

University functions of the past week have all centered around the festive occasion of last Saturday evening when the annual Freshman Glee occurred in the university chapel.

On its long glittered the words "Willamette" in bold letters of gold. Life was given the back and side walls of the platform by large panels of green boughs, bringing out with pleasing effect the large vases of wild currant branches placed in the foreground.

The two large pillars in the center were the excuse for a befitting pain effect of Roosevelt terms supported by a moss rack arranged over the center of the pillars. Pennants representing the four college classes adorned the side walls surrounded by a wealth of green, brought out with concealed lights whose radiance was transmitted by cleverly hidden reflectors.

In keeping with the footlight effect of the stage was a series of colored lights, arranged along the massive beam in the center of the ceiling. An abundance of fir boughs furnished a pleasing background for these miniature lamps. A final surprise came when Dean Mendenhall after making remarks preliminary to presenting the glee pennant to the winning class, pulled a concealed string which caused the enormous banner to slowly unroll from behind the monster cardinal valance where it had been hidden during the contest.

A most pleasing and fitting climax to the evening's entertainment was secured when the Freshman winners of the glee, rendered the song a second time with the immense pennant supported by the first line of girls forming an artistic frontispiece.

The residence of Dr. R. N. Avison on State street, was the scene of much jollification Saturday evening when Miss Genevieve, president of the Sophomore class of the University, entertained the class following the Freshman Glee at the university.

The junior class of the university held a jollification following the glee Saturday evening at the Plumer residence on Fourteenth street, Miss Esther entertaining her classmates. Games and songs furnished the evening entertainment and all departed at a late hour declaring the last glee of their college day the best in which they had been privileged to participate.

The question of "who stole our cuts?" furnished considerable amusement and excitement for the university junior when they met at the Public Freshman Glee Saturday evening, Paul Todd being the host.

In celebration of their victory at the glee contest Saturday evening the

freshman class of the university adjourned to the Spa where they proceeded to take charge of things and give vent to their enthusiasm at having been successful in the contest. Following a course of the Spa's choicest refreshments songs and yells prevailed and several members of the class were called on for short talks.

Mrs. Arthur MacKenzie entertained in her honor yesterday with an Orpheum theater party, followed by tea at the Portland hotel—Sunday, Oregonian. Miss Gillespie is well known in Salem, where she is often entertained. Friday evening Miss Marjorie Marvin gave a dinner for her in this city, when covers were laid for seven, including the hostess and honor guest. Others asked were: Miss Althea Moores, and Miss Ellen Thielsen, and Messrs. Ralph Moores, Carl Gabrielsen, and James Young.

Mrs. Seba Case Wall went to Portland Saturday evening for a week end visit.

The piano recital given by the pupils of Mrs. W. A. Deaton last Thursday evening at her studio, 148 North Twelfth street, was one of the best ever given among the long list of excellent ones by this well-known teacher. The rooms were beautifully decorated with cut flowers for the occasion. The cut with ferns for the bridegroom—program throughout met with a most cordial reception from the many parents and guests present. Miss Clara Britenstein showed a mastery of technique and exception brilliancy. Miss Grace McCall played with fine expression, as did Angus Fraser, who was honored. Miss Beatrice Walton and Miss Mildred Bruuk showed marked ability and the work of Miss Barbara Steiner was notable in technique and expression. Miss Thelma Bessing showed splendid musical ability, and by request gave the "Rosary" which she rendered with deep feeling and expression. Miss Venita McKinney gave Paulding's Rauschen by Strindberg, in a most creditable manner.

About 50 of the pupils of Professor Ralph Harr, teacher of the piano, met at the home of Mrs. P. G. Bagher Friday evening to participate in an enjoyable recital. The class is composed of pupils of all ages ranging from six years and upwards, who, in their every movement displayed great talent along musical lines. WIFE OF PASTOR SCHUNKE IS LAID TO REST IN SALEM.

Funeral services were held at the German Baptist church at the corner of North Cottage and D streets yesterday afternoon at 2 o'clock over the remains of Mrs. John Schunke and the Rev. P. Kratt, of Portland officiated. The remains were laid to rest in Lee Mission cemetery.

The passing of Mrs. Schunke deprives the city of one of the most kindly and Christian women. She was born in Germany and was 66 years of age. Mrs. Schunke and her husband and children have resided in this city for eight years and during that time have made a wide circle of friends who will grieve to learn of Mrs. Schunke's sudden and unexpected death.

The deceased has always been active in church affairs and was highly esteemed by the members and friends of the German Baptist church here. Besides a husband, who is the pastor of the German Baptist church of Salem, Mrs. Schunke leaves the following children: T. B. of Seattle; Edward, of Salem, sons, and Mrs. Albert May of this city, and Mrs. Frank Orthoner of Dallas, daughters.

EATON GIVES FINE TALK MAN WHO PRESENTED WILLAMETTE UNIVERSITY WITH HALL SPEAKS TO STUDENTS.

Hon. A. E. Eaton who presented Willamette University with Eaton hall some years ago made his annual visit to the university this morning, speaking to the students at the chapel service.

Mr. Eaton is now nearing his 80th birthday but in spite of this fact is extremely active and addressed the student body with as much vim as any speaker who has appeared on the chapel platform this year. He possesses a marvelous vocabulary and his picturesque phrases and manner of delivery made a strong impression on the students.

