BEER PROMOTES TEMPERANCE

Recognized as a Food Product, and So Dealt With by the Government

It is being recognized the world over that the drinking of beer promotes temperance and sobriety to a far greater extent than all the prohibition laws on the statute books. All enlightened European nations are encouraging the manufacture and consumption of light beers containing about three and one-half per cent alcohol, and the result has been most gratifying to all sincere lovers of temperance. The United States government has taken a positive stand in this direction, the war department holding that the re-establishing of the army canteen for the sale of beer being an absolute necessity in the interest of temperance and sobriety. Beer is today recognized as a "Food Product," and is so dealt with by the government. All the great insurance companies have contradicted the lies that have been given currency through prohibition sources that the drinking of beer was a bar to securing insurance, and have lately published to the world at large the statement that those drinking beer moderately (not more than two quarts during two or three hours) were the very best of risks. The latest British life insurance reports show that the ratio of death rate among abstainers is thirty per cent greater than among moderate drinkers. Beer is pure and wholesome, and the day is not far distant when it will be as much a part of the daily subsistence of every family as cow milk, bread and other food necessities. The beer brewed by the Salem Brewery Association is in every sense the very best that modern enterprise can produce. It speaks for itself and is its own best advertisement.

FIRST SERIOUS SIGNS

Of Kidney Trouble Are Generally In -the Back Says Authority

Recent hospital reports show that the dread disease, rheumatism, is steadily increasing throughout the country. All known means of relief are being suggested to save the great amount of suffering this winter, especially among those who are not in a position to jack up and visit the noted health resorts to be treated. Recent tests prove rheumatism not exactly a disease in itself, but a severe symptom of kidney trouble, a condition caused by clogged up pores of the eliminative tissues in the kidneys which fail to filter the poisonous waste matter and uric acid from the blood, permitting these substances to remain in the veins and decompose, usually settling about the joints and muscles, causing the intense pain, swelling and stiffness of rheumatism.

A well-known specialist who has probably treated more cases of rheumatism than anyone else, and who is also the most successful, gives the following simple treatment, which is harmless and inexpensive, and so simple that anybody can mix it at home.

The ingredients are: Fluid extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Go to any good prescription pharmacy and get these three vegetable ingredients and mix them by shaking in a bottle, taking as a dose a teaspoonful after each meal and again at bedtime.

There is nothing better in the world for backache, kidney and bladder trouble, too. Such symptoms as frequent and painful urination, soreness, weakness, general and nervous debility are caused by certain acids and poisonous waste matter, decayed tissue, etc., in the blood, which the kidneys will clear and purify after a few doses of this prescription.

Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Me., speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alternative tonic is sold under guarantee at J. C. Perry's drug store; 50c.

SOCIAL GOSSIP

Observed Eightieth Birthday.

Capt. D. C. Howard and wife entertained a party of friends in honor of the eightieth anniversary of his birthday at their home, 504 North Fourteenth street, on last Tuesday. A splendid chicken dinner was served in the basement dining room, while in the parlor resounded merry music on the piano dulcimer by Jos. Robertson, who has carried that instrument through several floods and shipwrecks. When he struck up the "Soldiers Joy," Captain Howard executed the Sollers Hornpipe in a manner that he would have been called down for, if there had been a minister present. As he took his youngest grandchild through the mazes of the dance no one would have thought he had fought with Sherman at Vicksburg. In the battle of the Wilderness and been with Grant to the conclusion of the war, and able to boast of what few men in the United States can say, that he has 38 grandchildren and 21 great-grand-children. After the feasting Capt. Howard recited "The Charge on Vicksburg," and Mrs. Howard who is a native of the land of Burns recited the "Address to a Mouse," and "Tam O'Shanter." Those present were Jos. Howard, Mr. and Mrs. S. E. Howard, Mr. and Mrs. Walker of Michigan, Mr. and Mrs. R. R. Ryan, Geo. E. Lewis and daughter, Mrs. T. H. Gilbert, Mrs. Phillips of Cottage Grove, and Mrs. Driver of Albany, Mr. and Mrs. E. Hofer. The guests wished the venerable captain and his good wife many happy returns of the day.

Society Skating Party.

Miss Alice Myers, one of Salem's most popular young ladies, entertained with a skating party at the Auditorium rink last Monday evening. The affair was a brilliant success, largely attended. The spacious rink was beautifully decorated with Oregon grape, entwined with ivy. About fifty pillows, artistically arranged, formed a cosy corner at one end, while another corner was profusely decorated with Japanese lanterns to resemble a Japanese room. About one hundred guests took part in the skating, and as many more enjoyed themselves by card playing or watching the skaters. The ladies were charmingly attired in light, summer costumes. Three of Salem's expert skaters, the Misses Eugenia Bell, Emma Kline and Hazel Erickson, glided like little fairies among the gay throng and distributed programs. Miss Ryth Gatch served punch from the Japanese room. McElroy's orchestra played throughout the evening.

Surprise for Departing.

Thursday evening about thirty of the employees of Joseph Meyers & Sons dry goods house gave a surprise to Mr. and Mrs. Whit Holman at their residence, 346 North Front street. About 6 o'clock the party reached the house, and Mr. Holman had not arrived. They were equipped with materials for a feast, and asked Mrs. Holman to stand aside while some of the ladies of the party spread the refreshments, and were ready for Mr. Holman when he arrived, having been detained by several of the conspirators. After the supper was enjoyed and a good social time was had, Mr. Walter A. Denton as spokesman presented Mr. Holman with a beautiful gold-mounted meerschaum pipe. He was too completely taken off his feet to land on terra firma for awhile, and it was some time before he could muster enough words to make suitable reply. Mr. Holman left yesterday for a position at Portland with the Florsheim Shoe Co. He has been an employe with Jos. Meyers & Sons for the past seven years and will be succeeded for the present by J. Laud Hamilton. His work has been master mechanic and advertising writer.

Modern Woodmen Band.

Salem camp of Modern Woodmen has organized a brass band of 30 pieces, which promises to soon take its place among the first musical organizations of the city.

The instrumentation of the band consists of six cornets, eight clarinets, four saxophones, five trombones, two basses, two snare drums, one bass drum, two basses and three altos. R. G. Hunter, the manager of the new organization, as well as the members of the local lodge, are to be congratulated for getting such an excellent combination together.

Louise Stringer, the man who manipulates the double bass, is the owner of the largest horn in Oregon, if not the largest in the Northwest. The instrument cost \$300, and is a valuable acquisition to a musical organization of this size. The band has rented the hall over
