CLINT AND V. KILLED.—Clint and V. were shot and killed by Gibbons & Withers, Maysville street, about 10:30 o'clock night, Dec. 22.

No detailed report could be learned.

News-papers arrived late Saturday evening. It was a common remark here that it was exceedingly strange that nothing definite could be learned of the affair.

The coroner's jury is reported to have returned a verdict that the brothers came to their death at the hands of their unknown.

However, in a published statement by each, James Tipton says he killed Clint Allen with Clint's own pistol, and "Little Mike" Gibbons says he killed Walter Allen.

James Tipton is said to have come from Laurel county to Mt. Sterling about two years ago. He is quoted as saying that he was a friend of Clint Allen's and had been on raids with him after moonshiners. He was acting as policeman at the time of the killing.

The bodies were brought here to the home of the mother, Mrs. Martha Allen, Friday night, and the burial was made in the Owingsville Cemetery Saturday afternoon about 3:30 o'clock. Much sympathy was felt for the mother and family on the sad occasion.

Clint Allen was aged about 35 years. He leaves a wife, who is a daughter of Mrs. Mary Bailey. They had no children. He was appointed deputy United States Marshal last spring and is said to have been a very efficient officer. He was shot to death, who died at

R. Manley. He was a member of the Branch, and his home in Mt. Sterling some years.

Walter Allen was aged about 27 years, and was unmarried. He lived mostly at Mt. Sterling and Lexington in recent years.

STATE POULTRY SHOW.—For the first time in the history of Kentucky a great State poultry show is to be held. By the efforts of Hon. M. C. Rankin, Commissioner of Agriculture, the Kentucky Poultry Association was formed some months since, and will hold its first annual show and poultry fair at Lexington January 16 to 21. Premium list and catalogue will be ready for distribution January 1, and will be sent to any one on application to Secretary Frank L. Smith, Lexington, Ky.

CUTTING AFFRAY.—In a fight among the colored people Sunday night Lee Ramsey was badly cut by Henry Atchison. The witnesses were so reticent that no details could be learned.

Rev. John E. Moss preaches at the M. E. Church Wednesday night, Dec. 28.

## TOBACCO GROWERS' CONVENTION.

At a meeting of the tobacco growers of Bath county held at the Court-house Saturday afternoon, Dec. 24, a large crowd being present, T. H. Brown was elected Chairman and Dr. A. W. Walden Secretary. Very earnest speeches were made on the tobacco situation by T. H. Brown, Dr. A. W. Walden, Judge W. S. Guggell and D. W. Doggett. The vote was overwhelmingly in favor of recommending to the convention to be held at Lexington Jan. 5, 1911, to cut out the 1911 crop. The following resolutions were adopted:

"We the committee of resolutions would respectfully report to this meeting the following:—

"Be it resolved by this convention in mass meeting assembled

"1st, That it is the sense of this meeting that the interest of all tobacco growers will be best promoted by cutting out the crop for the year 1911, and we pledge ourselves that if this proposition meets with general approval and hearty co-operation of a large majority of the tobacco growers in the Burley district of the State that we will grow no tobacco in the year 1911.

"2d, Be it further resolved that we will withhold the 1910 crop from the market until the balance of the 1909 crop now in control of the Burley Tobacco Society is sold within a reasonable time for a satisfactory price through the channels and by the plan of said society.

"3d, That we recommend some plan by contract or agreement to secure the co-operation of the Louisville Warehouse Co. and the Cincinnati Warehouse Co. in handling and financing the crop of 1910.

"4th, Resolved that we approve the call of the convention at Lexington on Jan. 5, 1911, and will abide by its action.

"5th, Resolved that we send as delegates to Lexington Jan. 5 instructed to carry out the resolutions hereby adopted and nominate, viz:—

T. H. BROWN, Chairman.

W. S. GUGGELL.

GEORGE KERR.

JOHN CLARK.

A. W. WALDEN."

It was also voted to hold another meeting at the Court-house next Saturday afternoon, Dec. 31, 1910, to ratify the resolutions adopted at this meeting, the desire being to give all the growers of Bath county an opportunity to act on the question.

A. W. WALDEN, Sec'y.

DEMOCRATIC STATE PRIMARY.—The Democratic State executive committee at Louisville last Thursday, by a vote of 8 to 4, called a primary for Saturday, May 27, to nominate candidates for the State offices to be voted for in November, 1911. The committee, by a vote of 6 to 5, declined to submit the question of a candidate for U. S. Senator to succeed Senator Paynter to the voters in the primary.

The Courier-Journal states that out of the 21 candidates or prospective candidates present all but three favored a convention instead of a primary.

It is learned that Judge Reid Patterson has been elected Mayor of Pineville. His numerous friends at his old home congratulate him.
