IF BACK HURTS USE SALTS FOR KIDNEYS

Eat Less Meat If Kidneys Feel Like Lead or Bladder Bothers You—Meat Forms Uric Acid

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally else we have headache and dull misery in the kidneys region, severe headache, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will thank you. This famous salt is made from the seed of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Woodburn National Guard May Disband

Woodburn, Ore., Nov. 12.—On account of efforts to eliminate Captain Eugene Mosberger of Company I, Third Infantry, O. N. G., as a candidate for the office of mayor, now vacant, the captain and his two lieutenants, Grover Todd and P. A. Livsey, have prepared their resignations and will forward them to the adjutant general's office.

Half of the company has been mustered out and the remainder, dissatisfied with conditions, has failed to report for drill.

Captain Mosberger is senior captain in the regiment and a Spanish-American war veteran, having served in the Philippines. The citizens of Woodburn will greatly regret if a closed armory will be the result of policies pursued in the evident intention to disorganize Company I, which until recently was the largest militia company in the United States.

PROSPERITY FOR WORKERS

San Bernardino, Cal., Nov. 12.—Work hours of 1,200 men in the Santa Fe shops here were increased 20 per cent today. This places the plant on the longest schedule in five years.

Gary, Ind., Nov. 12.—Three thousand men will share in Gary's new prosperity, it is estimated, as a result of the Illinois Steel company's proposal to enlarge its vast works here at a cost of \$7,500,000.

"Blunders make us more appreciative," says a Portland pastor, who is quite true, but hardly an argument for persistent blundering.

WOOL IS STRONGER

Portland, Ore., Nov. 12.—There has been no movement lately in the local wool market, although about 1,000,000 pounds of last year's clip are still in the warehouses here. Prices are off about a cent from the high point reached a short time ago. Market values are now about where they were last May.

Notwithstanding this, the market is considered as firm, and in the east it is classed as strong, with an upward tendency plainly apparent.

Wool is selling rapidly at Boston, transfers in the past week aggregating 6,000,000 pounds. Stocks of domestic wools in the east, however, are larger than at this time last year, as a large part of the activity during the season has been in foreign grade. Imports of foreign wool into this country for the eight months, ended September 1, were 27,270,455 pounds, which compares with 225,816,973 pounds in the same period of 1914, and 106,779,742 pounds received in the corresponding period of 1913.

Among the transfers of territory wool at Boston during the week were 100,000 pounds of fine staple Montana at 26 to 27 cents, or 72 cents clean; 150,000 pounds fine at 67 to 68 cents clean; and 250,000 pounds various grades at private terms. A number of lots reported as sold in the original bags include 100,000 pounds Montana at 28 to 30 cents, or 70 cents clean, and 200,000 pounds Colorado at 25-1-2 to 26 cents, or 63 to 65 cents clean. Wyoming wools figured in the transfers at about 68 to 70 cents. Dealings also included Nevada and New Mexico wools. New fall Texas clips have sold in that state at 26-1-2 cents.

Hogs Are Weak

The local hog market was weak yesterday, but no lower. Only one sale, however, was made at \$6.25, the previous day's quotation, the bulk of the sales at \$6.15 to \$6.20. A few heavy hogs were sold at \$5 and lightweights brought \$5.25 to \$5.60.

Outside of the hog division, the only transaction was the sale of a small bunch of good lambs at \$7.25.

Canada Holds Wheat

Chicago, Nov. 12.—Estimates that Canadian farmers have four times more wheat for export than was the case a year ago led to a weak finish in the wheat market today. The close varied from 1.86-1-4c off to a like advance, as compared with last night. Corn lost 1-2c to 5-8c net, and oats 1-2c@1-4c. In provisions the outcome ranged from 2-1-2c decline to a rise of 17-1-2c.

Wheat prices had reached the highest point of the day when reports came

AN EASY WAY TO END CATARRH FOREVER

Simple Home Treatment Destroys Germs of This Dangerous Disease.
The reason why so many people who suffer from Catarrh never seem able to get well is that they are continually seeking the momentary relief of sprays, douching, greasy creams, ointments, etc. Such things do open up the swollen nostrils and clear the head temporarily, besides stopping for a while the disgusting blowing, hawking, spitting and choking, but they never cure. To drive out Catarrh for good you have got to get down to its real cause. Catarrh is a germ disease. The air is always full of catarrh germs thrown off by one person and absorbed by another and when the system does fail to throw off such germs they find permanent lodgment in the nose, throat and head and multiply rapidly.

The germs of catarrh can be best destroyed by inhaling the pure medicated air of Hyomei (pronounced High-omee). This splendid and powerful combination of oil of Eucalyptus with other healing agents has a wonderful germicidal action. You breathe its air into your nose, throat and lungs by means of a small hard rubber inhaler which Daniel J. Fry and other leading druggists here in Salem and vicinity supply with every treatment. This medicated air is certain death to the germs of Catarrh and drives them completely out of your system and when the germs are destroyed the catarrh with all its disagreeable symptoms will stop. Even two or three minutes use will give refreshing relief, while, if you will use it two or three times a day for a few weeks it will completely banish catarrh and every symptom of catarrh. As Hyomei is pleasant to breathe and is always sold by druggists everywhere with a positive guarantee of successful results or money back, surely no catarrh sufferer should go long before trying this simple home remedy.

that the amount of wheat still in the hands of Canadian producers was 121,203,000 bushels, as against 30,127,000 bushels at the corresponding time last year. Unfavorable weather and higher Liverpool quotations were responsible for the strength of wheat. Talk of a short time ago. Market values are now about where they were last May.
