Home of "THE BIG RED APPLE"

NO subject connected with the development of the West is attracting more attention than the great profits Oregon apple growers are making. Other states produce far more apples than Oregon, but Oregon leads the world, according to the largest dealers in apples in this country, in quality of product and high prices received for same. Oregon is a great apple state, and Salem (the Willamette Valley) is the original home of the big red apple that is making a stir throughout the world.

The largest producing apple orchard in Oregon is located near Salem, the vicinity of which is also noted for its prunes, cherries, hops and small fruits.

Salem is the center of Oregon's prune industry, Oregon producing 90 per cent of the "Italian" prunes grown in this country. Salem is the center of Oregon's hop industry, and Oregon produces 40 per cent of the hops grown in the United States. Salem is known as the "Cherry City of the World," the Willamette Valley, of which Salem is the center, originating more commercial varieties of cherries than any other section of this country.

If you are interested in fruit growing, dairying, poultry raising, manufacturing possibilities, or general farming you make a big mistake if you overlook Salem. Salem is the capital city of Oregon—a vigorous, beautiful, progressive community. Write to-day for more information about Salem. Address Secretary, Board of Trade, and mention that you saw this advertisement in SUNSET Magazine.

NOTE—This advertisement was prepared for the Salem Board of Trade by the Sunset Homeseekers Bureau, Portland, Oregon. It will appear in August Sunset. This service is rendered in connection with the Co-operative Community plan of the Oregon Railroad & Navigation Co.

FLORENCE NIGHTINGALE AND HER OLD ORDERLY, DEAD

[UNITED PRESS LEASED WIRE.]
London, Aug. 15.—Florence Nightingale, heroine of the Crimean war, died today at her London home. She will be buried at Westminster Abbey. She will be borne to her sepulchre in state, escorted by a great military cortege. This is contrary to her last request. Miss Nightingale wished her funeral to be simple, but the soldiers of the British army are petitioning that it be made a pageant.

Miss Nightingale died Saturday afternoon at her London home. As a sequel to the death of the "Queen of Nurses," John Finigan, her orderly during the Crimean war, died today. Thousands of telegrams of condolence are pouring in, expressing regret at the death of England's heroine. The king sent a personal representative to express the grief of the royal family.

GOVERNOR CALLS OUT THE TROOPS

RIOTING BECOMES FIERCE AND
ATTEMPT IS MADE TO DYNAMITE
THE COMPANY BARN ON
HIGH STREET—NINE PERSONS
INJURED.

[UNITED PRESS LEASED WIRE.]
Columbus, O., Aug. 15.—Governor Harmon today ordered the First regiment Ohio national guard of Cincinnati and troops of cavalry and a battery of artillery into Columbus for riot duty.

The governor's order follows rioting last night which is the worst in the history of the street car strike here. Cars in many sections of the city were dynamited and the police are unable to maintain order.

An attempt was made to dynamite the High-street barns. Nine persons were injured during the rioting, 25 riot calls were sent in and 31 persons were arrested. Eight policemen revolted against orders to ride on the cars manned by strikebreakers.

Negotiations for the settlement of the strike were practically suspended today. The mayor advised the company to suspend its service at sundown.

The chamber of commerce opposed the advice of the mayor, claiming that the authorities should not "temporize with lawlessness."

The troops were called on the initiative of the governor, Mayor Marshall not asking for soldiers. The governor concluded that the mayor was not able to handle the situation.

General John C. Sparks is in command. If the troops now ordered out are not sufficient to control the situation it is probable that others will be summoned and martial law declared.

NEBRASKA CAPITAL HOLDING PRIMARIES

Lincoln, Neb., Aug. 15.—With local option the chief issue at the statewide primaries tomorrow, it is expected that a heavy vote will be polled. The endorsement for the United States senatorship and the gubernatorial nominations are the important contests. The local option question is playing a big part in the gubernatorial fight.

The "drys" are backing Governor Shallenberger (Dem.), while the "wets" are behind Mayor Dahlman of Omaha, candidate for the Democratic nomination.

Senator Burkett is opposed for re-nomination by Charles O. Whedon, radical. Whedon was forced on account of the illness and death of his wife to retire from the whirlwind campaign he was making. Republican leaders predict that Burkett will win.

William J. Bryan is not playing an important part in the fight but is behind the option movement and the result of the vote in that regard will, it is considered, be a test of his strength in the state.

