

A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. If I hurt myself so as to break the skin, it was sure to become a running sore. I had to take lots of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. It has made me well and strong."—T. D. M., Norcatur, Kans.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.

"I was taken down with rheumatism over a year ago. I was sick for over six months. Often I would have such pains that I could hardly endure them. A friend came to me and advised me to try Hood's Sarsaparilla. I took him at his word and got a bottle of it, and since have taken eight bottles of it.

It Has Cured Me

When the doctors could do me no good whatever. After being benefited so much from this medicine I describe Hood's Sarsaparilla as a wonderful medicine. I also advise every one who is troubled with rheumatism not to be with-

People going east should remember that the North Western (Elkhorn) line offers a morning and afternoon train for Chicago and the time is equal to the best. The morning train and connections enable passengers to reach many points in central and northern Iowa in one day. The general equipment and tracks of this line is unequalled. Try the Northwest line.
