

PLAN BIG RECEPTION FOR OREGON AGGIES

Football and Other Sport News From All Sections of the Country

FOR CONQUERING HEROES

Portland, Ore., Nov. 1.—One of the greatest receptions a northwestern football team ever received is being planned today for the Oregon Aggies when they arrive here Wednesday from East Lansing where they so decisively defeated the Michigan Aggies Saturday.

The boys will be met at the station, escorted like conquering heroes to their hotel and later dined and fettered at a chamber of commerce luncheon.

The victory of the Aggies has the alumni club working overtime. Practically everyone predicted that they would be soundly drubbed. Now all are loudly explaining how they came to do it.

Washington Team Chesty

Seattle, Wash., Nov. 1.—"It means that we have been beating teams that are as good as Harvard and Yale and getting no credit for it," was the comment today of Coach Gilmour Dobie of the University of Washington football team, who has won seven consecutive conference championships, with regard to the astonishing 20 to 0 victory of the Oregon Aggies over the famous Michigan Aggies Saturday.

"That victory should establish beyond a doubt the fact that the brand of football in the northwest is just as good as that of the middle west or the east."

"The Oregon Aggies already have been defeated 29 to 0 by Washington State and yet were able to completely outclass a team that is without doubt equal to any in the middle west. Do you know how it was possible? Because they have been defeated so badly before they went east."

"Syracuse comes out here early in December and it would not surprise me to see them defeated also."

It is doubtful if Washington State will be substituted on the schedule of the University of Washington for the Colorado university Thanksgiving day game, as a contract has been signed with Colorado. Sentiment in Seattle favors strongly the cancellation of the Colorado contest in view of the decisive defeats suffered by the Rocky mountain team. The University of Washington team, while a little slow, has as much power as any team Dobie has developed here and critics who have watched both teams in action recently predict an easy victory for the University of Washington over California. The Californians simply do not know enough about football and Dobie's giants are veterans.

Announcement that the Michigan Aggies will meet O. A. C. on the coast next October was well received here.

"There is absolutely no chance of Washington State being substituted for the Colorado university game here Thanksgiving day," said Coach Dobie today. "We have been beating Washington State for seven years. Let them go get a reputation. Colorado may have slipped up once or twice, but they'll bring a high class team here and we'll have all the trouble in the world beating them. They play good football over in the Rocky mountain conference and Colorado has a big fast team. They lost because they tried to win on last season's reputation but they'll get over that idea by Thanksgiving day."

This statement knocks on the head the proposition to abrogate the contract for a Turkey day game here between Washington and Colorado and substitute Washington State.

Colgate is a Corner

New York, Nov. 1.—Colgate's record on the gridiron this year was conceded today to equal the achievements of Cornell, Princeton or Pitt, claimants for the eastern football championship.

Colgate's decisive defeat of Yale, the second in two years makes it a potent factor. The splendid attack and defensive of the Hamilton college completely bewildered the Elis. It is evident that nothing short of a miracle will give Yale even a slight chance with Princeton or Harvard.

Colgate met a stronger team in Yale, however, than Princeton did in Williams or Cornell in Virginia Poly.

Harvard's "come back" Saturday after being beaten by Cornell the previous Saturday points to an interesting game when the crimson tackles Princeton next Saturday. The eastern football situation will be considerably cleared up with either Harvard or Princeton out of the running. Harvard's showing indicates that she still possesses much of her old skill.

Some Advance Dops

Chicago, Nov. 1.—The Big Nine football conference eleven will mark time next Saturday while Michigan and Cornell are clashing at Ann Arbor in the only big game of the day in the west.

On the farm shown this year, Cornell is expected to have very little difficulty overwhelming the Wolverines. Coach Vost's squad has been defeated for two weeks in succession, first by the Michigan Aggies and then by Syracuse. Cornell's recent defeat of Harvard stamps the Ithaca eleven as one of the greatest in the country.

Critical games in the Big Nine conference will come November 13, when Chicago meets Minnesota and Illinois clashes with Wisconsin. The outcome will almost certainly decide the conference championship.

Everywhere throughout the central west today rang the praises of the Oregon Aggies. It was pointed out by critics that if the Oregon conquerors of the powerful Michigan Aggies were defeated by Washington State college, football in the northwest must have reached a higher stage of development than in the central west.

Big Row in Yale

New Haven, Conn., Nov. 1.—The football situation here is tense today following reports that Captain Wilson of the Yale eleven and Coach Hinkley have been in a constant clash since the defeat of Virginia administered to Yale. In some quarters it was rumored Hinkley had decided to resign; in others that he would stay and fight it out. Neither Wilson, it is said, has summoned Tom Shevlin to take charge of the squad.

"I may have some announcements to make in a few days," he said.

Willard Wants to Fight

New Orleans, La., Nov. 1.—Champion Jess Willard today had before him several offers of matches, including a bout here and one in New Haven. The champion declared today he is through with slow work for the present, and is considering who his first opponent will be. It is admitted that Frank Moran probably is the most logical candidate.

Western Football Games

University of Idaho, Moscow, Nov. 1.—Washington State college's fast eleven played true form in the annual Idaho-Pullman game staged here Saturday, completely outclassing Coach Rademacher's eleven and winning, 41 to 0.

