FIRE INSURANCE.

F. B. CALLAWAY, Agent.

I am pleased to tell the people of Chipley and vicinity, that I have purchased the insurance business of Buell Cook.

I represent only the very best companies—those time tried and fire tested. If you are not insured, I would be glad to write you a policy.

The value of insurance cannot be rated. Ask a man who owns a policy if he will sell it! The savings of a life-time may be wiped out in a few minutes. Not so, if you are insured. Therefore I would advise you to place your insurance with me.

Crowds of homeseekers from the north are daily arriving in the State, and the majority of them are going to invest and build homes.

At the Mayor's matinee Monday morning \$157.50 was dished out by the penitents. Costly fun, but as one citizen said: "that will help some."

Dop in and see that splendid line of Enamel Ware we have; any piece of it would make acceptable Christmas present for you wife.—Chipley Hdw. Co.

Even if 1911 is no better than 1910, it will be fine if as good. Here's hoping it will be as good and better.

Dunn-Coleman Co. says in BIG LETTERS: Get the habit of coming to our store; get the habit of pricing over goods; get the habit of telling your neighbors we are in the Hardware business, for mutual benefit. See them at The Big Hardware Store.
