**WATCHED FIFTEEN YEARS**  
"For fifteen years I have watched the working of Bucklin's Arnica Salve; and it has never failed to cure any sore, boil, ulcer or burn to which it was applied. It has saved us many a doctor bill," says A. F. Hardy, of East Wilton, Maine, 25c. at all druggists.

**A REAL KING**  
The only man we envy under the sun is the one who has a plantation home, free of debt, and making just a little more than is necessary to live upon. That man is a real king. Freed from the contentions of commerce, they enjoy a mental ease that no other people in the world enjoy. There is no part of our life that we remember with more pleasure than the old plantation days, when certain plenty made the heart beat with joy and gave the mind that calm contentment so necessary in the realization of perfect happiness. Farmers, do not leave the country home and farm for the city. If you do you will regret it when too late to remedy.—*Bartow Record.*

**THE GREAT SOUTHERN REMEDY**  
St. Joseph's Liver Regulator is an excellent remedy for diseases of the liver and kidneys, constipation, biliousness, and all conditions caused by a dormant liver and kidneys. It is pleasant to take purely vegetable, and is carefully prepared by the old established Gerstle Medicine Co., of Chattanooga, Tenn. Every family should use it. Thousands use it and pronounce it the best liver medicine on the market. Druggists sell it, liquid, 50 cents a bottle; powders, 25 cents a box.

## P.P.P. Cures Rheumatism

Read what Nicholas Lang, the largest retail grocer in Savannah says about P. P. P.

F. V. LIPPMAN, Savannah, Ga.

Dear Sir:—  
For many years I consumed much medicine, and in fact tried every means in my power to get cured of that terrible disease, rheumatism, which had undermined my health. I visited Hot Springs, Ark., without gaining relief, and at last in sheer desperation I took P. P. P. (Lippman's great remedy), and was in a short time entirely cured. In the eight years since that time I have not had a symptom of rheumatism.

P. P. P. did the work to my entire satisfaction and made a quick and permanent cure.

Yours truly,  
**Nicholas Lang.**
