ANOTHER VICTORY.

Taylor's Rump Commission Knocked Out.

Everything Seems to be Coming Goebel's Way Since the Legislature Met.

Frankfort, Ky., Jan. 8.—Judge Cantrill of the Franklin circuit court Saturday put the Democrats in a position to have an advantage before the Court of Appeals. Judge Cantrill handed down a decision in the injunction case to restrain Clerk of the Court of Appeals Shackelford from administering the oath to the rump Election Commissioners Mackoy and Cochran. The court granted the injunction and on its own motion set it aside.

Techinal points of law were involved in the action. An appeal to the Appellate Court having been granted the Democrats they have the privilege of selecting the judge of the Court of Appeals to consider a motion to reinstate the injunction. The order setting aside the injunction does not take effect for 20 days. Thus, the injunction stands, tying the hands of the commissioners appointed by Taylor.

It has transpired that Judge Paynter will be the judge of last resort.

Attorney Lewis McQuown, one of the Goebel counsel, said tonight that application will probably be made Wednesday or Thursday to the Court of Appeals to reinstate the injunction dissolved today by Judge Cantrill. The whole court will probably hear the case.

COUNCIL MEETING.

New Members Go After Judge Leavell's Partners.

The Council met Friday night with all of the members present. Fowright continued to act with his new-found friends and one ordinance with more or less politics in it was passed. It was to restrict the use of the offices in the city-building to official business and requiring an office to be provided for Mr. Tate, the new Republican tax-collector.

Sexton R. Roake was prevailed upon to withdraw his resignation, which he did on condition that he be furnished two assistants from April 1 to October 1.

Other business of a routine character was disposed of.

CROWD SCATTERED.

When a Clarksville Small-pox Patient Walked in.

A strange negro came in on the L. & N. train Friday night and walked into the depot, broken out with smallpox. He said he came from Clarksville and was on his way to Princeton. There was a general exodus from the depot and the usual crowd of loafers suddenly became smaller than ever known before. The negro was sent to the house near Lovier's spring where Rev. Lewis Brown is under treatment and the authorities took charge of the case.

Dr. Claude Banks has been appointed to treat the cases, both of which are doing well and kept under strict quarantine.

SPECIAL TAX

Required by Physicians Who Prescribe Liquor Not Compounded.

The Internal Revenue Bureau has decided that a physician who prescribes to his patients whisky, brandy, wine or any other alcoholic liquor that is not compounded into a medicine by the admixture of any drug or medical ingredient therewith, is required to pay special tax as a retail liquor dealer, even though the alcoholic liquor thus furnished be prescribed as a medicine only and so used.

FUN AND FROLIC.

Pee Dee Party Spend a Pleasant Day Skating.

Pee Dee, Ky., Jan. 5.—The Eclipse Roller Mills neighborhood last Wednesday was the scene of much enjoyment and pleasure. Quite a number of young ladies and their escorts, (all pretty good skaters) came down to take advantage of the delightful ice which covered Little River. After several hours sport they were all invited to a sumptuous dinner at the pretty home of Mr. W. C. Binns, to which all did ample justice, having their appetite keenly sharpened by the frosty air, they returned to the ice again until dark. It cannot be remembered when Little River was the scene of so much merriment. They went six and eight abreast for several miles up, past where the high Bluffs which abound in that vicinity echoed and re-echoed with the sound of their laughter and fun.

They came for fun and fun they had. Although they were tired, they returned again after supper to the ice until 10 o'clock.

All declaring it to be the greatest day they had ever spent upon the ice and the day closed with but a single regret from one lady. She had not fallen to need the assistance of the "dear Doctor."

It was a day long to be remembered. And those that did not come missed all the frolic and fun.

Mr. Thomas W. Binns, of Clarksville, was in town yesterday on his way home, after spending a very pleasant week with his parents in the Pee Dee, neighborhood.

JUDY.

RELIEVED BY DEATH.

Had Been a Great Sufferer for Many Months.

Mrs. Annie Green Ducker, wife of Mr. C. W. Ducker, died at the family residence in this city Friday afternoon. Mrs. Ducker had been ill about a year and several months ago underwent an operation in Chicago. Although her condition was improved, she had never entirely recovered, and for two months prior to her demise she had been growing gradually worse. During her illness she had been a great sufferer and her death was not a surprise to her host of friends.

She was thirty-two years old and had been a member of the Christian church for several years. She was a lady held in the highest esteem by all who knew her. She leaves a husband and five children, besides a large circle of friends to mourn their loss.

Funeral services were held at her late residence Sunday afternoon at 2 o'clock by Revs. H. D. Smith and W. K. Piner and the interment followed in Hopewell.

All of the committees at once organized and were sworn. Many of the House Committees will report this week. Representative Hickman is chairman of the Goebel-Taylor Committee and Senator Coleman is Chairman of the Beckham-Marshall committee. Both of these committees will begin hearing testimony next Monday and will give each side five days. The reports will be ready by the first of February.

In the House Friday the Republicans accused Clerk Ed Leigh of placing the Democratic names in one end and the Republicans in the other and failing to shake the box well in the contest drawings. This in the face of the fact that they secured a majority on 10 of the 20 committees drawn with only two-fifths of the members to draw from. The House very promptly passed a resolution declaring the charges untrue. No session of the House was held Saturday.

In the Senate Saturday a committee was authorized to investigate the attempt of John Whallen and Chas. Ryan to bribe Senator Harrel. Whallen will be arraigned for trial before the Senate and may be punished by this tribunal, as Taylor could not pardon him if convicted by the Senate for contempt. The penalty is \$1,000 fine and imprisonment. The grand jury may hold up indictment until after Gov. Goebel goes into office, as it is believed the acting Governor would pardon Whallen before trial.

Mrs. Bradish, of Detroit, Wrote Mrs. Pinkham and Tells the Result.

[LETTER TO MRS. PINKHAM NO. 82,310]

"About two years ago I began to run down and soon became almost a wreck. I lost my appetite and began to lose flesh; my blood was impoverished and I had to leave our store.

"The doctors gave me a little tonic, but I steadily grew worse and consulted another doctor. He helped me in some ways, but my headaches continued, and I began to have night sweats and my rest was so disturbed that I would have hysteria and would cry and worry over business matters and my poor health. "Finally, husband took me South, but with no benefit. This was a year ago; no one can ever know what a winter of misery I spent. Would bloat after eating and was troubled with palpitation of heart and whites. Having read by happy chance of your medicine, I bought it and wrote for your advice, and before having finished the first bottle of Lydia E. Pinkham's Vegetable Compound, the hysterics nearly stopped and I slept soundly.

"I used seven or eight bottles with such benefit that I am as healthy as I can ever remember of being. I shall never cease to sound your praises."—Mrs. E. M. BRADISH, 179 DIX AVE., DETROIT, MICH.
