THIRTEENTH YEAR. KIMBALL, BRULE COUNTY, SOUTH DAKOTA. SATURDAY, OCT. 20, 1914. WHOLE NO 655.

Table with columns: Name, lot, blk, year, amt. Lists property owners and amounts for various lots.

THE KIMBALL GRAPHIC. CLATE R. TINAN. The Official Paper of Brule County. AUTUMN LEAVES. Buy a few sheep. Mis Anna Wentz is clerking at Wm. Mathies. We are obliged to issue a supplement this week. Unless you get twins you are not in it any more. Clank! Clank! At Snyder's till Monday night. Rev. Jesse Smith has returned and will have services at the M. E. church at the usual hours. J. H. Wolf went to Mitchell Wednesday on business. Warren Young is in town Tuesday. Wright keeps his place on the corner as neat as a pin. The best trotting record over a half mile track is 2:11 1/2. P. A. Reynolds left Monday for Jasper, Minn., on business. The Hon. Freeman Knowles is noted for his red-hot speeches. Hon. Freeman Knowles at Smith's opera house, Friday night. The commissioners met Monday to appoint the judges of election. Hon. Freeman Knowles speaks in Chamberlain Saturday night. The Misses Libbie and Pearl Oelsner spent Sunday in Chamberlain. Miss Sophia Sicks has accepted a position in the store of J. H. Wolf. C. S. Blodgett has oats, bran, ground wheat - in fact, all kinds of feed. William Mathies left Monday morning for his home in Belvidere, Illinois. The pleasant weather won't last always. Better see blodgett about that coal. Willis Putnam and his father left for Massachusetts Monday morning. President Cleveland has put a stop to federal officials engaging in campaign work. C. S. Blodgett got in a car of potatoes this week and has been selling them at 80 cents. Big Eagle from the Crow Creek agency was here Tuesday looking for three stray horses. Mrs. E. L. Drury and Miss Fannie Oelsner have been here from Chamberlain this week. We are indebted to someone for a copy of the souvenir edition of the Logansport, (Ind.) Reporter. The Chamberlain races take place next week Wednesday, Thursday and Friday. The Chamberlain folks guarantee a good time. Hon. Freeman Knowles, Populist candidate for congress, will speak in the opera house this Friday-evening, Oct. 10th. Mrs. L. D. Wait is visiting her parents, Mr. and Mrs. Wallace, while Levi is taking a run down south looking over the country. The gasoline-tow in L. A. Foot's residence got on a tantrum Tuesday and an explosion came near doing considerable damage. The train robbers are at it again and made some big hauls last week - one of \$20,000 in Virginia and one of \$50,000 in the net. The net indebtedness of Brule county is about \$72,000 - but she's got sixteen artesian wells and over 250 miles of running streams to show for it. A woman no more that gets her house clean and settled in the spring than she takes a set look about the mouth and begins to tear the stuff out of the house in the fall. Hon. Jas. A. Ward, Democratic candidate for governor, will speak in Chamberlain next week Thursday or Friday night. Exact date not yet decided, but will be later.

