GOOD FORGETTERS

In their Zeal to Print Things the Imperial Push Sometimes Forgets

Since the campaign for county seat came up the Imperial push through the Standard has endeavored in many ways to convey the idea that Imperial is owned by the people who live there. Such articles would lead one to believe that they have forgotten when sometime last fall a representative of the Paulin push went before the council of Imperial and with big briny tears in his voice begged and beseeched that body to exempt the unsold lots in Imperial from the city tax. Explaining that there were so many of them that it would cripple the bank of England to pay the tax levied by the council. Of course whatever the Imperial Land company should ask for must be granted, so there was no hesitancy on the part of the council in granting this slight favor. This is a matter of record and as it is a well known fact that there have been but a small number of lots sold in the town since last fall or for the past year, there can be no doubt about a mistake having been made when they asserted that the town was owned by the people. The people, of course, own a small part of the town and are working and paying taxes which are enormously high in order to try and enhance the value of the unsold lots. The explanation was made before the council that these lots were not worth the amount of the tax, but it is now thought by a great many that if they can land the county seat that Paulin will be able to sell these lots to some one, and then, of course they can be taxed.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would have Saved Him \$100.00

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by El Centro Drug Store.

Boy's Life Saved

My little boy, four years old, had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea remedy which cured him and believe that saved his life.—WILLIAM H. STROLING, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with care for oil according to the plain printed directions and a cure is certain.
