ROBERTS' ARMY STARTS APRIL 2ND

When a General Forward Movement Will Be Inaugurated

FIFTEEN THOUSAND FOREIGN TROOPS ARRIVE TO HELP THE BOERS

Free State Towns Being Garrisoned -- Colonel Pitcher Attacked Upon Evacuating Ladybrand

By Associated Press to the Journal. LONDON, March 29.—April 2 is set by various cables as the probable date of the departure of Lord Roberts' main army from Bloemfontein.

The advance, when it occurs, will probably be made by parallel columns along a broad front. The movements of the cavalry and part of the infantry towards Glen can scarcely be construed as an actual advance. Only a small part of Gatacre's forces have yet arrived at Bloemfontein, and until that movement is completed it is not likely that Roberts will start for Pretoria.

A correspondent of the Times says that the Boer forces have been equipped, and he is convinced that 15,000 foreign troops have been landed to aid the Republics.

COL. PITCHER IS ATTACKED.

By Associated Press to the Journal. LONDON, March 29.—The following is from Roberts: "General Clements occupied Fauresmith today without opposition. Colonel Pitcher, on leaving Ladybrand, was attacked by the enemy. He suffered one wounded and five missing."

STRENGTH OF THE BOER ARMY

By Associated Press to the Journal. LONDON, March 29.—The Bloemfontein correspondent of the Daily Telegraph in a dispatch dated Tuesday, March 27, says: "The latest news is that the Boers have 40,000 men still under arms, of whom 10,000 are in and around the Natal border. Although tents and stores are reaching here, a block on the railway is delaying arrivals from the South considerably. It is asserted that 20,000 Boers are massed at Kroonstad."

GEN. BOTHA MAY SUCCEED JOUBERT

By Associated Press to the Journal. LONDON, March 29.—The Pretoria correspondent of the Daily Mail, telegraphing yesterday, says: "General Joubert died of peritonitis. The funeral will take place tomorrow (Thursday). The government is pleading with the widow to allow a temporary interment here, with a state funeral Joubert always expressed a de-

to be buried in a mausoleum built on his farm. His successor in the chief command will probably be General Louis Botha, now commanding in Natal. Kruger will not take chief command."

LORD ROBERTS' ADVANCE BEGUN

By Associated Press to the Journal. LONDON, March 29.—Lord Roberts has sent 10,000 troops to Glen, ten miles north of Bloemfontein, on the railway. This is a preliminary to the general advance.

Immense quantities of stores have now been accumulated at Bloemfontein. Boer observation parties are hovering near Bloemfontein, but Lord Roberts has 135 miles to cover before reaching the great position which the Boers are preparing at Kroonstad.

Moving ten miles a day is probably the best he can do with field transports. Therefore, he can hardly engage the Boers in force for two weeks. The reconstruction of the railway behind him may even delay an invasion of the Transvaal until May.

Meanwhile all the important towns in the Free State within Lord Roberts' reach are being garrisoned. Thabanchu, Philippolis, Fauresmith and Jagersfontein are thus held.

PAUL KRUGER IS INTERVIEWED.

By Associated Press to the Journal. NEW YORK, March 29.—A World correspondent, who interviewed President Kruger, at Pretoria, February 7, says: "My burghers are fighting bravely," said Kruger, "and will continue until Great Britain asks for peace or withdraws her soldiers. We cannot expect to conquer several hundred thousand men in a day. Even as your forefathers fought against great odds in the Revolutionary war, so are we struggling, and even as God was with your people, so is He with us."

Secretary Reitz told of a series of communications between the President and Salisbury, concerning the prisoners taken by the British at Douglas, and who, although citizens of the Free State, are being tried for high treason. The president sent a cablegram directly to Salisbury demanding that the prisoners be treated only as prisoners of war and stated that if they were executed reprisals would be made. Salisbury replied that if the Pretoria prisoners were injured both Kruger and Steyn would be hanged, Kruger replied "go ahead with your hanging, but remember that your son Lord Edward Cecil is in Mafeking."

REPUBLICAN SLATES

Lieut. Murphy's Nomination Predicted

JUDGE TERRELL'S NAME WILL NOT BE PRESENTED

Three Different Crowds of State-Makers Are at Work For Results

Three different crowds of slate-makers are struggling for control in the county convention. Indications point to a general breaking of combinations, with the changes in favor of the slate announced in THE JOURNAL. County Judge Terrell has withdrawn from the race, as he had undoubtedly been treated out of all chances of success. Lieutenant Murphy, of the Second Oregon regiment, is rapidly gaining strength.

