Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors do not sell in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO. Toledo, O. THE MARKETS The following prices for fruits and vegetables are those asked by the wholesaler of the retailer, and not what is paid to the producer. All other prices are those paid the producer. Corrections are made daily.

Eggs are showing considerable firmness in Portland which will probably reflect locally in a few days, provided of course the market is sustained. According to Portland quotations, eggs, case count, are worth 25 cents, but like many of the quotations in the Portland papers, the story is different when an individual ships to a commission house and expects to receive a return check for the published market price. The hog market is strong, with buyers locally paying \$8.85 for tops. Two car loads of Turkish watermelons are in today.
