ANNOUNCEMENTS
For Circuit Judge

We are authorized to announce Hon Charles A. Hardin a candidate for Judge of the Thirteenth Judicial District, at the November election, 1911, in accordance with the action of the Democratic party.

Democratic Meeting

The Democratic Executive Committee held in Louisville, Ky., will meet with the majority of the state in so far as it is to select Democratic State officers.

Before the primary election the party nominees, and whether desired by the party, we wish elected or his opponent. The history of party conventions and other states are too numerous to mention.

We think that the Committee reflected the will of the party when it called the primary and that those candidates for nominations who are so vigorously opposing the primary do not favor to their candidacy by such opposition. Hon. James B. McCreary seems to have been the only candidate who encouraged the committee to call a primary and we think that he has greatly added to his hold upon popular confidence by his manly stand for an honest primary election.

The Initiative And Referendum.

New methods and plans for conducting public affairs are seldom brought out for general consideration except through some political leaders seeking preferment by the electors or by incorporating them in a platform of some political party. Although nearly every state in the Union has discussed as a political issue, the initiative and referendum, more or less, and many states have adopted it, politicians and political parties in Kentucky have shied at the principle in the past. We know of no state that has adopted the initiative and referendum where there exists any marked dissatisfaction with its effect upon legislative conditions.

In general terms we may understand the initiative to be a provision which permits a certain percentage of the people of the state or a city to file a petition asking for the enactment of a certain law and when this is done the law is initiated. At the next general election, if a majority of the people vote in favor of the proposition then it becomes a law. The initiative only becomes necessary when the law makers fail to respond to the demands of the people.

Referendum is a provision which permits a certain percent of the voters to file a petition asking the vote upon the repeal or suspension of a law of a state or an ordinance of city which the legislature or council may enact when not desired by the public. The petition being filed the law is suspended until approved or rejected by a vote of the people.

The initiative and referendum vest the people with the same direct authority to enact and repeal laws as has the legislature of a state or the council of a city. For Kentucky to have such a law would necessitate an amendment to our constitution. Do you or do you not favor such a law? We will have more to say about it in the future.

The Whallen Johnson crowd have not picked their man for Lent Governor. So far Mr. Edwards is the only candidate and he doesn't seem to be tied to any band wagon.

There is some talk that Hon Robt Evans of Danville will run for Lent Governor and he is a good man. So far he has not announced.

Happy New Year to each and every one. May the coming year be a prosperous one to you all.

ONLY ONE "BEST"
Lancaster People Give Credit When Credit is Due.

People of Lancaster who suffer with sick kidneys and had backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only made from pure roots and herbs, and the only one that is backed by cures in Lancaster. Here's Lancaster testimony:
Mrs. E. F. Walter, Hill St., Lancaster, Ky., says: "I never fail to praise Doan's Kidney Pills when I have the opportunity. I have not been without a supply of this remedy in the house for years and whenever my back becomes lame and painful, a few doses bring prompt relief. For sometime I suffered from kidney trouble. The kidney secretions were unnatural and judging from this, I knew that my kidneys were disordered. At that time it was my good fortune to hear of Doan's Kidney Pills and I procured a supply at Frisbie's Drug Store. Through their use my kidneys were restored to a normal condition."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

CURE CATARRH
It's Easy, Pleasant, and Costs But a Trifle.

How many readers of the Central Record know that in Inland Australia where the mightiest of eucalyptus trees grow in abundance, that there is no consumption, catarrh or diseases of the respiratory tract.
The refreshing balsam thrown out by these trees fills the air and is breathed into the lungs by the inhabitants and all germ life is destroyed.
If you have catarrh you cannot go to Inland Australia except at great expense, but you can breathe right in your own home the same pleasant, soothing, healing, germ killing air you would breathe if you were living in the eucalyptus district of Australia.
Just breathe HYOMEI; it is made from Australian eucalyptus and scientifically combined with thymol and other Listerian antiseptics.
Four or five drops of HYOMEI into the inhaler and breathe it. As it passes over the catarrh infected membrane it kills the germs and heals the raw, inflamed surface.
HYOMEI is guaranteed to cure catarrh, coughs, colds, croup and sore throat, or money back. Complete outfit including inhaler \$1.00. Extra bottles of HYOMEI cost but 50 cents. Sold by B. E. McRoberts & Son and druggists everywhere.
To break up cold in head or chest in a few minutes, pour a teaspoonful of Hyomei into a bowl of boiling water, cover head and bowl with towel and breathe the vapor.

Ends Winter's Troubles.

To many, winter is a season of trouble. The frost bitten toes and fingers chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Eczema and Sprains. Only 25c at R. E. McRoberts & Son.

Mr. K. J. Smith has moved to Hyattsville.

Mr. Chester Harris shot himself in the leg accidentally.

Mrs. Timothy Naylor is convalescing after a severe illness.

Word received from the Lexington asylum says that Mr. Menefee Elmore has pneumonia.

Mr. and Mrs. Ben T. Lunsford, Jr., of Garrard, visited Mr. and Mrs. Ben T. Lunsford, Sr.

Mr. J. H. Thompson sold some eighty pound shoats to George Spoonamore at seven one-half cents.

Rev. Pierce Bryant has resigned his care of the Baptist Church here. His sermon on Sunday finished his year.

The exhibition given by the Hobbs and Preachersville schools at the M. E. Church here was a success. It was one of the best ever held here and reflects much credit on both the pupils and their teachers, Misses Howard and Holtzclaw. The large Xmas tree was a feature of interest and a source of much pleasure to the little folks. Old Santa was present and is a spry old fellow considering his age.