The Idaho line was ripped to shreds by Dietz' big backs, who tore through for long and consistent gains.

The Washington bright lights shined the ball over for their first touchdown in six minutes by the line-bucking route and their five others were hinged up by the same tactics. The winners steered clear of the open game almost altogether and relied on the plunging of Banks, Dietz and Doane for their gains. Bangs was the particular star of the game. He made from five to 20 yards every time he packed the pigskin and was a Moose on the defensive.

Pacific Stronger.

Albany, Ore., Nov. 1.—With Pacific putting up her best all-around game, while Albany was weak at several points, the former won a 7 to 6 game Saturday. Every member of the Pacific team did splendid work. Albany's line and ends were weak. The feature of the game was the defensive work of Gloor, Albany's fullback. Time and again he stopped long runs. French and Stewart, Albany's halves, were right up and coming, but the local team was seriously handicapped by French's bad leg. He failed three times to kick field goals. He also failed to kick goal after Albany made its touchdown. Lucas, Irle and Abraham, for Pacific, were especially in the limelight for their splendid work in carrying the ball around the ends.

Albany High Drubs Eugene.

Eugene, Ore., Nov. 1.—Successfully maintaining a record of defending its goal for two years, Albany high school Saturday added another victory to its list, overwhelming the Eugene high school in the last half of a gritty battle that ended 41 to 0. The Eugene team weakened in the second quarter when Wigmore, a smashing left half, suffered a broken rib, but although apparently disrupted, the local team put up a game fight to the last, time frequently being called for injuries.

Washington Wins

Seattle, Wash., Nov. 1.—A consistent line plunging game with occasional flashes of open play and efficient use of the forward pass won a 27 to 0 victory for the University of Washington football team from Whitman college. Borleske's Missionaries opened up strong, apparently bewildering Dobie's cohorts in the first quarter with a line shift that opened up holes with startling regularity.

U OF O PILES UP 47 POINTS AGAINST W U

University Backs Rip Willamette's Line To Shreds and Circle Ends

Using old style football the University of Oregon team ripped and tore through Willamette university's line Saturday afternoon and rolled up a total score of 47 to 0. The Willamette line was too light to stop the university backs who tore off 10 to 25 yards on straight line smashes and end runs.

Willamette got within striking distance twice, once in the first quarter when she tried a placekick from the 30-yard line, and again in the fourth quarter, when a kick at placement from the 30-yard line failed by a small margin. Bartlett at tackle and Bigbee at half, showed to good advantage for the lemon-yellow, but the team as a whole seemed to be in poor physical condition, as much time was taken out.

Bezdek used his entire first squad against the cardinal and gold with the exception of the last few minutes of the fourth quarter, when he put an entirely new team on the field.

Rexford, B. Archibald, Shisler and Captain Flegel did some good work for the Salem institute, Flegel being practically every down. The absence of Mann and Clint Archibald was much felt.

The game started with Willamette's kicking off, and, two minutes later, the visitors put the ball over for a touchdown. After this first surprise Coach Mathews' hopes took a brace and worked the ball to Oregon's 30 yard line, where a kick at placement failed. The quarter ended 6 to 0.

The second quarter showed Willamette on the defense most of the time. Several times Oregon worked the ball within striking distance, but with one exception, when the Methodists braced and held their heavy opponents for downs. The half ended 13 to 0.

The third quarter was when the extra weight of the state university began to tell, and by a series of line smashes, end runs and a couple of forward passes the score was run up to 33 to 9 by the end of the quarter.

In the final quarter of the game two more touchdowns were added, and then with seven minutes of play left, Bezdek sent in his second squad, and although the Willamette team was nearly fired out, they easily outplayed the second string. Willamette, whose team averages 153 pounds, was outweighed 36 pounds to the man. The lineup:

Willamette—B. Archibald, center; Peterson, right guard; Brown, left guard; Flegel, right tackle; Tobie, left tackle; Rexford, right end; Miller, left end; Irvine, quarter; C. Archibald, right half; Small, left half; Hendricks, full.

Oregon—Risley, center; Spellman, left guard; Snyder, right guard; Bartlett, left tackle; Beckett, right tackle; Fegart, left end; Williams, right end; Monteth, quarter; Malarky, left half; Bigbee, right half; Tuerek, full.

Substitutes—Harris for Tobie; Shisler for C. Archibald; Randall for Shisler; Wormer for Brown; Procter for Peterson; Gossman for Risley; Cawley for Spellman; Madden for Snyder; Miller for Bartlett; Risley for Beckett; Cook for Fegart; Wilson for Williams; Moffitt for Monteth; Mast for Malarky; Couch for Bigbee and Hoisington for Tuerek. Referee, Sam Dolan, umpire, Schmidt. Head linesman, Walker.

Daughter's Marriage Caused Death of Four

Winnboro, Texas, Nov. 1.—Fired by anger at his daughter's marriage, Perry Morris, a wealthy farmer, killed three persons and seriously wounded a fourth then went home and killed himself.

