

# They All Come Back

"There are fads in medicine as well as in other things," said a busy druggist, "but the most remarkable thing about Hood's Sarsaparilla is that customers who try other remedies all come back to Hood's, and this is why the enormous sales of this great medicine keep up and continue the round, steady as a clock."

"Why is it?" "O, simply because Hood's Sarsaparilla has more real curative merit than any medicine I ever sold."

This is of daily occurrence in almost every drug store. Hood's Sarsaparilla has cured more sickness, and made more happiness through restoration to health than any other medicine.

A tramway, three miles long, has been built by Contractor Richardson, of La Grande, to carry logs from the Rock creek district, to the river, for the Grand Ronde Lumber Company. The work of delivery will begin in a few days.

**A Valuable Prescription.**  
Editor Morrison, of Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Annie Stehle, 2025 Cottage Grove, Ave., Chicago, was all run down, could not eat nor digest food, had a backache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength. Prices 50 cents and \$1.00. Get a Bottle at Fred A. Legg's Drug Store.

Misses Ocie Avery and Maud Ranney, of Corvallis, who had been hazel nutting, tried to cross the Willamette in an old boat; but it filled so fast they had to get out. One of them fortunately stepped into water only four feet deep, but Miss Avery was less fortunate, the water being about fifteen feet deep. She managed to swim a little and grab hold of her friends dress, and was saved by her presence of mind.

**SOMETIMES THE MOST CAREFUL WOMEN ARE THE MOST CARELESS.** Many a woman bundles herself up, puts on heavy clothing and wraps and furs to keep out the cold — which she is neglecting the very worst sickness that can come to a woman. She is allowing a slight disorder to grow, to become worse, to slowly and surely sap her vitality. The little pain and the other slight indications of trouble seem to her unimportant. She pays no attention to them. By and by they grow a little worse, but she is used to them then and takes them as a matter of course. By and by they have grown into dragging pains that occasionally put her to bed. Then she knows what is the matter, but she won't go to a doctor because she knows he will insist on "examinations" and "local treatment." She goes on, with increasing suffering, until life itself becomes a drag. Nervousness, "sinking spells," digestive disturbances, and fifty other complications may arise from the same cause. Frequently such symptoms are treated as digestive diseases when the root of the whole matter is the derangement of the organs distinctly feminine. Over thirty years ago, the need for a reliable remedy for so-called "female complaints," was recognized by Dr. R. V. Pierce, then, as now, chief consulting physician to the World's Dispensary and Invalids' Hotel, at Buffalo, N. Y. He prepared Dr. Pierce's Favorite Prescription, the most wonderfully effective remedy that has ever been used for such maladies. Its sale now exceeds the combined sales of all other medicines for women. Its effect is perceptible almost immediately. It relieves pain, allays inflammation, checks debilitating drains, and quickly subdues other distressing symptoms. It makes the organs and their surrounding tissues strong and healthy, thereby correcting displacements and invigorating the whole body.

If you can't talk or write for silver read and mark articles and send them to your neighbors and friends—sixty hot shot for 50c. Cheapest political ammunition in the country. Send a silver quarter or half dollar and try it. The people must be educated and it is your duty to help do this work for humanity.

## WE DON'T WANT GOLD

alone, but we want both gold and silver. There is not gold enough in our country to pay one-twentieth of the debt owing in this country. If you want repudiation advocate the single gold standard. It means contraction of our currency, destruction of values, and repudiation. Investigate and you will be convinced.