The report of Surveyor Hayes shows that Brule county's artesian wells are furnishing 245 miles of running streams. Where's the county 'back where you came from' that can equal it? Our Republican friends are not so confident as a couple of weeks ago. They are coming to the conclusion that it is not so easy to buy the necessary votes to pull their ticket through in Brule county. We desire to call the county commissioners' attention to the fact that in other counties the 'Notices of Election' designate the voting precincts. In Brule county the voting precincts are always omitted. Senator Kyle is sick at his home in Aberdeen and all his engagements for this week have been canceled, including the one for Kimball today. He promises however, to speak in Kimball before the close of the campaign. The Graphic has admittedly the largest circulation of any paper in Brule county, and the man who is advertising for the purpose of drawing trade will always find in its columns the means of catching the eye that can be caught through no other medium. The Mathieson Outlook says Lake county has spent \$9,000 during the past few years prosecuting liquor cases under the prohibition law, resulting in the conviction of two violators of that statute, one of whom has appealed his case to the supreme court. The Ochsner Hardware company has been busy lately getting out their display of heating stoves, of which their stock was never more complete. They will sell you a stove from \$1 up to the best that money can buy. Second hand stoves on hand all the time. A correct poll of the county shows that the Democrats outnumber the Republicans and the Democrats and Populists combined have a majority that cannot possibly be overcome except by outrageous bribery. If the Democrats and Populists are true to their ticket, as they should be, and to themselves, not a man on the Republican ticket can be elected. Dan Scott, city editor of the Sioux Falls Press was down to the Interstate fair and tells his readers that Robt. J. and Joe Patchen are somewhat bungled up, that Patchen is sore and lame and Robt. J. is badly knee sprung. Dan is right as to Patchen, but the little boy gelding is as limber as an eel. He is badly over at the knees, but it comes natural, as he was foaled that way. Says the Plankinton Herald: Kimball is having trouble with her artesian well. It is thought that the well has become clogged. You are way off. The Kimball well is not giving the slightest trouble and never has during the nine years it has been flowing, and on this account it is considered one of the best wells in the state. The flow is not so great as when first put down - though it has not fell off for four or five years - and it has been thought there might be some sand accumulated at the bottom - which is easily removed. That's all. Our merchants, the most of them, J. H. Wolf particularly, his store was crowded Saturday and Monday and Mr. Wolf says his trade this fall is fair beyond expectations. The fact of it is, his store is stocked heavily with new goods, and as prices are lower this fall than ever, Mr. Wolf is able to offer choice goods at less than shop-worn goods cost a year ago. The most remarkable pigeon match in the history of trap shooting took place at Kansas City a week ago today. In a match with Dr. Carver, J. A. R. Elliott, one of the best live bird shots in the world, killed 100 straight and Carver killed 97. They shot under Hurlingham rules, 30 yards rise, 12 gauge guns under 8 pounds weight, but only 50 yards boundary instead of 75. The score has never been equalled. The action of the Democratic and Populist county conventions was not taken without a thorough canvass of the county and it was simply an almost unanimous sentiment that was carried out by the respective conventions. This being true it is the duty of the Democrats and Populists to ratify the nominations at the polls at the end of November and turn a deaf ear to the machinations of the Republican office seekers. Another Record Broken. When a member of a man is this W. R. Lewis, secretary of the Chamberlain racing association? Didn't he ever hear the old latin saying, Via tria, via vitu, ('The beaten path is the best path,') we have been connected with a newspaper office in some capacity or other for nearly twenty years and have in that time accumulated something like a cord of pasteboreds from fair and racing associations in exchange for desired advertising but not one cent in cash has ever been received. It is also the experience of ninety and nine newspaper men out of every hundred. Now comes this W. R. Lewis with the following: Chamberlain, S. D., Oct. 15, 1914. Kimball Graphic, Kimball, S. D. Dear Sir: - Please send enclosed \$100. also one of the best race tracks in the state to the Graphic this week. Yours Truly W. R. Lewis, Secretary. We think of getting out a hundred or so fine silk letters of the foregoing to send to people who want a newspaper early with a fence around it in exchange for a 25c check. We hit our hat to W. R. Lewis, Secretary of the Chamberlain Driving Track Association. New Millinery. A new line of Trimmed Hats just received at Mrs. W. H. Bowles. Also a large number of untrimmed Hats on hand which will be sold at cost. (653-55) Estray. Came to my place, on section 12-105-09, red and white cow, black calf by her side, branded '11' MARTIN SIEKE, (653-55) Disorder. That is the state of your stomach. You know it, you feel it, you show it. The remedy you need is Ripan's Tablets. Safe, Sure & Effective.

J. H. Wolf. Successor to L. D. Bardin. NEW GOODS, NEW PRICES, NEW MANAGEMENT. Times are hard, we admit it, but goods were never so cheap in the history of the world. An inspection of our Fall and Winter stock will readily convince you of this. The prices were a temptation for us to buy heavily; they will tempt you likewise. 35 doz. Overalls in stock and lots more coming. Pants until you can't resist - all qualities and prices. And as for Clothing, well, just come in and let us show you what we've got. 40 new pieces of dress goods just in, all the new shades and very cheap.

An Axe to Grind. These is a certain class of men going around with an axe to grind this fall. I don't want to see them, but if there are a few honest persons, born of poor but respectable parents, I will tell them on the sly that I have a few axes I would be pleased to exchange for \$\$\$.
