On Sunday last St. Peter left the  
Gates of Heaven ajar and a bright  
little angel boy wended its way  
down to earth and took up its  
abode in the happy home of Mr  
and Mrs J E Tanner. We are  
pleased to announce that mother  
and child are doing nicely.

The Teachers Association for  
the Eastern District of Morgan  
County met at the High School  
building at Coalfield on Saturday,  
November 11, and an interesting  
session was held. Most of the  
teachers in these districts, togeth-  
er with a number of the citizens  
of Coalfield were in attendance.  
The meeting was called to order  
at 10:30 a. m. Prof J C Webster  
conducted the devotional exercises  
at the close of which Supt John-  
son took the chair to perfect the or-  
ganization when Prof Webster was  
nominated and elected chairman  
and Prof A J Albertson was ap-  
pointed secretary. Prof Wilson of  
the East Tennessee Normal Col-  
lege, of Johnson City, was present  
and gave an interesting and in-  
structive address. Prof Peters  
was called on and responded with  
a good address, at the close of  
which the meeting adjourned to  
1:30 p. m. The afternoon session  
was called to order by Prof Web-  
ster. Supt J N Johnson address-  
ed the meeting and gave some splen-  
did instruction and much encour-  
agement in the work. Prof Wil-  
son gave another very practical  
address on vocational education.  
Prof Albertson, Prof Geo Bagley,  
County Board Member Jas Joyner  
and some of the lady teachers were  
called on and gave good talks  
which helps very much to inspire  
and create more enthusiasm in  
school work.
