Preparing For Sale of Western Pacific

BIG WAREHOUSE AT DALLAS

The County Farmers' Union, comprising 16 local branches, have decided to enter its shipping activities in Dallas, and will forthwith erect a commodious warehouse on a site now being negotiated for by a committee appointed for that purpose. The tentative plans provide for a building 40x80 feet, but there has been so much interest manifested from unexpected sources that it is probable that before final arrangements are consummated a structure of greater proportions will be erected. At a session of the county organization in this city last Saturday it was determined to foster, promote and encourage a central warehouse at this point, and subscriptions to stock in now being taken from among members of the several locals. Orchard View and Mt. Pisgah locals, the only two before whom the matter has been officially presented thus far, have subscribed approximately \$800 to the fund, which is estimated at \$2,500. Others will consider the matter without unnecessary delay, and in all probability the warehouse will be in operation in abundant time to receive crops this fall.

The purpose of the warehouse, which will serve eight locals immediately tributary to Dallas, is to assemble products of the farm, grade and standardize them, and otherwise prepare them for shipment in carload lots. In brief, it will be the center of a cooperative shipping movement now well under way in Polk county, and will afford those interested in the undertaking opportunity to combine their products for shipment with the best financial results.—Dallas Observer.

The Pacific coast intercollegiate record for the mile run went by the boards when Clyde, the Washington captain, negotiated the distance in the fast time of 4 minutes 19 4/5 seconds, bettering his own former record by 3 1/2 of a second. All three men finished in former record time, Coleman of the Aggies covering the distance in 4 minutes, 20 4/5 seconds for third place.

WOMAN SO WEAK COULD NOT SLEEP

Made Well by Lydia E. Pinkham's Vegetable Compound.

North Oxford, Mass.—"I had lost three children and I was all run down and so weak I could not sleep at night. My eyesight would leave me and everything I ate upset my stomach. I was very nervous and if I would start to sleep I would have to stop and lie down before I could finish. I was looking over the paper one day and read of a woman who felt as I did and took Lydia E. Pinkham's Vegetable Compound, so I took it too. Now I am proud to tell you I am feeling fine and have given birth to a boy baby. He is my 'Pinkham' baby. I keep a bottle of Compound in my house always."—Mrs. PETER MARCO, Box 54, North Oxford, Mass.

Sleeplessness, indigestion, weakness, and nervousness are symptoms which indicate a lowered vitality of the female organism, and the tonic, strengthening properties of the good old fashioned roots and herbs, contained in Lydia E. Pinkham's Vegetable Compound, are just what is needed by every woman who is in Mrs. Marco's condition.