The tragedy started at the home of J. F. Sheets, who married Morris' daughter against the father's approval. There Morris killed Sheets and seriously wounded Morris' son by a former marriage. Then to complete his vengeance, Morris went to the home of C. Maddox, whom he believed had encouraged the marriage and killed both Maddox and his wife.

His ghastly work done, Morris returned home and ended his own life.

GIRLS HAD CLOSE CALL

Tacoma, Wash., Nov. 1.—Three young women, Elizabeth Kennedy, Ethel Matutzeck and Anna Matutzeck are suffering from shock today as a result of their experience Sunday when all narrowly escaped drowning while walking on a log boom near the North End lumber mill. But for the prompt action of a Japanese watchman in summoning aid, the girls would undoubtedly have lost their lives. They were fished out of the bay by the crew of a strick engine summoned by the Japanese.

The girls walked out on the boom, just to see what they could see."

Salem Testimony Remains Unshaken

Time is the best test of truth. Here is a Salem story that has stood the test of time. It is a story with a point will come straight home to many of us.

P. W. Brown, farmer, 1399 State St., Salem, says: "Three years of millwright work in a damp atmosphere disordered my kidneys. I often had lameness and soreness across the small of my back. When having an attack, I heard of Doan's Kidney Pills and got a supply. They removed the backache and soreness, together with other symptoms of kidney trouble." (Statement given Jan. 31, 1906). After a lapse of more than six years, Mr. Brown said: "All I said recommending Doan's Kidney Pills when I publicly endorsed them before, holds good. I use them occasionally when I have symptoms of kidney complaint and I never fail to get quick relief. Another of the family has also used Doan's Kidney Pills for kidney weakness and has had the best of results."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brown has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y.

Four other highway robberies occurred in Seattle Sunday night, besides

Eugenic Babies Not In It With Sailors

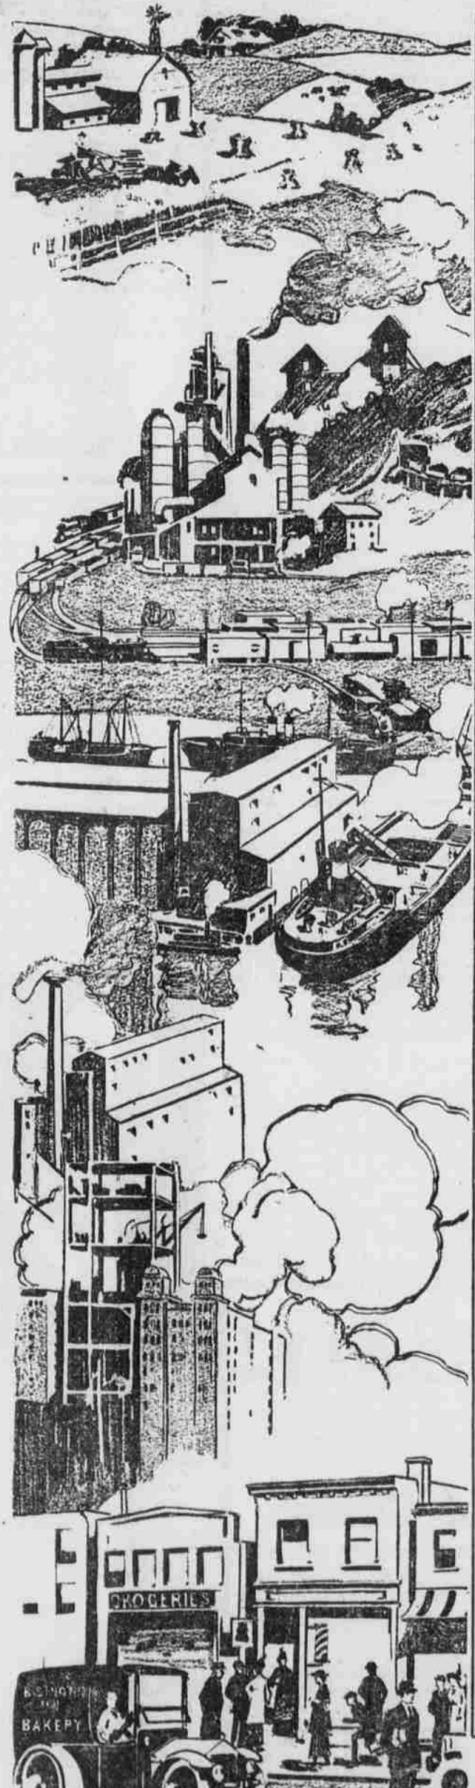

San Francisco, Nov. 1.—Eugenists will have no trouble finding appropriate husbands when Dr. O. L. Weldon finishes with the large assortment of sailors who are now taking the physical test required under the new seaman's act.

Unless a sailor has a "perfect 36", has heart beats that run 72 to the

minute and has breath which never rocks of onions, he may not get a certificate. Dr. Weldon is pushing them through a stiff course at the instance of Inspector of Steamships Guthrie and Dolan, who are conducting the examinations.

A loud roar went up from the sailor-men when they learned they would have to be vaccinated in addition. Today information came from Washington to the effect that the vaccination feature could be eliminated.
