The Holliness people gave Salemites an innovation Sunday afternoon, when they invaded the tenderloin district on Front street, and held a meeting at the corner of Ferry for the inmates

of the various houses in that vicinity. Several sermons were delivered on the immorality of the human race, and the speakers told more truth than poetry during their discourses. Quite a crowd of the curious congregated to listen, and they were repaid for their trouble if they followed the thread of the argument. One speaker said that he knew of hundreds of men who bragged on the number of young girls and women that had been ruined through their connivance, and the girls were perhaps leading lives of shame, while the men were pets of society and lions of the social sets. The truth does not always sound well, but the little talks of the Holliness band bordered on actual facts, and many were heard to remark that if more ministers expounded along these lines much good would result.

Save the Birds.

The frequent sight of a man or boy out with a small rifle shooting song birds is causing pain to bird lovers, and they will be pleased to know that State Game Warden Baker has prepared linen posters that warn against violating the laws, and cite the state and federal statutes against killing song birds, ocean birds and weed-seed eating birds of all kinds. These posters request the public to report any killing of birds to the bird protection societies, and to the officers of the law.

JAPS PLAY BALL

Doughty Little Section Men Buy Balls, Bats and Other Sporting Goods

The Japanese are going to be Yankees, if there is any way to accomplish that much-coveted point, and their latest move in line is the purchase of a supply of baseball goods.

The little brown men are hard at work on the common near the depot, and expect to become proficient in the art of ball tossing. It is a circus to watch their antics while practicing, but several of the younger men handle the ball as well as the average American who does not follow that for a living.

One of the "Browns," not Portland, however, said that before the summer was over he expected they would be far enough advanced to issue a challenge to some amateur team, and if it materializes it would certainly draw a crowd.

Card of Thanks

The undersigned wish to thank their friends and neighbors for the many favors and courtesies extended them during the recent illness and burial of their daughter, Lizzie Bouilliard. They wish also to especially thank the friends for the many flowers, and the asylum choir for their beautiful music at the funeral.

MRS. F. X. BOUILLIARD AND FAMILY.

Do It Today.

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advise we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.

Account of the Oregon State Baseball League, the Southern Pacific Co. will sell special round-trip tickets between Salem, Eugene and Roseburg. Rate—one and one-third fare for the round trip. JUST IN TIME.

A motorman in Chicago ran his car into the approach of an open bridge but stopped it with the fender actually overhanging the gulf below. He wouldn't want to repeat the experiment because the chances are that he'd never again have the same good fortune.

Once in a while some one who has traveled to the very edge of the danger line of stomach disease stops just in time to save his health. But the majority of people go across the line, and slight symptoms of indigestion grow to disease of the stomach, involving the other organs of digestion and nutrition. Indigestion and other forms of stomach "trouble" are perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the whole body by enabling the perfect digestion and assimilation of food.

\$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"I have been suffering for about eight years," writes Mr. H. Pierce, of Mill-springs, Ky. "I have had several doctors to treat me—some for female weakness and others for stomach trouble, but received no relief. When I wrote you for advice I was hardly able to work, and you advised me what to do. I took nine bottles, five of 'Golden Medical Discovery,' four of 'Favorite Prescription,' also two vials of the 'Pellets.' Dr. Pierce's medicines will do all that you claim for them. Believe I would have been in my grave if I had not taken them."

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
