UNTRUTHFUL OPPOSITION.

PERHAPS the administration is fortunate that the newspaper opposition to it in Seattle is of such small and untruthful character that it will, in the end, help rather than hurt.

"This country did not back up his demands, but receded from them at the mediation conference."

The truth is that the country more than backed up Admiral Mayo's demands both in Mexican waters and at Niagara Falls.

A Berlin department store has failed owing nearly \$10,000,000. Is that, too, due to the American tariff and the Wilson administration?

"FIGHTING JOE" MARTIN BACK.

"FIGHTING JOE" MARTIN, who was Premier of British Columbia and author of the statute which excluded Americans from the ownership of mines in the Atlin district more than a dozen years ago, has returned to British Columbia and taken up his residence in that Province.

tin has had a career as a Liberal party member of the British parliament. Before going there he served as Attorney-General and Minister of Education in Manitoba for 10 years prior to 1892, and for four years afterward he represented a Winnipeg constituency in the Dominion Parliament as a Liberal.

What the cause that brought Martin back to British Columbia is not disclosed, but the chances are, if his health is good, that he will soon be in politics again.

There should be a good attendance at the Juneau Democratic club meeting tonight. The meeting will take up the serious work of preparing for the primary, which will select representatives of the Juneau Democracy in the Territorial convention, and that of determining the sentiment of Juneau Democrats on the issues that confront the people of Alaska.

Nothing but hard luck for the railroads. First there was no freight at all, and now there is more freight than they can handle. When is this persecution to stop?

The objection to the appointment of Thomas D. Jones to the Federal Reserve Board on the ground that he is an unknown man is no longer valid.
