SECOND OVERDUE PARTY BROUGHT HOME SAFELY

DOUGLAS, Sept. 21.—With the safe return of Onnie Markkanen, son of Mr. and Mrs. John Markkanen and a Douglas high school boy, and of Hubert VandenWeyer, also of Douglas who started from the Island in the launch Tennessee, for Funter Bay Saturday and who failed to return until 10:30 o'clock last evening, fears of an accident were again set at rest.

The boys were due Sunday evening, although alarm for their safety was not aroused until yesterday morning when friends began to feel that with the abatement of the rough water they should be returning. Two launches were sent out in search yesterday and the missing boys were picked up near the end of Douglas island where they had been forced to camp when their engine broke down. They were brought back to town on the fishing craft owned by Fox of Juneau.

PIONEER LADIES MEET.

DOUGLAS, Sept. 21.—The Pioneer Ladies Society met at the home of Mrs. Frank Russell for a pleasant afternoon yesterday. At the close of the afternoon dainty refreshments were served after which the members adjourned to their respective homes.

TREADWELL NOTES.

The firemen will meet for their regular meeting in the firehall tomorrow evening. Elks from both Treadwell and Douglas turned out to attend the initiation services at the local lodge in Juneau last evening when the following neophytes from Treadwell were initiated: Grover Kertis, Minard Mills and W. E. Mauseth. Tomorrow is ladies' day at the Treadwell club.

FIRST W. C. T. U. TEA IS WELL PATRONIZED

DOUGLAS, Sept. 21.—The first of a series of social afternoons was given by the local W. C. T. U. in the Congregational church parlors, yesterday afternoon and proved so successful that the Union has planned to set aside the first meeting of each month for a similar affair. A vocal solo by Mrs. L. B. Wright of Treadwell and reading by Mrs. Rose Monley were included in the short program which preceded other features of the afternoon's entertainment. A guessing game, for which a prize was awarded at the conclusion, occupied several minutes. Dainty refreshments were served by the members of the Union at the close of the game.

LIGHTHOUSE TENDER LEAVES FOR KETCHIKAN

The lighthouse tender Fern arrived in Juneau last night early and remained here until noon today taking on water and supplies. The Fern is in command of Capt. Leadbetter and has been working on Lynn Canal for the past few weeks placing aids to navigation and renewing the charges in the blinker lights. Capt. Jas. E. Sayles, of Ketchikan was on the Fern and was busy renewing old acquaintances in Juneau while the Fern was in port.

CLIFF APARTMENT FIRE CALLS OUT THE TRUCK

A telephone call from the Cliff apartments turned in at 7:25 o'clock this morning called out the fire truck. The fire was caused by an overheated flue and was extinguished without damage to the building or contents.

The fire was in the apartment occupied by William Casey, Jr., and wife, who were just preparing breakfast at the time. It was discovered almost immediately and when the alarm was sent to headquarters, Frank Sargent and the truck responded.

MRS. MARSHALL SLEEPS ON FLOOR RATHER THAN DISTURB HOTEL GUESTS

ST. LOUIS, Sept. 12.—(Special)—The wife of Vice President of the United States slept on the floor of the parlor of the Hotel Jefferson's presidential suite Sunday night rather than disturb her distinguished husband, or guests in adjoining rooms. Her husband had been in bed all day with a severe cold. She attempted to sleep, but was restless, and feared her restlessness would disturb the vice president.

There were two alternatives — ask the management to install a bed in the parlor or sleep on the parlor floor. She realized the installing of a bed would awaken other guests. So at 1 o'clock, while the Vice President was asleep, she stole out of the room, placed a blanket on the floor and finally dropped off to sleep.

SUICIDE AT ANCHORAGE.

ANCHORAGE, Sept. 21. — Fawn Foreman, wife of Bert Foreman, of Hope, committed suicide here during the night by shooting herself. Mrs. Foreman came here several days ago on a visit. Despondency is given as the cause.

STUDENTS OF SCHOOLS WILL USE A. B. TANK

Question of Using the Gym Will Be Taken up Later with the Trustees.

Regarding the schedule arranged for the Juneau school students to use of the Arctic Brotherhood gym and tank, as published exclusively in The Empire yesterday, Prof. L. D. Henderson, superintendent of City Schools today made the following statement:

"During last year the Juneau School Board made arrangements for the use of both the tank and gymnasium of the A. B. Hall on every school day of the week from the hours of 3:15 until 5:00 p. m. and for the use of the tank for elementary school boys on Saturday mornings. A schedule was arranged providing for the use of the tank by each member of the school from the third grade through the high school two times each week. Owing to the fact that no member of the faculty was available for conducting the work of the gymnasium, it was decided not to take advantage of the opportunity to use it except for the high school boys during the basketball season.

At the opening of the present school year, the same arrangements were made with Pat Scott, the manager of the building then in charge. A schedule for the use of the tank — in practically every detail similar to that of last year — was prepared and in addition systematic use of the gymnasium floor outlined.

"With the change in the management of the building a controversy seems to have been created as to the source of the school's authority to use the building. Mr. Reck, chairman of the Board of Trustees, has requested that the school confine its use of the building to the tank and dressing rooms until such time as the trustees may meet and adjust matters.

WAGNER'S RANCH WILL HAVE NEW MANAGEMENT

Wagner's Ranch House will be opened on Saturday night under new management. Mrs. M. D. Berry and Mrs. A. Anderson, who recently purchased the place from John Wagner, intend to run the house and furnish dinners to parties desiring them. They will give the trade their personal attention and it was stated today that the place will be run in a strictly respectable manner and will cater to family trade especially.

PETERSBURG MAN TO BE EXAMINED FOR INSANITY

John Jagerman, of Petersburg, was arrested this morning by Deputy Marshal Frank Cook on a complaint charging him with insanity. Jagerman is a recent arrival from Petersburg and is laboring under the hallucination that he is being persecuted. When the officers found him he was standing at the door of his cabin with a loaded shotgun in his hand, with a full box of loaded shells beside him and crying like a baby. An examination as to his sanity will be held within the next few days.

LONDON HAS A STRIKE.

LONDON, Sept. 21.—Another effort is being made today to avert the threatened strike of railroad employees who are demanding a ten shilling increase in wages which the railway managers refuse to grant. Walter Tuncman, president of the board of trade, taking the initiative in the attempt.

If You Are Planning a Trip Outside

¶ If you contemplate taking a trip "outside" this fall do not fail to examine the Juneau Store Advertisements and the stores themselves before going. You will be surprised to find that right near at hand there are about as many interesting things to see as you'd be able to find at the end of a journey.

¶ By taking your clothes with you, you will have more time for real pleasure and fewer old clothes to encumber your baggage.

¶ And this suggests that the local stores should appeal to this incentive for "Home Buying" by keeping the travelers informed as to what they can get at home. They can do that by advertising.

¶ Empire ads have thousands of readers.
