For the benefit of the large number of shoppers using The Capital Journal as a medium in which to find exceptional purchasing opportunities, this paper offers the following inducement to its readers and friends to carefully read the advertisements of the progressive stores on this page.

A grand prize of \$50.00 in cash will be given to the individual or any form of organization or institution turning in the greatest amount of money shown on the cash checks or receipts and monthly bills secured at any of the stores on this page.

To the candidate securing the next largest amount, \$25 in cash.

To the third, \$15 in cash.

To the fourth, \$10 in cash.

EXPLANATION

To secure votes in The Capital Journal's Refund Bargain Contest make your purchases at the stores advertising on this page, and call for a sales check for every purchase made.

Turn these checks into The Capital Journal's office, where votes will be given for the amount shown on each check. Five votes will be given for each five cents shown on the cash check, receipt or monthly bill. This vote is to be deposited in the voting box at this office. Sales checks must represent cash purchases. All cash checks and monthly bills must be turned into this office within ten days of the purchase date.

Every contestant entering the contest is entitled to one nominating coupon good for 1000 votes. The only exception to contestants entering the Bargain Contest are employees of this office or the stores advertising on this page.

Watch for the standing of contestants, which will be published elsewhere in this paper daily. The Refund Bargain page appears Tuesday and Friday for a period of ten weeks, ending July 21.
