EVERY HOD OF MORTAR or cement that goes into the construction of a building decides to a certain degree the character of that building. Good materials only will make a good building. To attempt to save by the use of poor materials is folly. The best is the cheapest as those experts who use our materials exclusively know by experience.

Alaska Supply Co.

\$5,000.00

was paid to advertise the sale of Electric Coffee Percolators at \$7.50 each in a weekly magazine for one issue. We are selling the best electric coffee percolator made for \$5.00 each, but we do not pay such an enormous sum for advertising.