Collector Patterson and Henry Brophy are rallying the McBride forces and hope to land part of the legislative ticket. The anti-McBride men are confident of being able to make the entire legislative slate.

At 10 o'clock there were few delegates in the opera house, but at that hour the place began to fill up, and the floor was soon filled.

There is no getting around the fact that the Marion county Republican delegates are a very good looking crowd of men.

The wonder is that from a gathering of such evident intelligence can come results which are so costly to the very men who make up the gathering. The character and mental capacity of the delegates, but must be looked for in the system which places it in the hands of a few skillful schemers and wire pullers to manipulate the workings of the primary and convention system to accomplish their own private ends.

The convention was called to order at 10:25 by County Chairman Hendricks, General Odell nominated Wm. Waldo for permanent chairman, and on motion of McKinley Mitchell the election was made by acclamation.

Mayor Bishop nominated F. A. Turner for temporary secretary, and this was also made unanimous.

Frank Davey was nominated for assistant secretary. Lon Gosner raised the point that Mr. Davey was not a member of the convention, but this was waived, and he was elected by acclamation.

Following committees were appointed by the chair: On Credentials—E. M. Croshaw and Ed Hirsch, Salem; H. D. Munn and J. S. Richey, Scotts Mills; H. Gibson, Aumsville.

On order of business—John Knight, F. W. Waters, Salem; Chas. Hartman, Scotts Mills; I. Gill, Woodburn; W. L. Simeral, Macleay.

On appointment of delegates to state and national convention—J. H. McNary, E. W. Jones, A. A. Lee, Salem; John Murray, Butteville; J. T. Jones, Jefferson.

On Resolutions—W. H. Odell, J. J. Murphy and M. W. Hunt, Salem; H. H. Keene, Jr., Stayton; W. S. Hurst, Aurora.

An permanent organization—Til Ford, E. M. Lalore, Salem; J. B. Louey, Jefferson.

The convention then took a recess until 1 o'clock.

There are 250 delegates in the convention and the 10 Salem precincts have 101 delegates. On the five committees Pa. on get 12 out of 23 members. The chairmanship of all five committees and a majority of the three most important committees fell to Salem.

AFTERNOON SESSION. The stage had been decorated with two large American flags hung across the back ground.

Chairman Waldo called the convention to order at 1:10.

Committee on credentials reported showing nearly every delegate to be present, every few being represented by proxy.

Committee on permanent organization recommended that the temporary officers be made permanent. Adopted. Waldo made a few remarks and brought down the house by saying that he would discharge his duties as in-

GATCH FOR CONGRESS. On motion of Tilman Ford, the delegates to the congressional convention were unanimously instructed to use all honorable means to secure the nomination of Hon. Claud H. Gatch for congress.

He came to the stage and made a glowing and flowery speech, reviewing the country from the early days. He aroused much applause, talking explication, protection and sound money. Wherever the flag goes American institutions must go with it. He wanted to see conscience not commercialism prevail in the Puerto Rico matter. PUERTO RICO TARIFF SUSTAINED.

By Associated Press to the Journal. WASHINGTON, March 29.—Conference report on the diplomatic and consular appropriation bill has been agreed to in the senate. Consideration to the Puerto Rican tariff and government bill was resumed. Beveridge addresses the senate in support of a proposition for free trade between the United States and Puerto Rico.

Pettus moved to strike out the provision for a 15 per cent tariff. Motion defeated by 15 to 31.

When consideration of the army appropriation bill was resumed, MacRae attempted to secure an amendment to the provision giving officers and men serving beyond the limits of the United States 10 and 20 per cent, respectively, extra pay. The paragraph to which the amendment would have been pertinent had been passed, and Hall refused to return to it.

COEUR D'ALENE COMMENTARIES

By Associated Press to the Journal. WASHINGTON, March 29.—At the Coeur d'Alene investigation today, Governor Steunenberg was questioned as to the petition from the Coeur d'Alene district, asking the secretary of war to retain the federal troops there. The petition has not yet been presented to the federal authorities, and the committee went into executive session to determine what to do with the document.

The committee decided to file the petition from the Coeur d'Alene with the secretary of war, and in the meantime it will not be made public.

For Justice of the Peace. The suggestion heretofore made of the fitness of John Reynolds for justice of the peace has certainly met with very flattering consideration by his many friends, and his friends claim that his nomination for that office would not only be an honor to a deserving and upright citizen, but would insure to the people a competent justice of the peace for Salem district.

Special Notice. Silver Bell Circle, No. 43, Women of Woodcraft will entertain their friends tomorrow night at State Insurance Hall. Literary program and whist, two prizes. Present your invitations at the door. Let all attend and have a good time.