The decorations which were up for the Freshman Glee Saturday evening were still in evidence this morning and upon receiving a compliment from Dr. Eaton, the freshmen decided to sing their song which won the glee, for him. They were followed in turn by the other classes. The sophomores, who received fourth place in the glee Saturday evening all appeared with a strip of black crepe around their arms when their turn to sing came. Dr. Eaton will spend the rest of the day on the campus, visiting the buildings and the grounds.

WILL NOT ATTACK WILSON.

Washington, March 30.—The belief was growing this afternoon that Speaker Clark will not attack President Wilson when he speaks against the canal tolls repeal resolution. Either Representative Adamson and Representative Covington will reply to Clark, and they intimated this afternoon that it depended entirely upon the speaker's address whether there would be peace or war.

MANAGER OF SACRAMENTO TEAM GIVES OUT STATEMENT PREDICTING GOOD SEASON.

Sacramento, March 30.—On the eve of the opening game in the Coast league pennant race Harry Wolverton, manager of the Sacramento team, made the following statement:

"From the time I took charge of the Sacramento club my efforts have been directed toward getting a well balanced ball team. I was not satisfied with the team last season, and at that we finished in second place. This year we have a well balanced team, stronger in hitting and stronger back of the plate. We are going to show the Coast league fans some real baseball from the tap of the gong. Take it from me, the boys will be up on their toes all the time. I'm not saying we'll win the pennant, but just the same it wouldn't surprise me a bit if the Senators copped the flag. I think the other Coast league teams are stronger than they were last season and it will be a hot fight all the way through."

The Senators line up for the opening game will be: Shinn, rf, Young, ss, Forrest 2b, Tennant 1b, Moran cf, Schweitzer lf, Hallinan 3b, Haensch c, Klawitter or Stroud p.

Buckley remained over, however, to tell the newspaper men about how his charge would turn out the champion.

"That beating Ritchie gave Wolgast in Milwaukee a couple of weeks ago, is not bothering Tommy a bit," said Buckley. "Didn't my boy give Ad two 20-round beatings right here in San Francisco?"

## FORMER WHITE SOX MAN WILL PLAY WITH OAKLAND.

San Francisco, March 30.—Pitchee Prough, of the Chicago White Sox, will wear an Oakland uniform this year, having been purchased by the Oaks' management, doubtless in exchange for Buck O'Brien. Prough is a twirler of record and attainments and led the Southern league last year. Prough will go with the team to Los Angeles.

Devlin is not certain who he will send to pitch the opening game. Prough, of course, could not be sent in on the opening day, as he is not familiar with the players on the Oaks team nor is he familiar with the signals, etc.

The players Manager Devlin will take south with him tonight, are: Outfielders Coy, Kaylor, Zaehner, Middleton, and Quinan; Infielders Ness, Cook, Guest, and Helling; Catchers Arbogast, Alexander and Mitzo, and Pitchers Pruitt, Geyer, Malarkie, Starkcamp, Killip, Loomis, Keeling, Ramsey, Prough and Christian.

## MULTNOMAH DEMOCRAT ANXIOUS TO GO TO CONGRESS

The Baker baseball aggregation was out on the Fairmont ball park yesterday afternoon passing the pill about. A good-sized audience collected upon seeing the uniformed players on the field and for a time some real playing was expected. The team was only practicing, however.

Dr. C. J. Stewart has been re-elected athletic director of the Oregon Agricultural college. Stewart handled the football team last year, in addition to his duties as athletic director, and unprejudiced people thought he made good. There was severe criticism in some quarters, however, and charges have been made that he holds the theory that the end justifies the means when it comes to securing a winning team. His re-election is a pretty good indication that there was nothing to the talk, which appeared mostly in a Portland evening paper not very friendly to O. A. C.

"Eube" Marquard has been doing some fine flinging for the Giants on the spring trip.

Outfielder Chappell has proved to be the heaviest hitter among the White Sox in the games on the Pacific coast.

List of Those on Committees Who Are Working Hard to Make Event Successful in Every Particular.

With dates for the "Cherrian Cherringo" definitely fixed for April 24 and 25, the big aggregation of boosters is losing no time in putting on the finishing touches to the program which is to extend over two days at the armory. Not only is it their plan to give a performance sufficiently creditable that it will prove an advertisement in itself for the Cherry City, but the present plans are to replenish the treasury sufficiently to enable them to take the Salem band to the Panama Pacific Exposition, and to make it possible to take an active part in the Portland Rose festival. Invitations have been extended to the Rosarians of Portland, and the Balliators of Eugene to attend in a body.

Among the things planned in music will be the presence of Willamette University, and High School bands, and the Glee clubs from O. A. C., Willamette and Oregon Universities. There will be vaudeville and minstrel shows and hosts of things not yet announced to the public.

The committees announced are as follows: Grand chairman, Joseph R. Reinhart; Advertising committee, C. B. Cross, chairman, R. C. Bishop and F. H. Spears. Free Show Committee—Carl Gabrielsen, chairman, S. A. Barton, W. C. Dyer. Concession Committee—William Lercher, R. B. Houston, F. S. Bynon. Gambling committee—William Lercher, chairman, J. E. ## APPROACHES TO BRIDGE.

Portland, March 30.—With but one dissenting vote the interstate bridge commission this afternoon chose Union avenue in Portland and Washington street in Vancouver as the sites for the approaches of the bridge to be built over the Columbia river connecting Oregon and Washington. Governor West was not present in person but telegraphed asking that his vote be recorded with the majority on the subject.
