall how within this same century the United States of America, when only a child among nations, sent its warships to the Barbary Provinces and bombarded those ports when Christians were enslaved according to Mohammedan law, teaching them a well-deserved lesson for all time.

Not satisfied with robbing, persecuting and murdering American citizens in the past, and arresting and casting them into prison contrary to all treaty stipulations in the present, they propose now to add insult to injury.

AMERICAN PROPERTY DESTROYED. Having destroyed one hundred thousand dollars worth of American property, and having ruined the results of long years of self-sacrificing labor which has cost many noble lives and millions of dollars more in American money, to build and maintain free hospitals, dispensaries, schools and colleges for the benefit of the poor and downtrodden of their own country, and while receiving thousands of dollars daily from American citizens for the relief of hundred of thousands of their own perishing people; whom their indescribable cruelties having reduced to starvation and despair, they now propose, if they are permitted to do so, to trample upon the treaty rights of citizens of the great republic by banishing their American benefactors.

Not because they violated any local, national or international law, but because in the name of humanity, in the midst of this most damning maelstrom of outrage, torture and persecution, this little band of brave, devoted American missionaries, dared, in the face of untold trials and dangers and death, to do their duty in the name of Christ, shielding and succoring such as they could from the Mohammedan demons of destruction

MANLY VIGOR

ONCE MORE in harmony with the world, 2000 completely cured men are singing happy praises for the great and successful cure for sexual weakness and lost vigor known to medical science. An account of this wonderful discovery, in book form, with references and proofs, will be sent to you free, if you will send your name and address to ERIE MEDICAL CO., BUFFALO, N. Y.

and death, and telling the world that heart-rending story of horrors, till the Turk trembles in his bloody tracks, from fear of the avenging and defending fury that will soon seal his fate forever, unless the nations of the earth are lost to all honor, and the visible "church" has become a cowardly farce.

THE CROSS OR THE CRESCENT. If in this closing decade of the Nineteenth century of the Christian era, the so-called Christian nations and Christian churches do not care enough for the cause of poor, perishing humanity which Christ came to redeem, to come to the rescue of those who are perishing because they bear His name, they should tear the emblem of the cross from their banners and dash it down from their steeples and no longer disgrace, by such hypocrisy, the name they bear, nor desecrate the memory of him who suffered and died to right the wrongs of humanity, while they, with all the wealth and power and armaments of Christendom at their control, cower before the cruel crescent.

"Inasmuch as ye did it not to one of the least of these, ye did it not to me. Depart from me ye cursed!" comes ringing down the ages still, as the doom of the damned, as dreadful as the condemnation. "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me," and how can the crowned head or the surpliced prelate or humblest believer of Europe, or the Christian citizen of the great republic hope to escape?

The Turk has learned his lesson of perfidy far too well from those "Christian" nations of Europe, who have guaranteed the Christians of Armenia protection only to betray them to their mortal foes, but he will find the representatives of 70,000,000 of free men of the great republic far different prey from a few defenseless, deserted Armenian martyrs.

UPHOLD AMERICAN HONOR. American honor is at stake today! American citizens have been robbed and wronged and murdered. American property has been destroyed. Not that of some trader, to be sure, who has gone to deal in deadly opium or liquid damnation, and crush all the blood money that he can out of the country and people, but of those who have gone to offer the water of life, freely for all, those who have given up home and friends and country and faced dangers and persecution and death to help the helpless, to defend the defenseless and to lift up the down-trodden and despairing.

Through all those days of danger and death, through all those nights of darkness and despair they never deserted their posts of duty, nor shrank from their fearful responsibility.

While all the armaments of Europe were silent, and "The Great Powers" failed to speak one effective word and feared to strike one saving blow, they spoke so all the world should hear.

Their words shall yet shake the treacherous Turk from his throne, and no Star of the Spangled Banner shall be dimmed by shame, nor one of its stripes stained by the innocent blood of those betrayed.

Never for such heroism shall they be persecuted, imprisoned or banished by the bloody Turk, nor driven from their ruined homes, nor exiled from their fields of loving labor.

Not if we, who bear the name of Americans, are worthy descendants of Puritans, Huguenots and Crusaders of the past or fit citizens for the great republic of the present and the future.

Surely we should show the world today what that power stands for which is represented by the stars and stripes till Turk and tyrant alike tremble before its folds.

If we fail to act as free men should in vindicating the cause of American citizenship, we will forfeit the respect of the world, and brand ourselves "cowards recreant to our trust."

BETRAYED BY THE POWERS. That the great powers of Europe have betrayed; the innocent blood of unnumbered thousands for more or less than "Thirty Pieces of Silver," will never wipe away the stain from American honor if we fail to do our duty today.

That Israell and Salisbury gave the Judas kiss for England to the Christians of Turkey nearly twenty years ago will not do away with the disgrace to America, if we fail to act today.

That Russia refuses to come to the rescue of either Greek or Roman or Armenian Christians of the Ottoman Empire today, does not relieve Americans of their responsibility now, when citizens of the great republic are despoiled, their homes threatened and property destroyed, and they, our representatives of peace and good will and self-sacrificing heroism, are in danger of being driven into exile.

Ninety Per Cent. Of all the people need to take a course of Hood's Sarsaparilla at this season to prevent the rundown and debilitated condition which invites disease. The money invested in half a dozen bottles of Hood's Sarsaparilla will come back with large returns in health and vigor of body and strength of nerves. Hood's Pills are easy to buy, easy to take, easy to operate. Cures all liver ills. 25c

June 16—Republican national convention, St. Louis.

June 16—Annual reunion of Oregon pioneers, Portland.

July 7—Democratic national convention, Chicago.

July 22—National Populist convention, St. Louis.

Perhaps the "New Woman" will be a stronger woman than the old one. Certainly, fresh air and the right exercise will do much for her. Fresh air is a great restorative, exercise a great nerve tonic if a woman be in condition to take it. A healthy woman can avoid disease. She can avoid the seemingly almost inevitable "weakness" of her sex if she pursues the proper hygienic methods. The same methods will not cure her if she be already sick.

Taken under medical direction, in connection with the right medicine, they will help effect a cure. No woman who suffers at all from so-called "female weakness" should attempt athletics of any sort. She should first put herself into possession of strong and hearty health by taking Dr. Pierce's Favorite Prescription. After she is thoroughly well, exercise and diversion will help to keep her well. The cure should come first. Dr. Pierce's Favorite Prescription is designed and recommended for only the one thing. It acts directly upon one set of organs. No matter what is the matter with them, it will cure it. It will not cure anything else. It is a wholesome tonic, an invigorating nerve, or nerve-food as well as a healing medicine, and thousands of perfectly well women have found that by taking it regularly during the period of pregnancy, the danger and pain of parturition were much lessened, and in many cases, almost entirely obviated.

In every American household, there should be a copy of Dr. Pierce's great work, "Common Sense Medical Advice," 326 pages, illustrated. One copy free to any address on receipt of one-cent stamp to pay for mailing only. World's Dispensary Medical Association, Buffalo, N. Y.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called soothing syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel P. Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Sam. H. Pitcher* is on every wrapper.