The primary ballot will be "open" and Republicans will be able to support Democratic candidates. Dahlman claims that thousands of Republicans who are against the option idea will vote for him and that he will easily defeat Shallenberger.

Congressman Gilbert M. Hitchcock and Richard L. Melcalk, editor of Bryan's "Commoner," are the Democratic candidates for the endorsement for senator. The "wets" are supporting Hitchcock.

ONE FOREST FIRE IS FINALLY UNDER CONTROL

[UNITED PRESS LEASED WIRE.]
Dayton, Wash., Aug. 15.—After burning over 700 acres of valuable timber the forest fires in the Wenaha national reserve 30 miles east of here have been brought under control, according to information brought to town today by John Churchill and Jake Kenall.

Men are still guarding over the burned area to prevent a rekindling of the blaze but the threatening danger is past. It is probable that 5,000,000 to 10,000,000 feet of tamarack and pine has been destroyed by this, the most destructive fire in recent years in this locality. Headquarters have been established at Teal's Place on Asotin Creek.

SECOND INQUEST HELD ON BODY OF MRS. CRIPPEN

[UNITED PRESS LEASED WIRE.]
London, Aug. 15.—Owing to the death of Coroner Thomas, it was found necessary today to re-hear the preliminary testimony in the inquest into the death of a woman believed to have been Mrs. Belle Elmore-Crippen.

Experts testified that the woman, in life, was of Mrs. Crippen's size and that she had died after a surgical operation.

After three hours of testimony Deputy Coroner Schroder adjourned further hearings until September 9 at the request of Solicitor Newton, representing Dr. H. H. Crippen, accused of his wife's murder.

Solicitor Williamson represented the prosecution and Solicitor J. H. Watts acted in behalf of Miss Ethel Clare Leneve, who fled to Canada with the accused man.

FOURTEEN BURIED BY CAVING WALL

Toronto, Ont., Aug. 15.—Fourteen men are known to be dead and fifty 50 are buried under a fallen concrete wall at Messina, N. Y., according to a despatch received here today. Frantic rescuers are trying to tear away the ruins and save those imprisoned beneath.

The men who were killed were working on the wall, which was intended as the foundation for a power house. Without warning the wall gave way, pitching forward on the workmen. A score of injured have been taken to Cornwall, Ont., and Ogdensburg, N. Y. It is believed that fully 50 men are still under the tons of concrete.

LOST HIS LIFE IN EFFORT TO SAVE WOMAN

Venice, Cal., Aug. 15.—John S. Ridgeway, of Los Angeles, was drowned in the surf today while attempting to save Miss Bertha Harknell of Pasadena, who had ventured out too far from shore.

Miss Harknell had been swimming with Frank Short, an attorney of Fresno, for some time. Suddenly both felt themselves being carried out to sea by a strong current. Miss Harknell began to lose strength and Short, fearing that he could not rescue her alone, swam to shore and appealed to Ridgeway for aid. Ridgeway jumped into the surf but was drowned before reaching the girl.

Another bystander then went into the water and rescued Miss Harknell as she was sinking.

WANTS TO KNOW WHEN BOOKS WERE DESTROYED

Chicago, Aug. 15.—In an effort to ascertain whether certain stenographic books of the Armour Packing company were destroyed before or after the federal grand jury asked for them, Judge K. M. Landis today ordered Attorney Union and three heads of departments of the company to appear before him at 3 o'clock this afternoon to be questioned.

Beside Union, Assistant Office Manager William A. W. Shaw and W. A. Helander will go to court. Union claims that the books were destroyed before the grand jury asked for them. The government claims it has witnesses to prove the contrary.

ARE YOU

aware of what you are spending for stockings? Not many people do from the fact that as soon as a pair gives out (and its pretty often) they buy another.

If you had kept accurate account you would be surprised at the amount you had spent—and disgusted with what you had got in return.

Now, the first outlay for six pairs of Holeproof may seem large, but consider you are "stocked" at least for six months to come and probably much longer.

And what's more important—absolutely no mending. Can you afford to ignore these facts and buy any "other kind?"

Men's coat 25c pair or 6 for \$1.50; guaranteed for six months.

Women's 35c and 50c pair, or \$2.00 and \$3.00 a box of 6 pairs; guaranteed for six months.

Children's, in black, 35c pair, or 6 for \$2.00; guaranteed for 6 months.

Other stores sell "other hose," but there's just one store that sells Holeproof, and that is
