FINDS ANCIENT PURSE
 SECRETED LONG AGO
 DOUGLAS, April 17.—While removing an old stump from his lot for the purpose of making garden, J. H. Kelly found concealed in its roots an old time leather purse, rolled up and "all bound round with a woolen string." Mr. Kelly had a sensation of falling heir to something, but when he unwound it there was but little left to reward him.

In side, but rotted with age, was what had evidently been some sort of legal document and a clipping from a German newspaper. Part of the seal was decipherable, as was some of the content of the printing. A date of 1790 appeared and the newspaper article evidently was an account of a robbery. There is no way of estimating how long the wallet had remained in the stump, but at least thirty or more years must have elapsed to bring it to its present state of decay, the place of concealment being more than a foot below the ground level. The Kelly home is situated on the old Kane corner at Second and D streets.

DOUGLAS NEWS NOTES

DOUGLAS, April 17.—The steamer City of Seattle is marked to arrive on the island at nine o'clock tonight, sailing from Juneau at eleven. Among the passengers for the South will be R. R. Hubbard who will make a business trip to Seattle of a week or ten days' duration.

Who will be Queen of the May? The Draper club contest committee has left a ballot box at Hubbard's store in Douglas and invited the citizens of Douglas to vote for their choice for the honored position of May Queen. The contest is for the purpose of raising funds for a public library in Juneau, that city having no library of a public character. Douglas is entitled to a candidate or as many as desire to enter the race.

Mrs. Joe Riedl and children, Mr. and Mrs. Joe Robertson and children and Alex Robertson will leave tonight or in the morning at the sailing of the Sampson, for Europe. Mrs. Riedl and children will go to Alsace-Lorraine for a visit at her former home, while the members of the Robertson family will visit their former homes in Scotland. During the absence of Mr. Robertson the draying business will be in charge of Pat McGuire.

WORK STARTED ON NEW TREADWELL TENNIS COURT

TREADWELL, April 17.—Spur car tracks are being laid from the main line to the grounds back of the club where a new tennis court is to be built at once. The court has been laid out parallel with the club building, and is to be fitted with crushed rock, the rock to be hauled in cars from the mine over the spur. The tennis court adjoins the new ball grounds on the southeast corner and will add another enjoyable feature to the general scheme of outdoor amusement for the citizens of Douglas Island.

TREADWELL NOTES

TREADWELL, April 17.—Frank Russell left this morning for his outing at Temke Springs.

There is a regular bargain counter rush for tickets to the baseball game to be given Wednesday evening. That game will inaugurate the baseball season of 1914 on Douglas Island.

Frank Murphy had his face scorched quite severely yesterday when a quantity of carbide exploded, which had been placed in a position where some water had dropped upon it. He is out today minus his eyebrows and winkers but otherwise not seriously injured. Mr. Murphy is a member of the safety committee and may have to report his own oversight.

There was an enjoyable band practice last night. The next band concert will probably be given a week from Saturday. It is claimed that Treadwell has the best band in Alaska. Monte Snow started the high-brow stunt yesterday of reading Gibbon's

ARTHUR WOODS NEW YORK POLICE COMMISSIONER

What's the use of suffering from heartburn and the other disagreeable things caused by Dyspepsia and Indigestion, when we offer you the privilege of using Rexall Dyspepsia Tablets entirely at our risk, with the distinct understanding that, if they don't relieve your stomach trouble and make your digestion easy, they will cost you nothing. If they don't do all you expect them to, we want you to tell us and let us give back your money. We know what they have done for others, and what they are made of. That is why we have confidence in them.

Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, relieve heartburn and distress, promote the secretion of gastric juice and help make the bowels regular. We believe them to be by all odds the best remedy for indigestion or dyspepsia ever made. We believe you will say so, too, once you have used them. If you don't, they will cost you nothing. Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25c, 50c and \$1.00. — William Britt, Druggist, Juneau.
