The Dr. Benj. F. Bailey Sanatorium

Is not a hospital, not a hotel, but a home. The building is situated on a slightly hill at Normal, and is reached by the cars of the Lincoln street railway, being only 28 minutes ride from the business center of the city. It is thoroughly equipped and beautifully furnished. Every electric current useful in the treatment of the sick is used, and ideal Turkish, Russian, and Medicated Baths are given. In conditions where the kidneys and liver are affected, and in cases of rheumatism, our Hot Air treatment has been remarkably successful. For full information address
