Big Historical Production Tonight

Patrons of the Grand theatre will get to see something far out of the ordinary in the big three-reel feature, "The Law of the West," and the management promises that this will be one of the most sensational and realistic films ever shown in Juneau, and worth ten times the regular price of admission. In seeing this big production with its big battles, Indian massacres, and strong love story in connection, you cannot help but look back and see what our grandfathers and Indian fighters of 1872 went through. The Kay Bee film people employ Indians to act in these pictures and are taken in the identical places where great battles have occurred, so that you actually study history and see these battles as if you were on the battlefield forty years ago. Don't miss this chance as you might not get another. To send you home happy and laughing we will put on a very laughable reel entitled "Overcoats," which you are sure to enjoy to the fullest extent. This is your last night.

SUNDAY'S PROGRAM.

The show for Sunday is comprised of the finest selected reels, as follows: "Will and a Way"—very interesting Thanhouser production. "Gaumont Weekly"—latest events of the world. Always good. "A Clue in the Dark"—a strong majestic drama. The kind that will keep you interested. "Telephone Entanglement"—very good comedy. Sure to please.
Grand—where everybody goes!

MASONS, ATTENTION.

Stated Communication of Mt. Juneau Lodge, No. 147, F. & A. M., will be held in Odd Fellows' hall Monday evening, Feb. 9, at 8 o'clock. The craft cordially invited. 2-7-2t.
E. D. BEATTIE, Secy.
